

MR. CAT is a little neurotic, nervous, action-figure nerd,
Similar to Bill Hader as Fear in Inside Out, but also fun and
positive (age: late 30s)

ARI
Hello Mr. Cat. Whatcha up to?

MR. CAT
Oh, I'm making my famous tarts.
Today is the day I make them for
all my friends.

He points to a tray full of tarts and a stack of tart boxes.

MR. CAT (CONT'D)
But... (looks at his watch) Oh
dear, I don't know if I'll be able
to finish them on time.

Elinor looks curiously at the tarts.

ELINOR
What kind of tarts are you making?

Mr. Cat perks up a little <SFX: OOH>.

MR. CAT
Well, usually, I only make *one* kind
of tart, but this year, I'm making
three kinds.

He picks up a kitchen cloth that's laid out over some objects
to reveal three ingredients: an orange, a banana and some
pecans.

MR. CAT (CONT'D)
I'm making orange tarts, banana
tarts, and pecan tarts.

ARI
(fawning) I love them all. Ooh, do
you have any peanut butter and
pickle tarts?

MR. CAT
I... didn't think to make any, Ari.

ARI
That's ok. (with a wink and a
pistol hand gesture) Maybe next
time.

Mr. Cat looks at his watch again.

MR. CAT

Speaking of time, I need to start delivering these tarts. But I still have some in the oven.

Elinor has an idea.

ELINOR

We can deliver them for you, Mr. Cat.

MR. CAT

Oh, that would be very helpful, thank you kids. This first box is for Mr. Dog. It has one of each kind of tart inside.
