EXT. CRUISE SHIP - DAY

Through the storm, we can barely see the outline of THE DESERTED ISLAND. **S&P Note: Caution that everyone is seen wearing a life jacket throughout this episode.*

Pinkie Pie, Rarity, and Fluttershy steady themselves on the deck against wind/rain. The storm rages around them. The Cruise ship lists as it takes on water.

1 FLUTTERSHY
We're sinking!

2 PINKIE PIE
To the lifeboats!

Pinkie Pie points triumphantly!

ANGLE ON: THE RACK OF LIFEBOATS. A GIANT WAVE crashes on deck and when the water clears-- THE BOATS ARE GONE.

Pinkie stays frozen, pointing triumphantly where the lifeboats were. Her finger gives a daffy-duck droop.

Lightning strikes the ship. <THUNDER>! They faceplant on the deck, clinging as water sprays over them from the assaulting waves.

3 AJ/FS/PP/RY
AHHHHHHHHH--!

Suddenly all <CHAOS SOUNDS> cut out except their scream... which becomes a confused <SCREAMEY-LAUGHING-HUH> sound, because--

The storm is getting SUCKED TOWARD THE ISLAND!

EXT. THE SKY - SAME

Clouds funnel downward.

EXT. THE OCEAN - SAME

The ribbons of magic get sucked up.

EXT. JUNGLE - SAME

The giant carnivorous plant suddenly shrinks to a tiny little thing and makes a cute <MEEP MEEP> sound.

EXT. DESERTED ISLAND - SAME

CLOSE ON THE STAFF: Sci Twi holds it over her head as MAGIC GETS SUCKED INTO IT... then suddenly it's finished.

It crackles with magical energy.

4 SCI TWI
Weather update: sunny...

5 RAINBOW DASH
...with a chance of awesome. (ALT:
...with a 20% chance of awesome.)

Sunset, Sci Twi, and Rainbow Dash emerge from the jungle out onto the beach. They sit down, proud.

In the background-- tiny shapes of their friends WAVING FRANTICALLY and <YELLING> from the ship! They're oblivious to escalating background attempts to get their attention (waving, signal flare, etc.).

6 SUNSET SHIMMER
I can't believe how easy that was.

7 RAINBOW DASH
And look-- there's the ship!

8 SCI TWI
I think we all learned a valuable lesson today...

9 RAINBOW DASH
I learned we don't have to go out looking for trouble. We just have to be there for each other when it finds us.

10 SCI TWI
(re: the staff)
But I guess if you hadn't gone off, we wouldn't have what we need to go back and save our friends.

11 RAINBOW DASH
All part of the plan.

Suddenly the PARROT <SQUAWKS> on a branch above them.

12 PARROT
<SQUAWK>! "The ship is still sinking! Go help your friends!"

13 SUNSET SHIMMER
Who said that...?

14 PARROT
"I have ideas of my own, sometimes!"

<DRAMATIC MUSIC UP>!

15 RAINBOW DASH
Wait-- they're sinking, as in-- THEY'RE SINKING!?

Rainbow Dash's geode GLOWS and she puts her arms over their shoulders, then SPEED-RUNS SO FAST she runs out into the waves...

EXT. THE OCEAN - SAME

...and runs along the surface of the water!

EXT. CRUISE SHIP - DECK - MOMENTS LATER

Rainbow Dash LEAPS onto the deck with Sunset and Sci Twi. They land next to the other Mane 7 with a thud (as Applejack comes outside).

16 PINKIE PIE
You're back!

She SQUEEZES them into a big hug.

17 PINKIE PIE (CONT'D)
While you were gone we fixed the boat but then we crashed into a rock and we're sinking, so...
(sobbing)
...we ruined your Spring Break! <SOB>!!!!

18 SCI TWI
It's not your fault-- the storm was Equestrian magic. Rainbow Dash was right all along. But whatever the seven of us are facing... however our lives are changing-- in crazy ways we don't understand... we're going through it <u>together</u>. So let's get everyone off this boat, together... <u>like the superheroes we are</u>! Who's with me?!

19 MANE 7
Yes! / I am! / We are! / etc.

20 RAINBOW DASH
SEE HOW EASY THAT WAS?!

Sci Twi turns to Rainbow Dash with a knowing smile...

21 SCI TWI
You thinking what I'm thinking?

22 RAINBOW DASH
Rainbow Lasers.

23 SCI TWI
(overlapping)
Pony Up.

24 SUNSET SHIMMER
I thought we were calling it--

25 RAINBOW DASH
--no, we agreed on Rainbow Lasers--

26 PINKIE PIE
LIGHT IT UP, LADIES!

Sci Twi holds out her hand. As soon as their hands touch... A LINE OF ENERGY CRACKLES AROUND SUNSET'S GEODE NECKLACE. It travels down her arm and up Sci Twi's, activating HER GEODE. Down her arm to the next, and so on. After a BRIGHT FLASH, The Mane 7 are floating in formation, decked out in their CRYSTAL ARMOR, holding hands, wind blowing behind them.

<ENDING MONTAGE MUSIC UP>!

EXT. CRUISE SHIP - DECK

Fluttershy leads the petting zoo animals two by two. One of the grandchildren bunnies stops, scared, but RD just scoops it up and zooms it to Mr. Bouncy, who gives a thankful nod.

EXT. CRUISE SHIP - DECK - LATER

A different part of the deck. A TODDLER is crying, all alone. Sunset touches her arm and gets an <EMPATHY FLASH>, seeing a quick shot of THE TODDLER WITH HER MOM! Within seconds, she escorts the toddler acorss the deck to her MOM, who embraces her.

EXT. CRUISE SHIP - SAME

ANGLE ON a closed bulkhead with a glass porthole. Micro Chips is visible through the porthole, banging on the glass-- <MUFFLED YELLING>. Applejack grabs the spinning handle but it won't budge. SHE PULLS-- her geode GLOWING with strength--

And the door opens! Micro Chips scrambles out, water gushing behind him...

BUT THEY COME TO A DEAD END! Suddenly Trixie looks down from an upper railing, waving a NORMAL-SIZED RAINBOW HANDKERCHIEF.

27 TRIXIE
Grab on-- I'll pull you up.

28 APPLEJACK
That ain't long enough!

Trixie whips it from her sleeve into a long knotted rope, MAGIC STYLE. AJ and Micro Chips exchange a look-- not bad!

INT. CRUISE SHIP - DINING HALL - LATER

Partially flooded. By the dessert table, Puffed Pastry STRUGGLES but she can't move. Suddenly BOOM-- Pinkie Pie bursts through the door and wades through the water...

29 PUFFED PASTRY
(intense)
I thought I told you never to come in here.

30 PINKIE PIE
(equally intense)
Good thing I'm a slow learner.

Puffed Pastry sizes her up, then smiles. They do a *Predator*-style handshake of respect.

31 PUFFED PASTRY
I'm trapped-- my foot is stuck...

Pinkie takes a huge breath and goes under, where she sees... PUFFED PASTRY'S FOOT is stuck through the ring of a--

32 PINKIE PIE
(bubbles/under-water)
<u>Triple-choco-berry-blasted-butter-biscuit-bundt-cake!</u>

She CHOMPS into it. Then they escape together.

CUT TO:

EXT. CRUISE SHIP - MAIN DECK - MOMENTS LATER

Sunset helps Micro Chips and the last few incidentals gather together, then gives Sci Twi the signal to levitate. Sci Twi's geode GLOWS, and up they go-- Sunset and AJ too!

They land in a Rarity-Shield lifeboat. Rainbow Dash ZOOMS them to the island.

EXT. DESERTED ISLAND - LATER

The passengers offload onto the beach. Ragamuffin finds Rarity...

33 RAGAMUFFIN
I 'spose this is good'bye...

Rarity nods, sad and shy.

34 RARITY
Take care of yourself.

35 RAGAMUFFIN
You too, Rar-i-reeee.

As he turns to go, she stops him--

36 RARITY
Ragamuffin...? Don't let anyone tell you you can't be a dancer. "For all coal turns to diamonds."

<MUSIC SWELLS>. That's the best advice he's ever heard.

MEANWHILE, IN THE OCEAN: THE SHIP SINKS INTO A BUBBLY STEW.

WIDE SHOT: The mane 7 stand on the beach for a while. Uhhhh.

37 FLUTTERSHY
Soooo... now what?

Sunset looks down at the WOODEN STAFF from Equestria...

38 SUNSET SHIMMER
I might have a way home, but it's kind of weird...

The others are confused, but Rainbow Dash and Sci Twi exchange a grin...

CUT TO:

EXT. EQUESTRIA - DAY

A normal day in Ponyville at Twilight's castle...

INT. TWILIGHT'S CASTLE - MAP ROOM - DAY

Spike and Princess Twilight are trying to hang the painting again.

39 PRINCESS TWILIGHT SPARKLE
A little more on the left, a little more... Perfect!

He's triumphant-- until <THE DOOR OPENS>, and it falls.

REVEAL IN THE DOOR: Sunset Shimmer.

40 PRINCESS TWILIGHT SPARKLE (CONT'D)
Long Story...?

BEHIND HER: EVERY OTHER PONY FROM THE SHIP.

41 SPIKE
Hoo boy.

CUT TO BLACK.

END OF PART SIX.
