NAME

Deputy Jack Mouse –

Searching our files for instances of the use of "Deputy Jack Mouse" in scripts and/or reports, we find only script in which Deputy Jack Mouse has been used. It appears in the script "A Moth Mystery" ep. 134A, clearance report dated 29 April 2020. We find (Deputy) Joe Mouse used in 3 scripts and flagged as NOT CLEAR in the first instance in "The Town Picnic" ep. 101B. In that report, we noted that "Jack" was tried as an alternative for "Joe" but did not clear:

3/11 the door of the ranger station swinging open to reveal DEPUTY JACK MOUSE –

Although this is in director's notes only we advise referring to our report dated 17 Jan 2019:

2/10 chatting with JOE MOUSE -

NOT CLEAR. We find only one prominent mouse character in our in-house sources and internet searching by this name. To avoid any possible conflict, the following have been cleared for use: **Jarvis, George.**

*[n.b. We also tried Jason, Josh, Jake, **Jack**, Jasper, Gene but ran into conflicts.]*

Deputy Mouse –

We find "Deputy Mouse" used in several scripts and reported on as generic language but in an abundance of caution we have conducted a search on this character name and found no current international trademark registrations in any class nor any relevant listings in our internet searching. Consider clear for use.
