

My Little Pony: Equestria Girls

"Friendship Math"
Short #403-057

Written by
M.J. Offen

First Draft 01/30/17
Second Draft 02/07/17

LOGLINE: Pinkie Pie and Twilight Sparkle take a friendship magazine quiz and get a horrible score! Pinkie Pie thinks it's silly and doesn't mean they aren't close friends, but Twilight Sparkle can't let it go and searches out a way to PROVE their friendship - only to ultimately realize what Pinkie Pie was saying the whole time "we like each other, that's all that counts."

FADE IN:

EXT. BEACH SHORE - BEACH BLANKET - DAY

PINKIE PIE and TWILIGHT SPARKLE sunbathe on a beach blanket, not far from the LIFEGUARD STATION. PP flips through the pages of a teen magazine. The cover girl is a heavily made up teenage fashion model.

1 PINKIE PIE
Ooh! Rarity left her "Canterlot
Girl" magazine here. Check it out!

Twilight reveals she has a magazine too: the cover girl wears a labcoat and holds a microscope.

2 TWILIGHT SPARKLE
Thanks, but I brought my own
magazine, "Super Science Monthly."

3 PINKIE PIE
Hey, there's a quiz in here I bet
you'd like! "Score your Scientific
Friendship Levels: Are you BFFs
for life?" Come oooooonnnn, please?

4 TWILIGHT SPARKLE
Well, if it's a *scientific* quiz.

5 PINKIE PIE
YAY! Okay, question one. What's
your best friend's favorite food?

The girls always answer at once, slightly overlapping.

Books? PINKIE PIE TWILIGHT SPARKLE
Salmon?

PINKIE PIE	TWILIGHT SPARKLE
EW! I guess salmon <i>is</i> pink.	Books aren't even a food!

6 PINKIE PIE
No points. Oh well! Next question!
"What's your bestie's shoe size?"

PINKIE PIE	TWILIGHT SPARKLE
I bet it's - 17?	I don't know. 6.

PINKIE PIE	TWILIGHT SPARKLE
5 and a half. Ooh, so	Is "17" even a shoe size?!
close!	

(CONTINUED)

CONTINUED:

7 PINKIE PIE
Okay, the score is still -
zero/zero. Cool! We're tied!

TS frowns at this.

8 PINKIE PIE
Last question! "What is your
friend's biggest fear?"

PINKIE PIE TWILIGHT SPARKLE
Is it - clownfish? Um. A world without the
color pink?

Both girls shake their heads. PP GIGGLES.

9 PINKIE PIE
Actually, mine is clownfish. But
no pink sounds scary too!

Pinky Pie closes the magazine.

10 PINKIE PIE
Wasn't that fun? Oh by the way, it
says we totally flunked.

11 TWILIGHT SPARKLE
FLUNKED! Impossible! The quiz has
to be wrong. There must be a
better scientific way to define
friendship and I'm gonna crack it!

12 PINKIE PIE
How are you gonna do that?

Twilight whips out her calculator, excited.

13 TWILIGHT SPARKLE
Mathematically, of course! Leave
the scoring to me. Let's go have
some fun.

14 PINKIE PIE
I can't argue with that!

EXT. NEARBY BEACH - MOMENTS LATER

Twilight is glued to her calculator as she follows PP
along the beach. As they move around the beach, they
encounter small daily things that prove their friendship:

(CONTINUED)

15 TWILIGHT SPARKLE
If defeating evil plus saving
Canterlot High equals 50
friendship points then... Oh! Pass
me the shovel!

Pull out to reveal TS and PP have stopped to help some
KIDS build a SANDCASTLE.

16 PINKIE PIE
Ta da! We sure make a good team!

They stand up to admire their finished handiwork: a crazy
fun looking sandcastle. TS taps on her calculator.

17 TWILIGHT SPARKLE
That's worth 10 friendship points...

TS turns to see PP digging in the sand near the castle.

18 PINKIE PIE
Aw, sandblast! I lost my new
flamingo sunglasses!

TS looks around, spotting the SUNGLASSES as a precarious
part of the architecture holding up the sand castle.

19 TWILIGHT SPARKLE
Aha. Hang on! I got this.

TS deftly swaps in a SHELL for the sunglasses. The sand
castle remains standing. The kids and PP "OOH" impressed.

20 PINKIE PIE
Way to help a friend out, Twi!

21 TWILIGHT SPARKLE
My pleasure, and that's worth 20
friendship points!

TS taps her calculator as they move on down the beach.

EXT. SUSHI TRUCK - A SHORT TIME LATER

PP and TS are eating their fusion lunch: TS a wasabi-
filled sushi burrito, PP seaweed chip nachos.

22 TWILIGHT SPARKLE
Ow! This sushi burrito is so spicy
it should come with a warning!

(CONTINUED)

CONTINUED:

TS waves her hand at her watering eyes as PP pours some nacho cheese onto TS's burrito. TS takes another bite.

23 PINKIE PIE
That better?

24 TWILIGHT SPARKLE
Yes! Thank you! ...Add 15 friendship points, because sharing is caring!

TS taps her calculator once more.

25 TWILIGHT SPARKLE
...And I've got it! Scientific proof that we are best friends for life.

TS shows PP a mind-bending hard math problem. PP beams.

26 PINKIE PIE
Goody! ...I'll take your word for it. Look, I made a new quiz, too!

PP shows Twilight an ADORABLE handmade magazine quiz.

27 TWILIGHT SPARKLE
Let's hear it!

TS nods in the affirmative for every question PP asks:

28 PINKIE PIE
True or false: You stay up and late and help each other study for tests? ...You never let your friend stay blue for long and always eat lunch together, even when you don't like spicy things that much? ...You stand by each other no matter what, even if that means facing bad, scary evil? ...You always find each other across towns and even magical dimensions!?

29 TWILIGHT SPARKLE
All true!

30 PINKIE PIE
Boom. A perfect score!

31 PINKIE PIE/TWILIGHT SPARKLE
"Best Friends Forever."

THE END
