

EQUESTRIA GIRLS SHORTS - "PINKIE SITTING"

FADE IN:

SC. 1- INT. CANTERLOT HIGH SCHOOL- HALLWAY - AFTERNOON

RARITY and PINKIE PIE stand by their lockers. Rarity is wearing a ridiculous, over-the-top glam outfit.

1 RARITY
I can't thank you enough, Pinkie Pie.
I can't believe I booked a babysitting
gig on the same night as the Young
Designers' Gala!

2 PINKIE PIE
No biggie-wiggie. I love kids! We're
gonna do tons of super fun stuff
together! I have so many activities
planned!

3 RARITY
 (taken aback)
Oh my. Well I ought to warn you...
Lily Pad is a *bit* of a shy girl. She
mostly keeps to herself. But I'm sure
you two will find something in common.
 (beat)
Thank you again! Toodle-ooo!

Pinkie Pie's eyes light up as the wheels starting turning.

4 PINKIE PIE
Shy, huh?

Off Pinkie's determined face as we...

CUT TO:

SC. 2 - INT. PINKIE PIE'S HOUSE - LATER

The doorbell rings and Pinkie Pie opens it to REVEAL a young girl, LILY PAD and HER MOTHER. Pinkie grins and blows into a PARTY NOISEMAKER. She is wearing a POINTY PARTY HAT. CONFETTI and BALLOONS fall from the ceiling.

5 PINKIE PIE
Hi Lily! Welcome to the babysitting
party! Woooohooo!

Lily steps inside, wary of Pinkie Pie.

6 PINKIE PIE (CONT'D)
So what do you want to do first?

ANGLE ON some BAKING SUPPLIES.

7 PINKIE PIE (CONT'D)
Bake a yummy cake OR...

ANGLE ON some CRAFT SUPPLIES, GLUE, FEATHERS, etc.

8 PINKIE PIE (CONT'D)
Make super silly hats?!

Lily's eyes dart around.

9 LILY PAD
Um, uh...

10 PINKIE PIE
Bake a silly hat-shaped cake?

11 LILY PAD
I... I think I'll just sit quietly and
read if that's okay.

She gives a tiny smile and makes herself comfortable on the SOFA. Lily pulls out a TABLET and begins to read.

Pinkie Pie cocks her head to the side like a confused puppy. She scratches her hair and scrunches up her face. She must find a new tactic...

CUT TO:

SC. 3 - INT. PINKIE PIE'S HOUSE - LATER

Lily still sits quietly on the sofa. Pinkie pie shuffles by wearing a TOP HAT, BOW TIE, TAP SHOES, and a CANE.

12 PINKIE PIE
Hey Lily! Want to learn a tap dance
routine?!

Lily smiles and shakes her head "no". Pinkie slumps down in defeat. She's failing at creating fun!

CUT TO:

SC. 4 - INT. PINKIE PIE'S HOUSE - NOT LONG AFTER

Pinkie Pie wheels out a KARAOKE MACHINE and MICROPHONE.

13 PINKIE PIE
How about some karaoke?!

A low beat and record scratches start playing. (NOTE: Same beat as "the Rappin' History of the Wonderbolts" song in MLP Ep # 421).

14 PINKIE PIE (CONT'D)
(rapping)
Well, back in ancient times, there
were the Wondercolts of old--

Lily shakes her head. Pinkie sighs and pushes the "off" button on the Karaoke machine.

Pinkie scratches her chin. Ding! She's got it!

CUT TO:

SC. 5 - INT. PINKIE PIE'S HOUSE - IMMEDIATELY AFTER

Pinkie Pie drags out a MASSIVE STORYBOOK. It's almost larger than her! Lily is suprised.

15 PINKIE PIE
You love books, right Lily? So I'm
going to read you a story of epic
proportions!

Pinkie cracks the book open and clears her throat.

16 PINKIE PIE (CONT'D)
(reading)
"Once upon a time there was a pony--"

17 LILY PAD
(interrupting/hesitant)
Do you mind if... if... I try?

Pinkie is overjoyed at her brilliance. She's finally broken Lily out of her shell.

18 PINKIE PIE
Of course!

Lily brightens.

CUT TO:

SC. 6- INT. PINKIE PIE'S HOUSE - LATER

Lily sits next to Pinkie Pie, who is now laying on the sofa covered in a BLANKIE. Pinkie's eyelids droop, but the smile remains on her face.

19 LILY PAD
 (reading from her tablet)
 "And all of the alligators in the
 swamp lived happily ever after."

Pinkie Pie falls asleep, snoring softly. Lily "tucks her in", smiling.

20 LILY PAD (CONT'D)
 Thanks for the best night ever, Pinkie
 Pie.

FADE OUT.
