First Draft 1/23/17

EXT. CANTERLOT BEACH - DAY

APPLEJACK and RAINBOW DASH, in SUNGLASSES, take a much-needed break from surfing to lounge on their BEACH TOWELS under an UMBRELLA, SURFBOARDS parked.

1 APPLEJACK
Ahh, summer. Y'know, there is
nothin' like kickin' back and
enjoying the sunshine. This is the
kind of day I like to call--

She's interrupted by Rarity popping into frame, PANICKED.

2 RARITY
A TOTAL DISASTER!

RD and AJ lower their shades to inspect Rarity, who's frazzled.

3 RAINBOW DASH
Slow downwwn, Rarity! What's the ish?

4 RARITY
The ish? The ISH, ish a tragedy. A
catastrophe of epic proportions!

5 RAINBOW DASH
Oh no! Is there a storm comin'?

Rarity ignores this. As she talks, she shows them a SINGLE EARRING, a sparkly, dazzling thing.

6 RARITY
Worse! I lost an earring! A one of -
- well, two of -- a kind, custom-
made, irreplaceable work of art. I
was reapplying my SPF when I
realized my ear was--
 (looking around, nervous)
NAKED!

RD and AJ <GASP> at this.

7 RARITY (CONT'D)
 (fishing)
I don't know what to do! It meant
so much to me, and, and...

8 APPLEJACK
Of course we'll help you find it,
Rarity.

9 RAINBOW DASH
What are friends for?

10 RARITY
 (relieved, excited)
Fan-TAS-tic! I've got just the
thing!

She produces three METAL DETECTORS with HEADSETS, ready to go. (OPTIONAL: RD and AJ "Where did those come from?!")

CUT TO:

EXT. CANTERLOT BEACH - SHORTLY

The three friends comb the beach with the detectors, listening on their HEADSETS for <BEEPS>.

11 APPLEJACK
You findin' anything?

12 RAINBOW DASH
Not so--
 (interrupted by <BEEP>)
Wait! I got a beep!

Rainbow Dash excitedly DIGS. Rarity runs up to them both.

13 RAINBOW DASH (CONT'D)
It's a--

She pulls up a FIGURE SKATE. They look confused. Rarity's face falls.

14 RAINBOW DASH (CONT'D)
--Figure skate. Whoops.

15 RARITY
 (composing herself)
That's alright. We've got all three
of us and the whole afternoon! How
hard could it be?

CUT TO:

EXT. CANTERLOT BEACH - HOURS LATER, NEAR SUNSET

An ENORMOUS PILE OF JUNK sits on the beach. Various metal objects - keys, cans, coins, swords, the weirder the better. An OLD NOKIA-STYLE BRICK PHONE is thrown onto the pile.

16 RARITY
 (flustered)
I can't believe this! We've combed
the entire beach, and found NOTHING!

RD and AJ observe the pile of treasure, picking up and
examining VARIOUS OBJECTS.

17 APPLEJACK
Nothin'? There's a treasure trove
here!

18 RAINBOW DASH
I bet if we pawned (sold?) even
half of this we could buy you all
the earrings you ever wanted!

19 RARITY
 (pouting)
I told you, it's irreplaceable. I
spent WEEKS making it. Ugh! My
genius will NEVER be appreciated--

Shaking her head in annoyance, Rarity's LOST EARRING flies
out of her hairdo and lands in the sand.

20 RARITY (CONT'D)
Oh.

Looking up, all three friends peer down at the earring's POV.

21 APPLEJACK
Hey Rarity, just wonderin'--

22 RAINBOW DASH
Is there any chance--

Rarity holds her earring up, trying to play it cool.

23 RARITY
Yes, I... may have misplaced it.

She gets a little shy.

24 RARITY (CONT'D)
I'm, uh, sorry I took up your whole
day.

RD and AJ exchange looks for a second, before:

25 RAINBOW DASH
Are you kiddin'? We haven't even
done half the beach! Who KNOWS what
else we'll find!

Applejack picks up the NOKIA-STYLE BRICK PHONE.

26 APPLEJACK
What even IS this? The sand is FULL
of mysteries.

AJ and RD GEAR UP, putting their headsets back on.

27 RAINBOW DASH
You comin', Rarity? Last one to
find a silver dollar has to detail
Sunset Shimmer's car.

Rarity hesitates, then smiles, her earring SHIMMERS, and she
puts her headset back on before running to catch up.

FADE TO BLACK.
