SC. 1 - INT. CANTERLOT HIGH MATH CLASSROOM - DAY

MR. CRANKY DOODLE
Alright, kids. Notebooks away. Quiz time!

FLUTTERSHY
(to the bird/whispering)
Hello there, Hubert. Is everything okay?

MR. CRANKY DOODLE
Only number two pencils, got it? Okay, begin.

FLUTTERSHY
(whispering to bird)
Oh. We'll talk after the quiz, okay?

TRIXIE
(groans)

FLUTTERSHY
(whispering to birds)
Slow down! You're all talking at once! What is it?

FLUTTERSHY (CONT'D)
(nodding/whispering)
Ohhh, I see. If you take 4 from that one and divide them equally... That sounds like a solution to the problem, Reginald. Good thinking.

TRIXIE
Mr. Doodle?

MR. CRANKY DOODLE
Yes?

TRIXIE
The honest and observant Trixie has reason to believe that Fluttershy is cheating!

Crowd Walla
Huh/Oh my

TRIXIE (CONT'D)
Yes, I saw her talking to those... birds!

MR. CRANKY DOODLE
Fluttershy, cheatin' is a serious
offense...

FLUTTERSHY
I swear I wasn't cheating! I was
whispering to the birds because they
were having an argument over sticks
for their nests and...

TRIXIE
An argument? Sounds made up!

FLUTTERSHY
No, no, no, no. See, Hubert thought
that Reginald was stealing from his,
but I told him-- 'surely you can tell
the difference between oak and poplar
sticks, right sweetie?'

FLUTTERSHY (CONT'D)
They don't know anything about math.
But I studied really hard for this
test.

TRIXIE
Sure you did.

FLUTTERSHY
Hey! I know my stuff!

TRIXIE
So prove it then.

FLUTTERSHY
Go on, make my day!

MR. CRANKY DOODLE
She's correct!

Crowd Walla
Yay!/Woo Hoo!/Ha ha!

SC. 3 - EXT. CANTERLOT HIGH SCHOOL - LATER

CUT TO:

TRIXIE
Hellooooo? The great and powerful

Trixie needs a tutor! Which one of you
knows trigonometry?

FADE OUT.
