

ELINOR'S TOWN

EP 101A The Amazing Expandable
Clubhouse

By: Katherine Sandford

Elinor's Question: How does a snail always seem to fit even when the snail grows bigger?

Logline: Elinor and her friends run into trouble when so many kids join their club that there's no more room in the Clubhouse.

Curriculum Goals:

SEP1. Asking questions and defining problems. (Elinor wonders how to make her clubhouse bigger)

SEP3. Planning and carrying out investigations (Elinor decides to observe the snail for clues as to how to solve her problem)

SEP4. Analyzing and interpreting data (Elinor compare the two snail shells and figures out, by observing their structures, that one is bigger than the other and how this may have happened.)

SEP5. Using mathematics and computational thinking (Elinor observes the structure of the snails shell gets bigger by counting the rings)

SEP: Design solutions (engineering) (Elinor and her friends design an addition to the Clubhouse)

LS4. Understand that all animals and plants have a life cycle, can reproduce, and change and grow over time (Elinor notices that one older snail is bigger than the younger one)

ND3. (RTL Crosscutting concept 'Structure and Function')

Understand that structures and materials in the natural world can be used or can inspire the engineering of structures with similar function in the designed world. (Elinor realizes that she can use the same technique to expand her clubhouse as she observed in the snails' shells)).

ENGINEERING GOALS: Begin to use the five elements of the Engineering Design Process: Define a problem, Imagine and Plan, Create, Test, and Improve. Begin to understand that engineering is a collaborative process during which ideas can be exchanged and shared with others while defining a problem and working to design, test and revise a solution

Main Characters: Elinor, Olive, Ari, Sally, Kai

Secondary Characters: Camilla, Goat Twins (in unison), Tito

Incidental Characters: Norma, LouLou

Backgrounds: Top of the hill, Inside the Clubhouse, bottom of the hill

Props: Clubhouse journal, crayon, crackers, leaf, magnifying glass, Clubhouse, building materials

OUTLINE: November 23, 2018
FIRST DRAFT: December 17, 2018
SECOND DRAFT: January 2, 2019
POLISH DRAFT: January 11, 2019
RECORD DRAFT: August 6, 2019

Open on a pretty, green, summer glade. We hear indistinct children's chatter.

2 ELINOR 2
(not quite audible)
Sally, I'm so glad you're joining
our club!

Now we hear voices coming from inside the box more clearly, and we can see ELINOR, OLIVE and SALLY BEAVER through the window. We can also see TWO CUTE SNAILS (One bigger and one smaller) perched on the window sill.

THROUGH THE WINDOW: Elinor and Olive start the Explorers Pledge (complete with hand gestures).

They put their hands on their hips. Sally Beaver follows along repeating the words and the gestures

6 ELINOR AND OLIVE 6
An Explorer is kind!

Suddenly we hear someone approaching!

It's ARI, strolling towards the clubhouse as the voices continue.

9 ELINOR AND OLIVE 9
An Explorer is CURIOUS!

THROUGH THE WINDOW: Elinor and Olive put their hands to their brows, looking. At the same moment, OUTSIDE Ari DOES see something that stops him in his tracks. He takes a moment to check out the snails on the windowsill.

10 ARI 10

Ooooooh.

[illegible]

Ari is roused from his reverie and keeps going.

2. INT. CLUBHOUSE -- DAY

Elinor, Olive and Sally say the last line together, arms wide out in joyous wonder. (ala Julie Andrews in Sound of Music but without the spinning).

12 ELINOR, OLIVE AND SALLY 12
WHO KNOWS WHAT WE'LL FIND!!!

Ari bursts into the box.

13 ARI 13
Sorry I'm late, Explorers! What
did I miss?

14	ELINOR	14
	(proudly)	
	Hi, Explorer Ari! We've just been	
	welcoming the newest member of our	
	Club - Explorer Sally Beaver!	

```
15          ARI                                     15
A new member! Awesome! Welcome
Explorer Sally!
```

16 SALLY 16
Thanks for letting me be part of
the exploring club.

17 ELINOR 17
Of course! *Anyone* can join the
Exploring Club!

18 OLIVE 18
Yeah, all you have to do is love
EXPLORING.

19	ARI	19
	Our number one rule is...	

20 ELINOR/OLIVE/ARI 20
Exploring is for everyone!

As they say this, they spread their arms (and wings) wide,
causing them to crowd each other out in a funny way.

21 ELINOR/OLIVE 21
Hey!/Whoa!

22 ARI 22
Whoops, sorry!

23 OLIVE 23
I guess there's less room in the
clubhouse now that we have...
(points to each member as
she counts silently, then
herself)
...four members!

24 ELINOR 24
OKAY, Explorers! Let's go OUTSIDE
and start EXPLORING!

Elinor antics to exit the door, but Ari interrupts her.

25 ARI 25
Wait! I have something we can
explore ...INSIDE the Clubhouse!

26 ELINOR 26
(interested)
Really? What is it, Explorer Ari?

27 ARI 27
Ta-DAH!

Ari proudly gestures to the windowsill. ANGLE ON: Two nice
snails crawling along the window ledge. NOTE: One snail
(Lou-Lou) is bigger than the other (Norma).

28 ELINOR 28
<GASP!> Snails!

29 OLIVE/SALLY 29
Ooooh.../Whoa...

Elinor, Olive and Sally join Ari at the windowsill admiring
the snails.

30 ARI 30
Meet Norma and Lou-Lou. I named
them after my Aunties.

Elinor and Olive share a quizzical glance.

31 ARI (CONT'D) 31
 They look just like them.

32 ELINOR/OLIVE 32
 (giggle)

The Explorers take a minute to look closely at their new friends. **SCIENCE MOMENT CU:**

33 ELINOR 33
 Wow, look at their little antennae.

The Snails wiggle their antennae to demo. The Explorers watch for a beat or two as the snails crawl slowly along.

34 ARI 34
 Yup, there they go...(beat)...still
 going...

It goes on just long enough to be funny.

35 OLIVE 35
 (giggle)
 They sure don't move very fast.

36 ARI 36
 <GASP!> Wait a minute, I have a
 great idea! Norma and Lou-Lou can
 be our Exploring Club MASCOTS!

37 ELINOR, OLIVE, SALLY 37
 Ooooh/ Cool!/ Huh?

This is a new word for Sally.

38 SALLY 38
 Uh... what's a mac-sot?

39 ARI 39
 Mascot! It's like a pet... for the
 whole CLUB!!

40 SALLY 40
 Oh, I LOVE pets.

41 OLIVE 41
 And Norma and Lou-Lou will make
 perfect club mascots! They don't
 take up much room!

Olive draws a picture of a snail in the club journal.

42 ELINOR 42

Okay! Now that we have mascots,
it's time to go EXPLORING!

This time, Elinor gets a little bit further out the door before...

43 OLIVE 43
Wait, Explorer Elinor! We have one
more thing to do.
 (Checks the journal)
Clean the Clubhouse!

44	ELINOR	44
	Oh, right! Thank you Explorer Olive. Our Clubhouse gives us shelter and a place to plan our adventures. So Explorers MUST take care of the Clubhouse before they EXPLORE!	

Elinor, Ari, Olive and Sally tidy up, picking up some papers and crayons and stacking them in the corner, straightening a map on the wall, hanging up the magnifying glass - that kind of thing. Elinor does an especially speedy job to get going.

45 ELINOR (CONT'D) 45
Okay! We cleaned up, we have
mascots, and now...It's finally
time to go EXPLOR-...!

Elinor runs out the door.

3. EXT. SMALL HILL -- CONTINUOUS

Elinor takes a few steps outside before she runs up against KAO WOMBAT.

46 ELINOR 46
...RING...whoops.

47 KAO 47
Hey, Elinor! What are you guys
doing?

48 ARI 48
Oh, hi, Kao! We're having a meeting
of the Exploring Club! Wanna join?

49		KAO	49
	Sure!		

At that moment TITO MOUSE also walks up.

50 TITO 50
Can I join too?

51 OLIVE 51
Sure, Tito, come on in! The
Exploring Club is for everybody!

Elinor looks back and forth between the great outdoors and her friends.

52 ELINOR 52
(sighs with a smile)
That's the Explorer Way!

All the kids walk into the Clubhouse.

4. INT. CLUBHOUSE -- CONTINUOUS

The Clubhouse is getting pretty crowded and as everyone settles into place, Kao notices Norma and Lou-Lou.

53 KAO 53
Oooh, nice snails.

And we take another look at the snails in CU: happily crawling along the windowsill.

54 ARI 54
(proudly)
They're our Club mascots!

55 ELINOR 55
(good naturedly)
And they're the only ones who have
done any exploring today.

56 OLIVE 56
Don't worry Elinor, we'll
ALL go exploring, right after we
teach Kao and Tito the Exploring
Club Pledge.

Elinor leads, with gestures:

57 ELINOR 57
Okay, everybody!! Repeat after me!
An Explorer is brave!

58 OLIVE, ARI, SALLY, KAO, TITO 58
An Explorer is BRAVE!!

Suddenly, CAMILLA DROMEDARY pokes her head in the window.

59 CAMILLA 59
Explorer?? Did you say Explorer? I
LOVE exploring!

60 ARI 60
Then join our club!

61 CAMILLA 61
Don't mind if I do!

It takes some doing as she squeezes inside. They can all
barely fit!

62 ELINOR 62
Hookey, let's start the club
pledge...

Suddenly the GOAT TWINS poke their noses in the door.

63 GOAT TWINS 63
(in unison)
Any room for us?

64 ELINOR 64
Uh, sure...

65 OLIVE 65
The Exploring Club Club is for
everybody!

They squeeze inside, now there's REALLY no room.

66 ELINOR 66
Okay, time to start the...

67 OLIVE 67
Whoops, I dropped my crayon!

She ducks down trying to retrieve it with her trunk (which
moves like a hand, patting and searching), causing the whole
group to squirm and squish. ANGLE ON: her hand fishing for
the crayon as we see a grouping of feet all shuffling as the
crayon is accidentally kicked around - finally...

68 OLIVE (CONT'D) 68
Got it!

Olive stands up triumphant. Suddenly <SFX: Crunch, crunch,
crunch>

69 KAO 69
(mouth full)
Anybody want some crackers?

70 ELINOR, ARI, OLIVE, SALLY 70
 (ad lib)
 Sure!/I'll have some/Pass them
 over!!/ Me too!

More general shifting as the crackers are shared.

71 ELINOR 71
Okay, Explorers, let's get this
pledge started so we can all go
exploring! An explorer is...

Just that moment Ari (squished in the far corner beside the window) calls out.

72 ARI 72
 (calling out)
Wait! Has anybody seen Norma and
Lou-Lou?! They were just here a
second ago.

73 ELINOR, OLIVE, SALLY 73
(ad lib)
Nope/ Sorry/ They're not over here.

5. EXT. SMALL HILL -- CONTINUOUS

Ari sticks his head out the window and calls. Norma and Lou-Lou are crawling on the ext wall just above the window (in the same shot).

74 ARI 74
Norma!! Lou-Lou!!
 (looking around)
NORMAAAA!! LOU-LOU!!!!!!!!

The Clubhouse starts to tilt as Ari's gestures destabilize it. (Possibly one or two more characters stick their heads out the window, and at the same time see Norma and Lou-lou crawl into the window - so they are safe on the inside - Ari doesn't notice.)

75 Wha-oh! ARI (CONT'D) 75

It tips over and the entire Clubhouse comically tumbles and rolls down the (small) hill.

76 ELINOR, OLIVE, ARI, SALLY, KAO, GOAT 76
TWINS
(laughing)
WHOOOAAAW, WHOOOOAAAAAW, WHOOAAAAAA

6. EXT. BOTTOM OF THE HILL -- DAY

The Clubhouse tumbles to a halt at the bottom of the small hill. The kids all spill out, giggling.

77 TITO 77
 Whoa, that was cool!

78 GOAT TWINS 78
 (together)
 Oh my!

Olive picks herself up first.

79 OLIVE 79
 (laughing, looking at the
 clubhouse)
 I think we have a Clubhouse
 problem.

80 ELINOR 80
 Yeah!
 (Dusts herself off)
 The club got bigger, but the
 Clubhouse stayed the same size!

ANGLE ON: Meanwhile Ari, who landed a little ways away, picks himself up. He remembers that the snails are missing.

81 ARI 81
 Norma! Lou-Lou! Where are youoooo?

BACK ON: Elinor and Olive are looking at the tumbled Clubhouse.

82 OLIVE 82
 What are we going to do?

83 ELINOR 83
 Hmmm...

84 OLIVE 84
 I wonder if we should get a bigger
 box?

85 ELINOR 85
 That would work...

THOUGHT BUBBLE forms next to Elinor, in which a brand new (and bigger) box is their shiny new clubhouse. Everyone fits inside!

106

ELINOR

106

<GASP!> And that gives me an idea
to solve our Clubhouse problem!
We'll ADD on to our Clubhouse -
just like Norma and Lou-Lou add on
to their shells.

She runs off screen. Ari and Olive look at each other and
follow. We hear the beginning of a song.

CROSSFADE TO:

CLUB-BUILDING MONTAGE

As the kids sing, we see Olive drawing up plans for expanding
the existing clubhouse, with diagrams of the snails for
inspiration (if it works).

The kids discuss how they are going to build it. We see the
other kids bringing in a colorful pile of random and
whimsical building materials -- cardboard, snow saucers,
sheets of colorful fabric and decorations - etc.

Slowly they make the clubhouse bigger by expanding it.

107

ELINOR, OLIVE, ARI

107

Room for everyone!
Room for everyone!
Everyone is welcome, 'cause there's
room for everyone!!

Elinor: We have a lot of friends,
Olive: And a club that's really
fun,
ARI: We have an awesome Clubhouse
ELINOR: But we need a bigger one!
OLIVE: We'll add more walls and
windows.
ARI: Like snails, we'll get it
done.

(ANGLE ON: The Snails)

ELINOR: Our Club keeps growing
bigger, we need...
ALL: ROOM FOR EVERYONE!

Room for everyone!
Room for everyone!
We love to be Explorers cause
there's room for everyone!!

END MONTAGE

116 ARI (CONT'D) 116
Don't tell me. They're on my
shoulder again, aren't they?
 (covering)
I knew that.

Olive uses a leaf to put them gently on a rock

117 ELINOR 117
Explorers, are you ready?

118 OLIVE, ARI, SALLY, KAO, TITO, CAMILLA, 118
 GOATS
READY!!!

Elinor leads her friends(with gestures) as they march OS.

119 ELINOR, OLIVE, ARI, SALLY, KAO, TITO, 119
 CAMILLA, GOAT TWINS
An Explorer is BRAVE, an Explorer
is KIND!! An Explorer is
CURIOUS!!! WHO KNOWS WHAT WE'LL
FIND!!

IRIS OUT, THE END.

SEGMENT 2: EXT PARK -- DAY

Open on Senor Tapir, with his guitar, in the park of Animal Town, sitting on a tree stump at the edge of a pond. A group of kids sit at his feet, including Elinor and Sally Beaver.

120 SENROR TAPIR 120
Let's sing a song about an
EXPLORER. Who knows what an
explorer does?

Elinor's hand shoots up. She doesn't wait to be called on.

121 ELINOR 121
An explorer follows their
curiosity!

122 SALLY BEAVER 122
An explorer is brave.

123 SENROR TAPIR 123
You're both right! Explorers go to
lots of very INTERESTING places,
like deep into the ocean.

Tapir starts to strum his guitar and sings. After a line or two, we transition to a simpler style of animation that describes what he is singing.

124

SENOR TAPIR (CONT'D)

124

When something you see,
Tickles your curiosity
When you have to know more
And questions pull you out the door
Let's go! Let's Explore!

EXT OCEAN -- DAY

We see a young Jacques Cousteau preparing to dive.

125

SENOR TAPIR

125

There was a young man named Jacques
Cousteau,
Who wanted to know what nobody
knows

Young Jacques loved to swim in the
sea
So he followed his curiosity.

Jacques dives in! He swims down but soon runs out of air.

He wondered if anything lived far
below
But that's a place that's hard to
go

Wading on the surface, he has an idea!

So he had an idea to breathe under
water
So he could explore deeper and
farther

We see Jacques again on his boat, this time with his
prototype scuba gear, diving into the water.

Jacques found all sorts of life
down deep!
Fish and plants and coral reefs.

Jacques sees some cool underwater life. Under the water,
among fishes and plants, he takes out his film camera.

(MORE)

SENOR TAPIR (CONT'D)

An explorer now, swimming under the
sea
He shared what he saw with you and
me

When something you see,
Tickles your curiosity
When you have to know more
And questions pull you out the door
Let's go! Let's Explore!

EXT PARK -- DAY

126	KIDS	126
	"That was great" / "We want another song"	
127	SENOR TAPIR	127
	That song made me want to go swimming! Adios amigos!	

Tapir tosses his guitar on the grass and dives under the
water.

THE END.
