EXT. PONYVILLE - DAY

FLUTTERSHY is standing in the middle of a circle consisting of RAINBOW DASH, APPLEJACK, RARITY, TWILIGHT, and PINKIE PIE.

1 FLUTTERSHY 1
Økay everypony, as you know, the 2
adorable fairy creatures known as
Breezies are about to come through
Ponyville!

1A PINKIE PIE 1A
Yes!! It's so exciting!! I can't
wait for Rainbow Dash to make the
breeze for them so I can see how
cute they are up close!!

1B RAINBOW DASH 1B
And I can't wait to make the
breeze! I've never done it before.
(then)
Not that I won't be totally awesome
at it. Because I totally will.

4 FLUTTERSHY 4
And that breeze is very important.
But so is cheering on those teeny,
tiny little things so they have the
confidence to ride that breeze to
their native land.
(wistful)
Did I mention how tiny they are?
So tiny.

5 TWILIGHT 5
How tiny are they?

5A FLUTTERSHY 5A
Well Twilight they are so tiny that
if you held one in your hoof, well,
they're about the size of your
hoof.

5B APPLEJACK 5B
That is pretty tiny.

6 FLUTTERSHY 6
Exactly. And because they are so
fragile we need to treat them very
carefully as we encourage them on
their way.

7 RARITY 7
Perhaps I could make them some custom gowns. That always makes me feel encouraged.

8 FLUTTERSHY 8
Oh, that’s a nice idea, Rarity. But I think it might set them off balance.

9 RARITY 9
(wistfully)
Yes, but only in the best way.

10 FLUTTERSHY 10
I was thinking we could do a special Breezy cheer.

11 PINKIE PIE 11
I LOVE CHEERS!!!

12 FLUTTERSHY 12
So do I. But these cheers should be quiet cheers. We don’t want to startle them. They need to be able to concentrate.
(then)
Why don’t we try it? Repeat after me. “You can do it Breezies.”

13 ALL THE PONIES 13
(loudly)
YOU CAN DO IT BREEZIES!!

Fluttershy just looks at them, stunned by the noise, batting her eyes.

14 FLUTTERSHY 14
Oh my.

15 APPLEJACK 15
Sorry, Fluttershy, I had no idea how hard it was to do a cheer quietly.

16 FLUTTERSHY 16
It’s okay. Quiet doesn’t come naturally for everyone. Let’s try it again.

17 ALL THE PONIES 17
(quieter)
You can do it Breezies!

18 FLUTTERSHY 18
Perhaps just a little bit quieter?

19 ALL THE PONIES 19
(whispering)
You can do it Breezies!

20 FLUTTERSHY 20
Just a little quieter.

21 ALL THE PONIES 21
(very, very quietly)
You can do it Breezies!

22 FLUTTERSHY 22
(excited)
PERFECT!!!!

They look at her, stunned. She is stunned herself.

23 FLUTTERSHY (CONT'D) 23
I mean...
(quietly)
Yay.

TRANSITION TO:

ACT I

EXT. PONYVILLE SKY - DAY

RAINBOW DASH, FLITTER and CLOUDCHASER are up in the air directing the wind, making it form into tiny fast circles. They are shouting to each other so they can be heard over the wind.

24 RAINBOW DASH 24
Flitter! Cloudchaser! That's too *
strong! We gotta slow this breeze *
down or we're going to blow those *
Breezies apart!

25 FLITTER 25 *
You got it, Dash! *

EXT. PONYVILLE TOWN SQUARE - AT THE SAME TIME

Down below, all of Ponyville is in full party mode to welcome the Breezies. There's a TRIO <PLAYING MUSIC> and Fluttershy is standing next to MRS. CAKE and MR. CAKE who are rapt in discussion about the Breezies. Fluttershy is obviously eavesdropping, trying hard not to overtake the conversation.

27A MR. CAKE 27A
What I don't understand is why they need the Pegasi to make a breeze for them. If they're so tiny, why don't the Breezies just catch a ride home on a Pegasus instead?

27B MRS. CAKE 27B
Well...I uh...hmmm....

Fluttershy can't help but turn her head to speak to them.

27C FLUTTERSHY 27C
Oh, um, I can answer that, if you really want an answer.

27D MR. CAKE 27D
Absolutely.

27E FLUTTERSHY 27E
Well, you see, it's the breeze that activates the Breezie's magic. And that magic protects the pollen * they're carrying from being * destroyed.

29 MR. CAKE 29
So... no breeze means no magic means the pollen goes bad?

29A FLUTTERSHY 29A
That's right. And they only have two days to get that pollen back before the portal to their home closes.

29B MR. CAKE 29B
Two days?! What happens if they can't make it home in two days?

Fluttershy just looks at them, not wanting to say.

29C MRS. CAKE 29C
They'd be TRAPPED here??

30 FLUTTERSHY 30
That's why it's ever so important that we help them make their way through Ponyville safely.

31 MRS. CAKE 31
We certainly wouldn't want to scare them and divert them from their path!

32 FLUTTERSHY 32
Now you understand.

33 MR. CAKE 33
You certainly know a lot about them.

34 FLUTTERSHY 34
Oh, thank you. I went to see them gathering their pollen in Western Equestria. Before I left I did a little light reading about them.

She nods to three ENORMOUS books in her basket. She hears the band and turns to the fascinated ponies.

35 FLUTTERSHY (CONT'D) 35
If you'll excuse me.

The ponies nod and she walks over to the trio.

36 FLUTTERSHY (CONT'D) 36
Oh, hi, I don't mean to bother you, but do you think there's any chance you could just muffle the sound a little bit? I'm a little worried it's going to scare the Breezies.

37 BAND PONY 37
Isn't this FOR the Breezies?

38 FLUTTERSHY 38
Yes. And they do need to know that they have the moral support of all of Ponyville. But their preference is a quiet, easy jam.

The Band Pony nods and directs his group to play more softly.

39 FLUTTERSHY (CONT'D) 39
Thank you.

Fluttershy winces as she gets blinded by a glare. She looks up and sees a very SEQUINED Rarity standing at a podium next to Twilight. Fluttershy walks up to her.

40 FLUTTERSHY (CONT'D) 40
Rarity, I hate to weigh in with you when it comes to fashion, but--

41 RARITY 41
(looking at her outfit)
There's too much purple on this, isn't there? I KNEW it! But Twilight refused to admit it.

42 TWILIGHT 42
What? I--

43 FLUTTERSHY 43
No, no. It's the perfect amount of purple.

44 FLUTTERSHY (CONT'D) 44
It's just that there's an awful lot of sequins on your jacket.

45 RARITY 45
Darling, please, one can never have too many sequins.

46 FLUTTERSHY 46
You can if they reflect the sun and the light catches a group of Breezies right in their eyes and blinds them long enough to get them off of their course so they never get home!

Rarity and Twilight look at her for a beat.

47 RARITY 47
I stand corrected. I suppose there is the rare instance where one can have too many sequins. I'll just take off my jacket.

She takes it off to reveal her BLOUSE which is made out of a silvery reflective fabric that is even worse than the sequins. Fluttershy squints as she is blinded by the light coming off of Rarity's shirt.

48 RARITY (CONT'D) 48
I suppose this won't do either.

We see Twilight look up at Rainbow Dash who NODS at her. Twilight looks upon the now very quiet crowd and whispers loudly.

49 TWILIGHT 49
Everypony, it's time! Please welcome the Breezies!!

Fluttershy THROWS her scarf on top of Rarity's reflective shirt and looks up into the sky.

EXT. PONYVILLE SKY - AT THE SAME TIME

A group of miniature little fairy type creatures , the BREEZIES, come floating in on the breeze, carrying tiny packs on their backs. They are in a tight formation, holding onto one another. They seem to need all of their concentration to stay together. Twirly, clearly their leader, is in front, yelling out directions to her friends in her native language.

50 TWIRLY 50
Melvin arsin eifolk!

The other Breezies nod and get closer together.

EXT PONYVILLE - CONTINUOUS

Down below, SPIKE is running in between all of the ponies' legs, trying to get a better look. He can't see anything over the crowd of ponies.

51 APPLEJACK 51
(whispering)
They're as cute as Apple Bloom on the day she was born!

52 RARITY 52
(whispering)
And would you look at those adorable little packs they carry their pollen in.

53 SPIKE 53
(calling out)
Adorable little packs? Did you say adorable little packs?

54 RARITY 54
Shhhhh!

55 SPIKE 55
(whispering)
Sorry.

Spike then tries to go through Applejack's legs and she looks down at him.

58 APPLEJACK 58
Be careful, Spike!

58A SPIKE 58A
I can't see anything!

58B APPLEJACK 58B
Maybe try over there! I see an empty patch that way!

She goes back to looking up at them, whispering loudly.

59 APPLEJACK (CONT'D) 59
They're beautiful!

Spike is FURIOUS now and stomps off in the other direction, looking up at the same time, desperate to catch a glimpse. He sees Pinkie Pie who isn't saying anything, but is noiselessly BOUNCING UP AND DOWN with glee.

60 SPIKE 60
(whispering)
Pinkie Pie! Can I hop on you so I can see the Breezies??

Pinkie Pie just looks at him with the hugest smile we've ever seen from her and bounces as she whispers loudly.

61 PINKIE PIE 61
So! Cute! Can't! Take! It!! May! Explode!!!

And with that she bounces off looking up in the sky.

62 SPIKE 62
Thanks a LOT!

He looks up to see a couple of BIRDS in the trees, who are clearly also taking in the show.

63 SPIKE (CONT'D) 63
Even the BIRDS can see them?!
(then)
That does it.

He goes over to the tree and with a look of determination attempts to CLIMB it.

He gets a foot up and immediately stumbles, and FALLS down. He looks around, BRUSHES HIMSELF OFF, and does it again, FALLING down AGAIN. He then looks at the tree, steps a few feet away, and CHARGES it. He RICOCHETS off of it, and falls (unhurt) onto a BRANCH.

ONE LEAF from that branch FLOATS up in the air, and Spike watches it, now dazed from his fall. As he watches it, he begins to smile. He speaks as if in a trance, quietly.

64 SPIKE (CONT'D) 64
There they are! I see them!

We follow the LEAF which is now VERY close to the Breezies. The leaf goes up HIGHER and HIGHER.

Back on Spike, watching the leaf and realizing what is about to happen.

65 SPIKE (CONT'D) 65
Oh no. OH NO!

EXT. PONYVILLE SKY - CONTINUOUS

The two Breezies in the front of the group's antennae begin to glow. A moment later, the contents of their packs begin to glow as well. Then the next two Breezies' antennae begin to glow. Their packs begin to glow soon after.

But just as this magical process begins, we see the leaf now go DIRECTLY into the Breezies' path SEPARATING them into two groups! This fragile unit has just been compromised.

The group in the back is confused as they can't seem to avoid the disruption, but they are not panicked.

Twirly is in the group in the back and looks at the others, not sure what to do.

65A TWIRLY 65A
Ut, farminkle mutkin?

SEABREEZE, a Breezie who somehow looks a little tougher, a little meaner than the rest, looks on ANGRILY at her group who is now being left behind. She turns to them and yells.

66 SEABREEZE 66
(angrily)
Martlen outlooken mire!!!

Her tone upsets and frightens them, and they begin to panic.

67 SEABREEZE (CONT'D) 67
MARTLEN OUTLOOK FIRE PATH!!

We can see in their faces that SeaBreeze is completely flustering them. They look ahead and see they are in peril and start flittering about with no real aim.

The group in front look back desperately at the other group who are being pushed farther and farther back by the breeze.

The group ahead look at each other, yelling quickly over each other.

68 FIRST GROUP OF BREEZIES 68
Martin faces pullagen???

We go back to the group left behind and they all GASP as they see the other group take off. They then feel another gust of wind HIT them and they get knocked even further behind.

Rainbow Dash, Flitter and Cloudchaser look below and see what is happening.

69 RAINBOW DASH 69
Slow down the breeze for the other group to catch up!!

70 FLITTER 70
I'm trying!!

71 CLOUDCHASER 71
They're too far back! We can't connect the breeze to both sets of Breezies!! *

72 RAINBOW DASH 72
What if we speed it up??

73 FLITTER 73
Then the first group will be going too fast and will get separated from each other!!

Rainbow Dash looks at the others in horror.

EXT. PONYVILLE - CONTINUOUS

Fluttershy looks on, beside herself as the helpless Breezies are tossed this way and that and we...

END ACT ONE

ACT TWO

EXT. PONYVILLE SKY/TOWN SQUARE - A MOMENT LATER

The Breezies are still in danger. They keep trying to grab hold of each other but the wind keeps separating them.

A determined Fluttershy takes to the sky, flying up to the Breezies. The Breezies are still being flung this way and that and can't get their bearings through the following dialogue.

76 SEABREEZE 76
(a command)
Manglemarsh mouth!

Fluttershy looks at SeaBreeze and yells over the wind to the other Breezies.

77 FLUTTERSHY 77
She’s right! You must all gather as close as you possibly can!

They stare at her in shock.

78 TWIRLY 78
(you understand us?)
Muggledy Sarken dose?

79 FLUTTERSHY 79
I understand the language of all kinds of creatures.

Their eyes light up in relief.

80 SEABREEZE 80
(snarky)
You must be so proud.

80A FLUTTERSHY 80A
(pleasantly surprised)
And you speak my language too?

80B SEABREEZE 80B
I can. This lot can only understand you. Clearly they’re not the brightest bunch around.

The other Breezies look a bit ashamed. Another gust of wind sends them swirling around.

81 FLUTTERSHY 81
Breezies, grab on to me however you can.

Quickly, they are all on top of her.

Fluttershy, covered in Breezies, is out of the breeze and down to the safety of the ground.

EXT. PONYVILLE - CONTINUOUS

Everyone in Ponyville CHEERS. Including the worse-for-the wear little Breezies who cling to their hero, Fluttershy.

DISSOLVE TO:

EXT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy is wearing one of the Breezies like a baby, as she talks to the Mane 6 who all surround her.

82 PINKIE PIE 82
THAT. WAS. AMAZING!

83 FLUTTERSHY 83
I just couldn't stand there and let those poor things fend for themselves.

84 RAINBOW DASH 84
I'm sorry we couldn't get a breeze going that would get them back to the others.

85 FLUTTERSHY 85
It's not your fault.

She looks down at the one she's wearing and coos at it.

86 TWILIGHT 86
I for one am very proud of you, Fluttershy. Leaping into action like that.

87 RARITY 87
I feel like I should design you a special hero's gown. Or at least a sash. Let me make you a sash.

88 SPIKE 88
Okay, okay, okay!! I know what you're all thinking why don't you just say it?!

They all turn to see Spike standing there.

89 TWILIGHT 89
We didn't even know you were there, Spike.

90 SPIKE 90
(he bursts into tears)
I'm sorry!! This is all my fault! I'm so, so sorry!

91 TWILIGHT 91
What are you talking about?

91A SPIKE 91A
It was MY leaf! I set off the leaf of destruction! I was just trying to get a good look and I fell on a branch, and a leaf fell off of it and that's how I RUINED EVERYTHING!

91B FLUTTERSHY 91B
Oh, Spike, it's okay. It could have happened to any one of us.

91C SPIKE 91C
Really?

91D FLUTTERSHY 91D
Of course.

91E SPIKE 91E
Okay. Thank you!

He DIVES into her to hug her and almost crushes the Breezie she is wearing. He backs off.

91F SPIKE (CONT'D) 91F
I'm just going to stay over here.

98 RAINBOW DASH 98
So Fluttershy, you want us to get the breeze going again so these little guys can get going?

99 FLUTTERSHY 99
Yes.

She looks at the Breezies who all look a little worse for the wear. They shake their heads "no". Fluttershy turns her attention back to Rainbow Dash.

100 FLUTTERSHY (CONT'D) 100
Maybe we should wait just a moment or so. They've been through so much.

The other ponies nod in understanding.

101 RAINBOW DASH 101
Just give me the word when you think they're ready.

DISSOLVE TO:

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy is playing hostess and nurse, to the shell shocked Breezies. She is running around trying to attend to them all.

102 FLUTTERSHY 102
Oh my, Twirly, you look like you need a blanket. Let me grab a tissue.

103 TWIRLY 103
Sampkin.

104 FLUTTERSHY 104
No problem.

Another Breezie, WINDFALL, looks up at Fluttershy.

105 WINDFALL 105
(tentatively)
Melanky?

106 FLUTTERSHY 106
Oh did you need some more water? I'll be right there, Windfall.

She brings a Breezie a thimble of water.

106A FLUTTERSHY (CONT'D) 106A
Now who else needed a hoof-knitted sweater?

She holds up a teeny-tiny knitted sweater.

There is a knock, and Twilight and Applejack peep their heads in the door.

109 APPLEJACK 109
Hey there! Can we come in?

110 FLUTTERSHY 110
Oh, of course. But watch your step.

Applejack looks down to see a little Breezy by her hoof. She is wearing a teeny-tiny sweater.

111 APPLEJACK 111
(to the Breezy)
Sorry about that little one.

112 TWILIGHT 112
We just wanted to see if you thought the Breezies were ready to give it another try.

113 APPLEJACK 113
Been over an hour since you brought ‘em back to your place.

114 FLUTTERSHY 114
Has it been an hour already? My goodness. Time flies when you’re making sure little creatures don’t feel that you’re abandoning them to the cruel world.

115 TWILIGHT 115
(hesitantly)
But they’re not going to a cruel world, right? They’re going *home*.

116 FLUTTERSHY 116
YES, that’s right.
(gaining resolve)
That’s RIGHT. Breezies! It’s time to go!

She turns to see all of the Breezies shaking their heads “no” vehemently, looking at her desperately with their big eyes. All but SeaBreeze, who rolls her eyes at the display.

117 FLUTTERSHY (CONT’D) 117
On second thought. I don’t think they’re quite ready.

118 SEABREEZE 118
Marshkin pupskin larfer! Farclop pannywafer!

Fluttershy looks on shocked and embarrassed.

119 APPLEJACK 119
What did she say?

120 FLUTTERSHY 120
(blushing)
I'd rather not say.

121 APPLEJACK 121
Okay, well I'm sure you know what you're doing. No one knows rare magical creatures like you do.

122 TWILIGHT 122
We'll just wait for your word.

123 FLUTTERSHY 123
Thank you. I'll be in touch very soon.

She closes the door behind them. SeaBreeze turns to the other Breezies.

124 SEABREEZE 124
We need to go NOW or we'll never get home! I wish we didn't need that stupid breeze to activate our magic or I'd just force you all to fly home right now! Why do we have to need magic to keep our pollen safe??

124A FLUTTERSHY 124A
Now SeaBreeze--

124B SEABREEZE 124B
(imploringly)
Don't any of you miss flying in the gnome tree gardens or getting a fresh pollenmilk shake?? What if we never see a Breezie sunrise again?

She gets caught up in the moment and then snaps herself out of it and turns to Fluttershy.

124C SEABREEZE (CONT'D) 124C
Why are you giving into these wimps? If they hadn't been so scared in the first place this never would have happened!

The Breezies look on at her upset, backing behind Fluttershy.

125 FLUTTERSHY 125
Well that is just not true, SeaBreeze. It was because of a leaf and you know that.

126 SEABREEZE 126
Puh-lease! They have no idea what they're doing out there! Like you said, we need as much time as we can get, because they are incompetent!

She storms out of the room. The Breezies flutter, staring at Fluttershy, with a look of concern in their big eyes.

127 FLUTTERSHY 127
Well, I didn't say that exactly, now did I?
(switching gears)
Okay then. Who wants an antennae massage? Oh, actually, what about a snack first?

The Breezies, with the exception of SeaBreeze all surround her excitedly.

DISSOLVE TO:

INT. SWEET SHOPPE - LATER

Fluttershy eyes a display case of pastries. Pinkie Pie is behind the counter.

128 FLUTTERSHY 128
Hmmm. I'm wondering, do you think the Cakes have anything just a touch smaller?

129 PINKIE PIE 129
Smaller? Absolutely!!

She whips to the back of the store and whips right back around holding a smaller tray with the same size pastries crammed together on it.

130 FLUTTERSHY 130
Smaller *pastries*.

Pinkie sets down the small tray.

131 PINKIE PIE 131
Why didn't you say so? Be right back!!

She once again WHIPS to the back of the store and WHIPS right back holding a LARGE tray with tiny pastries on it.

132 PINKIE PIE (CONT'D) 132
These are none other than the Pinkie Pie patented *Petit* Petit Fours!

133 FLUTTERSHY 133
They look lovely. But, maybe something a little smaller?

134 PINKIE PIE 134
Oh! I know what you have in mind! I have just the thing! Be right back!!

She once again WHIPS to the back of the store and WHIPS right back in holding an EVEN larger tray with EVEN smaller pastries on it.

135 PINKIE PIE (CONT'D) 135
These are none other than the Pinkie Pie patented Petit *Petit* Petit Fours!

136 FLUTTERSHY 136
Perfect! I'll take three dozen! Once I get a little food into those Breezie bellies I'm sure they'll have the confidence to go on their way.

She looks out the window to see the sun is starting to set.

137 FLUTTERSHY (CONT'D) 137
(to herself)
At least I hope so.
(then, confident)
Of course they will. Who doesn't feel better after a little bite to eat? They'll definitely be ready to go after that!

Pinkie Pie looks at her and smiles widely.

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Petit Petit Petit Four crumbs litter the floor as satisfied Breezies snuggle up to Fluttershy on the couch. One of them lets out a little burp.

138 BREEZETTE 138
Munfarzen.

139 FLUTTERSHY 139
You're excused.

She looks at them all with great trepidation.

140 FLUTTERSHY (CONT'D) 140
Well, my Breezies--

She tries to get up, peeling them off of her. She is literally peeling off little Breezies who cling to her like velcro. As soon as she has peeled one off another clings on.

141 FLUTTERSHY (CONT'D) 141
Oh. That's sweet. What a nice hug. And one from you too. Oh, you need one? Let's do four little squeezes each real quick.

It takes a while, but she has finally dislodged the last of them from her and faces them, putting on a brave face.

142 FLUTTERSHY (CONT'D) 142
Well! I think we can all agree that now that you've eaten and you have a little energy going in your Breezy bodies, you are strong enough to face the breeze! I've loved having you here and I hope I've all made you feel loved and special. But you have to go, no one here will deny that. I did make you feel special and safe and good though, right?

SeaBreeze buzzes around Fluttershy, eyeing her fellow Breezies with disdain.

143 SEABREEZE 143
There is nothing SPECIAL about these losers! They can't handle a SIMPLE breeze home! If they could just stick with the program and listen to me we would be safe! AT HOME!!
(tearing up)
Home! Where everyone is like us!

144 FLUTTERSHY 144
Okay. Well. A confusing pep talk, but nonetheless, I do know that if you don’t leave soon you may never make it back and that would be terrible.

She heads for the door, following SeaBreeze and stops short as she notices no one is following her. She turns to see the other Breezies giving her doe-eyed looks and begin imploring her for help.

145 WINDFALL 145
(pleading)
Multy marshkin follow.

146 FLUTTERSHY 146
Oh no.

147 TWIRLY 147
(nodding)
MULTY marskin toomba too.

148 FLUTTERSHY 148
I had no idea you all have colds! Really? All of you?

They all nod and start sneezing constantly.

149 FLUTTERSHY (CONT’D) 149
Oh dear. I can’t let you go out there sick! What kind of friend would I be if I made you go now? A real mean one, that’s what kind.

They gather around her once again, hugging her in appreciation. SeaBreeze stews and stomps out of the room.

INT. CAROUSEL BOUTIQUE - LATER

Rarity follows Fluttershy around the boutique as Fluttershy examines her inventory. Fluttershy looks a little worse for the wear.

150 RARITY 150
Congratulations again on your daring rescue. I’ve never seen you so... daring.

151 FLUTTERSHY 151
Oh, thank you Rarity. That’s very kind of you.

Fluttershy eyes a large button and begins muttering to herself.

152 FLUTTERSHY (CONT'D) 152
Oh, that would make a good bed. Perfect. Okay, that should do the trick for a perfect nap and rest and be on your way!
(looking down)
Don't you think, Breezette?

We hear a muffled sound and Fluttershy opens her pocketbook to reveal a Breezy who pops her head out.

153 BREEZETTE 153
(matter of factly)
Martle Facemork.

154 FLUTTERSHY 154
Oh, I can just put a little tissue over the holes, don't worry about that.

She looks up to see Rarity staring at her.

155 FLUTTERSHY (CONT'D) 155
Oh, sorry, how rude of me. Breezette, this is Rarity. Rarity, Breezette.

156 BREEZETTE 156
(hello)
Mushelface.

157 RARITY 157
How lovely to meet you.

Fluttershy walks around the store as Rarity follows her.

158 RARITY (CONT'D) 158
I must say, they are adorable. And your new "breezy bag" is to die for, but don't the Breezies need to be on their way?

159 FLUTTERSHY 159
Oh, yes. And they WILL! They just need a nap that's all! After a little nap they'll be strong enough to continue their migration home.

160 RARITY 160
Isn't it a little late for a nap? It's already dark outside.

Fluttershy looks out the window. It is indeed nighttime.

161 FLUTTERSHY 161
Oh my, you're right.

Fluttershy looks down at Breezette who has a fearful look on her face.

162 BREEZETTE 162
(nervously)
Farfi talo mar?

163 FLUTTERSHY 163
Oh. Goodness no. What kind of pony sends sick little creatures out in the dark and cold? A monster pony, that's who!
(then)
You'll just spend the night and begin your journey first thing in the morning instead.
(then to Rarity)
14 more buttons please. And perhaps a baker's dozen of fabric samples? The thicker the better. I'm sure with a little effort I could make some nice cozy blankets.

EXT. FLUTTERSHY'S HOUSE - THE NEXT MORNING

Rainbow Dash is outside with Flitter and Cloudchaser. Rainbow Dash knocks on the door. Fluttershy answers.

EXT. FLUTTERSHY'S COTTAGE - CONTINUOUS

A sleepy looking Fluttershy opens the door just a crack. Rainbow Dash is there with the Flitter and Cloudchaser.

164 RAINBOW DASH 164
Hey, Fluttershy. Just wondering if the Breezies are ready to go yet. Clock's kind of ticking on them making it back before the door closes on their home.

165 FLUTTERSHY 165
(whispering)
Oh, yes. I mean, not quite. Maybe just a few more minutes?

166 RAINBOW DASH 166
Uh, alright.

Flitter, Cloudchaser, and Rainbow Dash head off.

167 FLITTER 167
We wait too much longer we'll have to create such a strong breeze it may be more than they can handle.

168 RAINBOW DASH 168
We just have to trust Fluttershy. No one knows animals like she does. She must know what she's doing.

Fluttershy closes the door to her cottage.

INT. FLUTTERSHY'S COTTAGE - CONTINUOUS

Fluttershy turns from the door and we WIDEN TO REVEAL:

Fluttershy's cottage has been transformed into a Breezie habitat. Her house looks like a hamster cage just threw up on itself. There are Breezie tunnels climbing the walls from the floor. There are tiny Breezie areas to eat. Tiny Breezie areas to sleep. But no Breezies to be found anywhere. Fluttershy looks panicked.

169 FLUTTERSHY 169
Breezies! Breezies!

Suddenly, the Breezies pop up from their hiding places.

170 BREEZIES 170
Murflaffal!

A Breezy blows a tiny KAZOO. Others throw confetti. Another produces a teeny-tiny cake.

171 FLUTTERSHY 171
A surprise party? For me? This is just so sweet!
(then)
Oh, I just have to get a picture. Everyone, fly together.

The Breezies (except SeaBreeze) gather together. Fluttershy points a camera at them.

171A FLUTTERSHY (CONT'D) 171A
Now say, "I'm gathering my strength!"

171B ALL THE BREEZIES 171B
Mettally boot!

171C FLUTTERSHY 171C
Oh that's so cute, but Twirly, I think your eyes might have been shut in that one.
(then)
Everyone say, "Breeze activate magic!" Maybe that's too long--

An irritated SeaBreeze buzzes around Fluttershy.

176 SEABREEZE 176
Why are you spending your time on this?? I'll never get home!

177 FLUTTERSHY 177
SeaBreeze I agree that you all must go, but they spent a lot of time on this party. It would hurt their feelings if we left now.
(she looks at their faces)
Just a couple minutes more.

INT. FLUTTERSHY'S COTTAGE - DUSK

Fluttershy is in the middle of a line dance with the Breezies. They all look like they have been partying for hours, yet still having fun. SeaBreeze flies up to Fluttershy.

178 SEABREEZE 178
It's been over an hour! Who cares about their hurt feelings??? We HAVE to GO! NOW!

Fluttershy looks at her and stops dancing. The Breezies all let out a, "AWWSHKIN!" Fluttershy turns to them.

179 FLUTTERSHY 179
Breezies, I must say, SeaBreeze has a point. You are all doing really well. I think it's time for me to get Rainbow Dash and her friends so they can create the breeze for you to get home.

The Breezies all look at her wide eyed and then start talking at once.

180 BREEZIES 180
(protesting)
Marskin fuble ligen pollface!

We see the conflict on Fluttershy's face. She can't stand hurting them.

181 FLUTTERSHY 181
You are all awfully anxious. I don't want you to feel abandoned or that I wasn't the most kind host I could possibly be.

182 WINDFALL 182
(pleading)
Malfin zee barsh.

183 TWIRLY 183
(pleading)
Doshin bafin dorm.

185 FLUTTERSHY 185
Yes, that does make sense. SeaBreeze, do you think you could wait just a couple more hours?

She turns to look for her, but she isn't there.

186 FLUTTERSHY (CONT'D) 186
SeaBreeze?

She starts walking through her cottage.

187 FLUTTERSHY (CONT'D) 187
SeaBreeze? Has anyone seen SeaBreeze?

She looks out the window and we see SeaBreeze outside. Fluttershy's eyes go wide in horror.

188 FLUTTERSHY (CONT'D) 188
Where is she going?! There's no way she can handle being out there on her own!

A horrified Fluttershy heads out the door after SeaBreeze as we...

END OF ACT TWO

ACT THREE

EXT. PONYVILLE - A MOMENT LATER

Fluttershy goes flying out in search of SeaBreeze. She flies higher and then lower.

189 FLUTTERSHY 189
SeaBreeze!!! SeaBreeze!!!

She finally spots her. SeaBreeze is flying out of control, being blown about by the slightest little breeze, crashing into confused ponies as she tries desperately to make her way out of Ponyville.

Fluttershy winces as SeaBreeze just barely avoids being hit by an acorn falling from a tree. She breathes a sigh of relief when she sees SeaBreeze avoided it, but then looks on terrified as she sees SeaBreeze headed STRAIGHT FOR A BEE-HIVE.

190 FLUTTERSHY (CONT'D) 190
SeaBreeze, WATCH OUT!!!

SeaBreeze dips right and left but she is too small and has too little control to fly around it. She CRASHES right into it. She is now SURROUNDED by a swarm of angry bees.

EXT. PONYVILLE - SEABREEZE POV - CONTINUOUS

SeaBreeze is yelling as the bees <BUZZ> around her. She ducks this way and that but can't seem to get away from them.

191 FLUTTERSHY (O.S.) 191
Excuse me, bees? Can you please back off of my Breezy friend? She didn't mean any harm. It was just an accident.

EXT. PONYVILLE - CONTINUOUS

The bees <BUZZ> and turn to look at her in unison but are still obviously angry, buzzing away, and about to descend on SeaBreeze again. Fluttershy looks around desperately. She sees a flower and FLIES DOWN to get it and then comes right back.

192 FLUTTERSHY 192
Excuse me, bees? Is that you Ethel? I think I recognize you from that lovely interaction we had last week? I believe you mentioned you enjoy lilacs?

One of the bees, presumably Ethel, buzzes toward her, takes some pollen form the lilac and then goes back to SeaBreeze.

193 FLUTTERSHY (CONT'D) 193
Oh. Well. I'm glad you enjoyed it. Um, friends? Bee friends? Would you mind looking at me over here for a second?

She starts wiggling her bottom attempting to look like a bee, but instead looking ridiculous.

194 FLUTTERSHY (CONT'D) 194
I'm working on a bee type dance and was hoping you could help me? Does this bring to mind any images for you? Perhaps a bee??

They are about to move in for the kill on SeaBreeze when Fluttershy RAISES her voice.

195 FLUTTERSHY (CONT'D) 195
ExCUSE me! I have done NOTHING but be kind, but I guess that is NOT working!

The bees all STOP and look at her.

196 FLUTTERSHY (CONT'D) 196
You bees know better than to hurt a helpless Breezie! I demand that you go away NOW or you'll have to answer to ME!

They all buzz off quickly. Fluttershy flies up to SeaBreeze who is out of breath, clinging to a tree branch.

197 SEABREEZE 197
Mankylin!!! THANK YOU. Thank you SO much. Thank you for coming after me.

198 FLUTTERSHY 198
Of course! You could have gotten seriously hurt out here! Ponyville is much too dangerous for you! My goodness, one tiny acorn is a threat!

199 SEABREEZE 199
Yes, I know. That's one reason why I've been trying to get us to go from the beginning!

200 FLUTTERSHY 200
Oh my goodness. I was just trying not to hurt anyone feelings, but my displays of kindness may have cost you everything! Time is running out and you may never make it home!

201 SEABREEZE 201
That's exactly what I've been telling all of them, but they don't listen to me. No one ever listens to me.

SeaBreeze hangs her head.

202 FLUTTERSHY 202
SeaBreeze, I understand your feelings are hurt, but it's hard for them to hear you when you're shouting and being mean. The message doesn't get across.

203 SEABREEZE 203
But what about those bees? You weren't nice to them at the end and that was the only way they listened.

204 FLUTTERSHY 204
Yes, but they HAD to go. And they wouldn't listen to me any other way.

An Epiphany Rainbow swirls around Fluttershy as she considers this.

She then looks to SeaBreeze and motions for her to climb on her back.

205 FLUTTERSHY (CONT'D) 205
We need to go.

SeaBreeze nods and jumps on her back. They take off.

INT. FLUTTERSHY'S COTTAGE - SOON AFTER

Fluttershy stands at her door. SeaBreeze is hovering over her shoulder.

206 FLUTTERSHY 206
My dear Breezies, I had to rescue SeaBreeze from serious harm.
(MORE)

FLUTTERSHY (CONT'D)
And now I know more than ever that you must leave before it is too late. You would never survive in Ponyville.

In an instant they are all clutching her legs.

207 BREEZIES 207
(pleading)
Mulshy barfin gorfis.

210 FLUTTERSHY 210
I can’t help you anymore! In fact I wasn’t helping you at all by being nice. Oh dear, this hurts me more than it hurts you! But the truth of the matter is that I must be firm! You must go. NOW!

She opens the door and they all look at her, stunned. And then they fly out the door. Fluttershy fights back tears. It is not easy for her to be “mean”.

EXT. OVER FLUTTERSHY'S COTTAGE IN THE SKY - CONTINUOUS

Rainbow Dash, Flitter and Cloudchaser try to make a breeze.

211 RAINBOW DASH 211
What’s happening? It’s too strong!!

212 FLITTER 212
I can’t do it any lighter!

213 CLOUDCHASER 213
Neither can I!!

214 RAINBOW DASH 214
Flitter, stand off! Let’s see if we can do it with just two of us!

They attempt it again.

215 RAINBOW DASH (CONT’D) 215
It’s still too strong!!
Cloudchaser, fly back, I’m going to try to do it on my own and see if I can slow it down!

The other two stand off and watch her.

216 RAINBOW DASH (CONT'D) 216
Now it's too light! This will never get them home!

They look at each other discouraged and come back down.

EXT. FLUTTERSHY'S HOUSE - CONTINUOUS

217 RAINBOW DASH 217
I don't know what to do, the breeze is too strong right now.

218 FLUTTERSHY 218
Oh my.
(thinking)
Maybe it's because there are too few of them. When they started their journey there was more of them to face the breeze together.

They all look at each other.

219 TWILIGHT 219
I have an idea.

220 APPLEJACK 220
What is it?

221 TWILIGHT 221
I've been studying an old spell book from the Castle of the Two Sisters. There's a spell that I think could help us.
(then)
This is probably going to feel a little funny at first, but you're going to have to trust me.

222 PINKIE PIE 222
I love new ideas that make me feel funny at first!

223 TWILIGHT 223
Flitter and Cloudchaser, can you get the strong wind going? I need Rainbow Dash here.

They nod and take off. The other ponies look up and see the breeze is going.

Twilight lowers her horn, fires a spell, there is flash of light and they are suddenly ALL BREEZIES.

224 PONIES 224
<SURPRISED WALL>

225 FLUTTERSHY 225
Marful fly bartontook.

The others stare at her confused.

226 FLUTTERSHY (CONT'D) 226
Um, I mean, let's go.

The Breezy Mane 6 join hold onto each other and their fellow Breezies and take to the sky where they catch the breeze. (NOTE: The Breezies are now wearing their pollen packs.)

Even with the addition of the Mane 6 Breezies, they are still struggling. A pair of smaller Breezies is having an especially hard time and seems ready to give up. They speak to each other, obviously dejected.

227 BREEZETTE 227
Marshkin parskin.

228 WINDFALL 228
Mikar.

SeaBreeze flies over to them. They look up at her, scared of her reaction. Fluttershy looks at SeaBreeze. She looks back and turns to Breezette and Windfall.

229 SEABREEZE 229
You can do this.

They look at her, stunned.

230 SEABREEZE (CONT'D) 230
I'm sorry for how I treated you before. It wasn't right that I called you names and I didn't even really believe those things I said. I was worried we'd never get back to our home, and I lashed out. I know you can do this. I believe in you.

231 TWIRLY 231
(you do?)
Meffuzin?

232 SEABREEZE 232
Yes. Hold onto me, let's join the group.

They both grab onto her. Fluttershy sees this, and smiles. They are struggling, but they make it back to the group. As they all fly together, their antennae begin to glow. Soon after, the packs on their backs containing the Equestria pollen begin to glow as well.

EXT. BREEZIE HOME - CONTINUOUS

They finally see the entrance to their home. It's a stone covered tunnel that seems to be diminishing in size before our very eyes.

They all fly down. The entrance, getting smaller and smaller is difficult to fit through. They all fly in, looking at each other with mild panic as they make their way through.

INT. BREEZIE HOME--CONTINUOUS

We see this magical place now at their level. It's like a woodland fairy paradise. It is perfectly their size, with little entrances and gateways for them to get to their food easily and get to their homes easily. The signs are all in their Breezy language, and there are pollen stations set up throughout the tiny town.

233 RAINBOW DASH 233
Holy mini-sized paradise!

234 RARITY 234
This is simply beautiful! So much inspiration! Where is my sketch pad when I need it?

235 PINKIE PIE 235
SO! STINKIN'! CUTE!!

The other Breezies they were separated from come to greet them excitedly. We hear the cacophony of their language all being spoken at once. Fluttershy is tearing up watching them.

236 APPLEJACK 236
You okay, Fluttershy?

237 FLUTTERSHY 237
Oh, yes. I am just so very happy they got to be reunited with their family.

238 RARITY 238
We better get going before the entrance, well, exit for us, closes.

239 FLUTTERSHY 239
Yes, you're right.

Fluttershy flies up to the group of them.

240 FLUTTERSHY (CONT'D) 240
Goodbye, Breezies. I must go now.

The Breezies all turn to her and speak at once.

241 ALL THE BREEZIES 241
Mushkin flyin houser face mark.

242 FLUTTERSHY 242
Thank you, I'll never forget you either.

All but SeaBreeze fly away. She hovers there and hands Fluttershy a small flower plucked from the Breezies world.

243 SEABREEZE 243
To remember us by.

244 FLUTTERSHY 244
Thank you. I'll miss you. I'll miss all of you.

Twilight approaches Fluttershy.

245 TWILIGHT 245
We have to go now.

Fluttershy nods in understanding.

EXT. EDGE OF EQUESTRIA - CONTINUOUS

The Breezie Mane 6 exit the Breezie habitat just moments before the entrance closes. They land on the ground just beyond the exit and turn to watch it disappear.

246 RAINBOW DASH 246
Whoa. That was close.

The others nod in agreement.

247 TWILIGHT 247
Okay, gather around!

She once again points her horn down.

A FLASH of LIGHT and the spell is reversed. They all turn back into ponies.

Rainbow Dash sidles up to Twilight.

248 RAINBOW DASH 248
So, uh, I've always kind of wondered what it would be like to be a Gryphon?

A beat.

249 TWILIGHT 249
Not a chance.

Twilight takes off as Rainbow Dash calls after her.

250 RAINBOW DASH 250
You sure? What about a dragon? No? It doesn't have to shoot fire!

INT. FLUTTERSHY'S COTTAGE - DAY

Fluttershy and Spike are in her cottage. Fluttershy is dictating her entry into the Journal of the Two Sisters to him.

251 FLUTTERSHY 251
So, for the Diary of the Two Sisters, please write this--

252 SPIKE 252
I got this one--the Breezies were adorable, and I really didn't mean to throw them off their path! It was ONE leaf!!

253 FLUTTERSHY 253
I don't think you need to mention that part.

254 SPIKE 254
Okay.

255 FLUTTERSHY 255
Just please write--

256 SPIKE 256
"Just because they're tiny and super adorable doesn't mean that they're immune to accidents like the leaf that I never should have crossed paths with!"

257 FLUTTERSHY 257
Spike--

258 SPIKE 258
I guess I should take the "I" out, since it's supposed to be from you.

259 FLUTTERSHY 259
(admonishing)
Spike...

He looks at her, eyes wide.

260 SPIKE 260
Sorry. It's all you.

261 FLUTTERSHY 261
Thank you.
(she clears her throat)
My experiences with the Breezies have helped me to see that kindness can take many forms. And sometimes being too kind can actually keep a friend from doing what they need to do. Pushing them away may seem cruel, but it is sometimes the kindest thing you can do.
(beat)
Spike? You okay?

262 SPIKE 262
(fighting back a tear)
Yours was much better!

263 FLUTTERSHY 263
Thank you. That's sweet. Do you mind returning the journal to Twilight?

264 SPIKE 264
(still teary)
Sure! Really good job!

He turns around to leave and then turns back.

265 SPIKE (CONT'D) 265
Are you sure I shouldn't mention the leaf?

266 FLUTTERSHY 266
Go, Spike!

267 SPIKE 267
Okay! You're getting really good at that!

268 FLUTTERSHY 268
Aw, thank you!

He leaves and we...

FADE OUT.

THE END
