EQUESTRIA GIRLS SHORTS - "AW...BABY TURTLES"

FADE IN:

CLOSE ON : Fluttershy. Eyes closed, smiling. HAPPY BEACH SOUNDS (waves, crowds) ECHO for a beat but is soon DROWNED OUT by BABY CRIES. Her brow furrows and her eyes spring open.

SC. 1 - EXT. BEACH - DAY

Fluttershy looks around.

1 FLUTTERSHY
What? Where is that...?

2 RARITY
Did you lose something, Fluttershy?
Don't worry I got you covered!

Rarity opens a giant Mary Poppins-like bag of supplies.

3 RARITY (CONT'D)
What do you need? Sunglasses,
scarf, giant beach umbrella...?

4 FLUTTERSHY
No, I didn't lose something. I just
can't find something.

5 RARITY
How's that now?

Fluttershy closes her eyes, concentrating. The rest of the girls take notice.

6 FLUTTERSHY
I hear the cries of...a bunch of
baby turtles.

7 ALL GIRLS
Aww!

8 FLUTTERSHY
But I don't know where they are.
They just hatched and are trying to
find their way to the water so they
can swim out to sea...But they're
lost...and they have to make their
way to the water.

9 ALL GIRLS
Oh no!

Fluttershy looks around at the massive crowded beach.

10 FLUTTERSHY
The beach is giant...how am I ever
going to find some teeny tiny
turtles here??

The girls think for a beat. Rainbow Dash picks up her pet
turtle, Tank. Who is fast asleep.

11 RAINBOW DASH
Well, Tank here is a turtle. Maybe
he knows where baby turtles would
hangout.

12 FLUTTERSHY
Great idea!! We'll just have to
...y'know...wake him up first.

13 RAINBOW DASH
(loud, in Tank's face)
Wake up Tank! Let's go!!

Tank ever so slowly (and sleepily) opens his eyes.

14 FLUTTERSHY
Lead the way, Tank!

All the girls turn in anticipation. Verrrry slowly Tank takes
a single step. Long beat. Then another.

15 RAINBOW DASH
Now maybe a little bit faster...or
a lot bit faster...

Tank gives Rainbow Dash the side eye as he takes another
slloooooooooow step.

SC. 2 - EXT. BEACH - MUCH LATER

Tank (followed by the EG) moves slowly up the beach, as
everything around them goes in super speed and the sun passes
through the sky.

16 FLUTTERSHY
Hey, you did it! You finally did
it! There they are.

In the sand there is a pile of adorable baby turtles.

17 ALL GIRLS
Awwwwwwwwww!!!

18 RAINBOW DASH

Now what do we do?

19 FLUTTERSHY

Now we just need to get them to the water safely.

The girls look around, the water nowhere in sight.

20 RARITY

Where is the water from here?

21 FLUTTERSHY

Hm...just over this sand dune, past those rocks and crabs, beyond that abandoned sand castle city, and over those crashing waves...

She looks back and forth between the large and dangerous obstacle course and the pile of teeny tiny turtles.

22 FLUTTERSHY (CONT'D)

Oh boy...

23 RAINBOW DASH

Don't worry, Fluttershy! We'll help clear the way.

24 RARITY

I have all sorts of supplies! Shovel, bucket, sunscreen.

Rarity opens her bag of supplies and the girls all jump into action, creating a path.

SC. 3 - EXT. BEACH - TURTLE COVE - LATER

The girls are really in the groove. In fact they're so in the groove, it turns MAGICAL.

- Rainbow Dash shovels the dune away SUPER FAST.
- Apple Jack uses SUPER STRENGTH to pick up and move a boulder.
- Twilight sparkle LEVITATES some crabs.
- Rarity holds back the tide with a SHIELD.
- A straight clear path appears!

25 FLUTTERSHY
That's it! We're doing it, the path
is clear. Now Tank just lead the
teeny hard-shelled cuties through!

She and the other girls look...Tank and the baby turtles are
no where to be seen.

26 FLUTTERSHY (CONT'D)
...Tank? Adorable tiny turtles...?

27 RAINBOW DASH
...Hey, look! They left a trail in
the sand.

The girls all slowly stop magic-ing and follow the trail
which is a winding (but safe) path around all the obstacles.
Nearing the water is Tank and the baby turtles.

28 FLUTTERSHY
Wow! While we were busy trying to
clear the way...Tank slowly led the
babies around the long way. Keeping
them away from danger.

29 ALL GIRLS
Awww!

30 FLUTTERSHY
And now they're ready to go to sea.
Well done, Tank!!

Fluttershy hears 'cheers' from the baby turtles as the make
it to the ocean. She also hears--

31 BABY TURTLE
(to Tank)
Mama!!

32 FLUTTERSHY
Aw, they think you're their mom,
Tank!

Tank remains stone faced as the turtles give him hugs and
waves and leave.

33 ALL GIRLS
Awww!

The girls watch the turtles take off to sea. After a beat
Tank smiles and sheds a tear, proud of his 'babies'.

FADE OUT.
