FADE IN:

SC. 1 - EXT. CANTERLOT CITY- MORNING *

A CITY BUS pulls up to a bus stop. The MANE SEVEN hop out one by one. *
*

The Mane Seven step out of the COMIC BOOK and into the bustling city. PAN across their faces of pure excitement. *
*

RAINBOW DASH

A whole day in Canterlot City to do whatever we want! *

RARITY

Just think of the fashion! *

APPLEJACK licks her lips.

APPLEJACK

The food!

PINKIE PIE

... the FROLICKING!

(stage whisper)

That's short for "frosting licking".

I'm going to get my hot little hands

on the new dessert trend-- the

Puffcake! Half cream puff, half

cupcake! *

RARITY

Yes, yes, girls. The city is our

oyster!

They stroll past a MAN in a giant OYSTER COSTUME. Twilight inspects her GUIDE BOOK as the girls walk along. *
*

TWILIGHT

What should we do first? Visit the art

museum and the fashion district...?

Sunset and Rarity squeal.

TWILIGHT (CONT'D)
... the zoo and Farmer's market?

Fluttershy and Applejack cheer. Twilight's eyes sparkle with excitement.

TWILIGHT (CONT'D)
OR... the Canterlot City Library?!

Everybody deflates. Rarity pats Twilight on the shoulder.

RARITY
Err... perhaps we'll go there last.

EVERYONE WALLA
Come on!/Let's go!/Woohoo!

The girls rush off down the street...

CUT TO:

SC. 2 - EXT. FASHION DISTRICT - CITY STREET - LATER

Rarity leads the way, giddy and determined. She stops and looks around, hand on hips. FLUTTERSHY leans down and feeds a RAT her ENTIRE SLICE OF PIZZA. (WORD BURST: "SQUEAK!") He drags it away.

RARITY
I was positive that the fabric store
was on *this* corner.

Rarity is about to start walking when...

COMIC WORD BURST: "SMASH!"

ANGLE ON a JEWELRY STORE. ANGLE ON a BROKEN DISPLAY WINDOW!
CLOSE UP on the BLACK BAG OF STOLEN GOODS!! The store ALARM
blares. WIDEN to REVEAL a panicked old man, the JEWELRY STORE
OWNER, standing on the street. He points.

JEWELRY STORE OWNER (O.S.)
Somebody heeeelp!

The THIEF runs past them, carrying the black bag.

JEWELRY STORE OWNER (CONT'D)
He's gettin' away with m' jewels!

RARITY
Not on my watch, Sir.

She holds up her wrist. She wears a SIMPLE WATCH.

RARITY (CONT'D)
(matter-of-fact)
Seriously, it's quite plain. It could
use some sparkle. But, I digress.
We're going to CATCH. THAT. THIEF!

Rarity takes off, chasing after him. The girls spring to action and follow her. The thief disappears around a corner.

CUT TO:

SC. 3 - EXT. ART MUSEUM - FRONT STEPS - CONTINUOUS

The thief races up the steps and into an open side door leading inside the Art Museum. WORD BUBBLE: "SLAM!" The door closes. The girls rush over and try to open it, but it's locked!

Rainbow Dash zooms off in a Rainbow Blur. WORD BURST: "ZOOM!"

CUT TO:

SC. 4 - MAP - CONTINUOUS

A crude map of the city from above (from Twi's guidebook?). We see the "rainbow blur" dart AROUND the building super fast.

CUT TO:

SC. 5 - EXT. ART MUSEUM - BACK DOOR - CONTINUOUS

A smug Rainbow Dash waits by the door. It swings open and thief bursts out! He runs RIGHT INTO RAINBOW! WORD BURST: "OOF!"

Rainbow falls over, dizzy as the girls burst out from the door. The look around, frantic. CLOSE UP on his feet disappearing around a corner.

TWILIGHT
That way!

They run after him to...

CUT TO:

SC. 6 - EXT. PARK - CONTINUOUS

The thief looks behind his shoulder as the girls gain on him. Then, in quick succession:

-- Applejack lifts a BENCH and tries to head him off. The bench lands (WORD BURST: "THUD!"), and the thief nearly slams into it, but JUMPS over at the last second. This causes...

-- A KID riding a BIKE to swerve right in the direction of a POND! TWILIGHT lunges toward him (WORD BURST: "WHOOSH!") and LEVITATES the kid and his bike above the water, carrying them back onto the path. She looks relieved.

Everyone looks around, freaking out as they realize they were distracted by the kid and lost sight of the thief.

-- Pinkie Pie throws a few SPRINKLE-BLASTS (WORD BURST: "KABOOM! KABOOM!") at a bush. Two holes are left in the plant and Pinkie peeps through them like they are binoculars. She sees the thief!

PINKIE PIE

He went this way!

The thief takes a turn right into...

CUT TO:

SC. 7 - EXT. ALLEYWAY - CONTINUOUS

A dead end. He's finished! The thief is trapped with nowhere to go. He is about to dart out around the girls when Rarity shoots a CRYSTAL SHIELD to block him in! WORD BURST: "ZAP!"

FLUTTERSHY

Oh um. Excuse me. Can we please have the jewelry back now?

Suddenly a tiny horde of RATS and PIGEONS descend on the thief and take the jewelry back! They drop it at the girls' feet. Rarity stands at the center, triumphant.

RARITY

(to thief)

Do you have anything to say for yourself?

THIEF

I'm so.... sorry!

The thief sits on the ground, sobbing. Sunset walks over, and leans out her hand to help him up. When they touch, her face changes as she hears his thoughts. WORD BURST: "SNIFF..."

Sunset pats him on the back reassuringly. She smiles.

SUNSET SHIMMER

You don't have to give her jewels to
impress her. She'll love you no matter
what.

Off the hopeful face of the sniffing thief...

CUT TO:

SC. 8 - EXT. JEWELRY STORE - A FEW DAYS LATER

The girls all eat PUFF CAKES while they look at the display
window being rearranged, a la "Breakfast at Tiffany's".
NECKLACES, RINGS, and EARRINGS glitter in the light.

The store owner comes out, shakes Rarity's hand in gratitude,
and passes her a CRYSTAL-STUDDERED WATCH. Rarity's chest beats
comically and her eyes turn to hearts. WORD BURST: THUMP!
THUMP!

COMIC-BOOK freeze frame. We zoom into the image and PULL BACK
OUT to reveal Sunset Shimmer's full finished COMIC BOOK of
their exploits.

She closes the book, puts down her colored pencils and
smiles.
