

EQUESTRIA GIRLS SHORTS - "PINKIE SITTING"

FADE IN:

SC. 1- EXT. PINKIE PIE'S HOUSE - PORCH - EVENING

The doorbell rings. PINKIE PIE skips over to answer it. It's RARITY wearing a ridiculous, over-the-top glam outfit. Rarity passes her a SHEET OF PAPER.

1 RARITY
Here's everything for tonight. I can't thank you enough for filling in for my babysitting gig, Pinkie Pie. I couldn't pass up the last minute ticket to the Young Designers' Gala!

2 PINKIE PIE
No biggie-wiggie. I love kids!

3 RARITY
You're a lifesaver. Toodle-ooo!

Pinkie Pie waves from the open door as Rarity hurries off.

SC. 2 - INT. PINKIE PIE'S HOUSE - LATER

The doorbell rings and Pinkie Pie opens it to REVEAL a young girl, LILY PAD and HER MOTHER. Pinkie grins and blows into a PARTY NOISEMAKER. She is wearing a POINTY PARTY HAT.

5 PINKIE PIE
Hi Lily! Welcome to the best baby sitting bash on the block!

CONFETTI and BALLOONS fall from the ceiling. Lily steps inside, wary of Pinkie Pie.

6 PINKIE PIE (CONT'D)
I have all sorts of super fun stuff for us to do! Do you want to...

ANGLE ON some BAKING SUPPLIES.

7 PINKIE PIE (CONT'D)
Bake a yummy cake OR...

ANGLE ON some CRAFT SUPPLIES, GLUE, FEATHERS, etc.

8 PINKIE PIE (CONT'D)
Make super silly hats?!

Lily's eyes dart around.

9 LILY PAD
Um, uh...

10 PINKIE PIE
Bake a silly hat-shaped cake?

11 LILY PAD
I... I think I'll just sit quietly and
read if that's okay.

She gives a tiny smile and makes herself comfortable on the
SOFA. Lily pulls out a TABLET and begins to read.

PINKIE PIE
Oh. Okay!

Pinkie Pie cocks her head to the side like a confused puppy.
She scratches her hair and scrunches up her face. She must
find a new tactic...

CUT TO:

SC. 3 - INT. PINKIE PIE'S HOUSE - A LITTLE LATER

Lily still sits quietly on the sofa, reading. Pinkie Pie
plops down next to her. She rests her chin on her hands,
excited.

PINKIE PIE
Soooo, what's the story about?

Lily's face lights up. She smiles shyly.

LILY PAD
It's... it's... about a band of girl
pirates who are sailing the seven seas
and one day there is a big storm and--

Pinkie disappears and immediately returns dressed as a
PIRATE. She's got a TRICORNER HAT, a HOOP EARRING, and a
PARROT on her shoulder. She pretends to be "sailing" on a
chair. CARDBOARD CUT-OUTS of water swish in front of her.
She's really giving it her all.

PINKIE PIE
Then what happens?!

Pinkie Pie puts a PIRATE HAT on Lily's head. Lily is
surprised but continues.

LILY PAD
They get stranded on a desert island--

We CUT BACK to Pinkie Pie, who is now surrounded by CUPCAKES, DISHES OF ICE CREAM and various other DESSERTS. An inflatable PALM TREE sways. Pinkie BOUNCES around wildly.

PINKIE PIE
Mmmmm, dessert island!

She takes a huge bite of a COOKIE.

PINKIE PIE (CONT'D)
(mouth full)
Wahnt thum?!

Lily shakes her head "no", but she is finally engaging with Pinkie Pie!

LILY PAD
And then the monkeys and other animals become the pirates girls' friends. They teach them all sorts of cool tricks--

PINKIE PIE (O.S.)
Like this?!

We CUT BACK to Pinkie Pie, who is swinging upside down like a MONKEY. She wears a TAIL and EARS.

PINKIE PIE (CONT'D)
Ooo ooo, ahh, ahh! Wheee!

Lily giggles.

LILY PAD
Do... you want me to read it to you?

Off Pinkie Pie's overjoyed face as we...

CUT TO:

SC. 6- INT. PINKIE PIE'S HOUSE - LATER

Lily sits next to Pinkie Pie, who is now laying on the sofa covered in a BLANKIE. Pinkie's eyelids droop, but the smile remains on her face.

19 LILY PAD
(reading from her tablet)
"The pirates waved to their new friends on the shore as they sailed off into the sunset. They lived happily ever after. The End."

PINKIE PIE

(yawning)

You know what? You're going to make a
terrific baby... sitter... someday,
Lily...

Pinkie Pie falls asleep, snoring softly. Lily "tucks her in",
smiling.

20

LILY PAD

I hope I'm as good as you.

FADE OUT.
