

Keepin' Busy, Keepin' Good – Lyrics ("Five to Nine" EG short)
2/17/17
By G. Berrow

*Crowing of Rooster Alarm Clock *

AJ: (Spoken) Howdy, mornin'!

Big Mac:

Well down on home, out Canterlot way
There's a spunky little gal, who starts her day
She goes by the name of Applejack,
Has a Granny called Smith and a brother named Mac

It's early in the morn', granny's countin' sheep
But lil' Apple Bloom? she hears a peep
(Spoken): Don't worry!
It's just ole' Applejack
Girl on a mission to pick up slack!

AJ:

Before that sun comes up
Gotta start those rocket boosters
Don't need extra cheerin' on
Or the crow of the roosters

The early bird gets the worm
And bread needs time to bake
But it won't rise to the occasion
Unless you are awake

So many things need gettin' done
It's time to start my day
Earlier the better
Can't dally or delay

Most people dread,
All the grit and the grime
But puttin' in some elbow grease
Makes me happy every time

CHORUS:

Cause keepin' busy is keepin' good
Just keep on goin' like ya should
And you'll have...

Time to spare
Fun to share
Time to spare
Fun to share
...with those who matter most!

BRIDGE:
Count my chickens--
Feed the hogs—
(CLAP CLAP)
Hang those lights--
Saw some logs!
(CLAP CLAP)

Invite my friends--
Clean the barn—
(CLAP CLAP)
Strum a guitar--
Sing this yarn!
(CLAP CLAP)

CHORUS:
Ohhhh...
Cause keepin' busy is keepin' good
Just keep on goin' like ya should

AJ: (Spoken) Hiya, Girls!

Oh, I'll have...
Time to spare
Fun to share
Time to spare
Fun to share
...with those who matter most!
