1	Cutscene 3	Some animals hide by looking the same as the things around them. It's called 'camouflage'.	
2	Cutscene 3	Look, it's green and brown, just like the mossy log it's standing on!	
3		I read in my nature book that some animals use camouflage to stay safe and hide from other animals.	
4	Cutscene 5	It sure is. I can't wait to play again!	
5	Cutscene 6	That's because it's Fall! Fall is the season that comes after Summer.	
6	Cutscene 6	It's the same color as the tree.	
7	Cutscene 6	Great idea!	
8	Cutscene 3d (reuse in 3g)	Why don't we ALL dress up?	
9	Cutscene 7	I know! Dressing up helped you better match the things around you. This made it harder to find you.	

10	Cutscene 8	Me too!	
11	Cutscene 8	I could barely see it. It's the same color as the snow around it!	
12	Cutscene 3g	Sure, come and join us!
