INT. RARITY'S ROOM - DAY

RARITY and APPLEJACK sit down in front of the camera.

1 RARITY
Hello internet darlings, it's your music festival muses Rarity and Applejack here, presenting our camping must-haves.

2 APPLEJACK
Don't be fooled by our different styles-- we're on the same page when it comes to packin' right for a trip to the great outdoors.

Applejack picks up sunscreen.

3 APPLEJACK (CONT'D)
First things first:

4 APPLEJACK/RARITY
Chocolate and marshmallows.

They <LAUGH EXACTLY THE SAME WAY>, so "on the same page."

5 APPLEJACK
Now yer gonna be out in the hot sun all day long, so be sure to bring plenty of sunscreen.

6 RARITY
Of course your SPF look-- stylish, practical, fun-- won't be complete without a chapeau.

Rarity puts on a fancy sun hat, then reveals more items:

7 RARITY (CONT'D)
(adding items to the pile)
And it should match your parasol and blanket of course.

8 APPLEJACK
But ya don't really need all that--

9 RARITY
--and maybe a scarf.

Rarity tosses the items in a pile. Applejack swallows her mild annoyance and soldiers on.

10 APPLEJACK
I can think of two must-haves for makin' an outhouse feel like an inhouse: bring your own TP, and plenty of hand sanitizer!

AJ holds up toilet paper and hand sanitizer. Rarity GASPS.

11 RARITY
Just because we'll be living among animals doesn't mean we have to become one! Be sure to include one or two all-natural moisturizers, maybe a few more-- never hurts to have the whole set...

She picks up an armful of lotions and creams.

12 APPLEJACK
Ya can't go three days without 'em?

13 RARITY
I'll fit them in, darling! Next to the cushioned seat-cover, air freshening candle set, and 4-panel privacy screen...

She tosses these things in the rapidly growing pile.

14 APPLEJACK
(a little irritated)
And finally, you'll need a sleeping bag for a few hours o' shut-eye.

AJ holds a sleeping bag. Rarity adds items to the pile.

15 RARITY
Plus pillows! Travel pillows, body pillows, accent pillows, throw pillows, bolster pillows, hypoallergenic pillows...

16 APPLEJACK
Where are you plannin' to put all those pillows?

Rarity DRAGS a four-poster bed into frame. AJ cracks.

17 APPLEJACK (CONT'D)
Excuse me?! What happened to bringin' only our <u>must-haves</u>?!

Rarity stops, indignant.

18 RARITY
This is a hand-carved mahogany four-poster bed-- I absolutely MUST HAVE it!

19 APPLEJACK
You'll never be able to carry all this to the campsite. Besides, camping is about makin' do with what you got. It's about breakin' off sticks to roast marshmallows, or rustlin' up pine needles for deodorant!

20 RARITY
But Darling, we're not camping...

Applejack is confused. Rarity tosses back her hair and whisks open the bedroom curtains. AJ adjusts the camera, revealing in the backyard below...

A SHINY NEW PURPLE RV set up for camping.

21 RARITY (CONT'D)
...We're glamping!

AJ gawks.

22 APPLEJACK
But... Marshmallows...?

Rarity reveals a Garage-door-opener type remote. She presses the button: SPROING! Cartoonishly, one side of the RV pops open (not unlike a playset), revealing a tableau with a fire pit, seven stumps, and marshmallows on sticks ready to go.

23 APPLEJACK (CONT'D)
(grinning, arm around RY)
...I think I'm gunna like glamping.

(ALT LINE 23)

24 RARITY
(grinning, arm around AJ)
Mmmhmm. *Artisanal* Marshmallows.
