We open on SPIKE as he sits down at Twilight's desk. He is grinning excitedly.

He adjusts the WEBCAM down to frame himself better.

SPIKE

Hey Paw Pals! Welcome to this month's  
"Fetch Pack Unboxing with Spike". I  
love sharing these luxurious items  
with all of you-- my *fans*-- first!

Spike holds up a HUGE BROWN SHIPPING BOX with a PAW PRINT PATTERN stamped on the sides.

SPIKE (CONT'D)

I just received my box and I am *super*  
pumped to see what's inside.

Spike <GIGGLES>. He puts the box down on the table and <RIPS> it open. He RUBS his paws together greedily and LICKS his chops.

SPIKE (CONT'D)

What delectable doggie delights do we  
have today?  
(then)  
Oh, right. Let's get a better shot  
here...

Spike REACHES UP to the CAMERA and it shakily PANS DOWN. Inside, the box is a TON of TOYS, TREATS, and DOG GOODIES.

The LINING is even made of SILKY FABRIC. Totally over-the-top.

Spike DUMPS it all out on the desk.

SPIKE (O.S.) (CONT'D)

Now, this is the Deluxe-Luxury Fetch  
Pack, so it comes with a lot of cool  
stuff to keep canines feelin' fine!

We see Spike's PAWS hover over the pile and pick out a GIFT BOX with a RIBBON (think Tiffany) and untie it. He opens the lid to REVEAL its filled with FANCY DOG BONES.

SPIKE (CONT'D)

Whoaaa!

Spike PANS back to himself. He HOLDS UP the BOX OF BONES right to the camera.

SPIKE (CONT'D)

These aren't just any old bones you'd bury in the yard...

(reading)

They're "Canterlot Canine Cheese-Board Chews"! Local, small-batch, and nut-free.

Spike nods, impressed. He brings them up to his nose, <INHALES> deeply and smiles.

SPIKE (CONT'D)

Ahhhh, smells great!

Spike pops a CHEESE BONE in his mouth.

SPIKE (CONT'D)

(mouth full/mumbling)

MMMM-mmmm! Roquefort! Very subtle, yet pungent.

Spike PANS the camera down to the pile again and reaches for another item.

SPIKE (CONT'D)

What else do we have...?

He pulls out a BOW TIE with a GEM PATTERN all over it and holds it close to the camera.

SPIKE (O.S.) (CONT'D)

Oooh! A bespoke bark tie... with a gem pattern-- designed just for me! Let me just put this on and--

The sound of <FOOTSTEPS> and a <DOOR OPENING>.

SPIKE (O.S.) (CONT'D)

Uh oh...

Spike laughs, nervously. He scrambles to hide the stuff.

SCI TWI (O.S.)

(reading)

"Le Wag' White Ginger and Lemon Peel Extract Doggie Bubble Bath"...

Spike holds up the bottle to the camera and puts in BACK INTO THE BOX.

SCI TWI (CONT'D)  
(reading)  
"Royal Rover Relaxation Pillow for  
Precious Puppies"...

Spike shoves a FRILLY PILLOW back into the box.

SCI TWI (O.S.) (CONT'D)  
Hound Bites, Chew-Chew Training  
Treats, and Mega Munchies?

Spike holds up all three TREAT BAGS and puts them back into the box. He shoves ALL THE OTHER TOYS back in haphazardly and SHUTS IT.

SCI TWI (O.S.) (CONT'D)  
SPIIIIIKE!

The camera shakily PANS BACK UP and we see that SCI TWI is now behind the desk looking shocked. She's staring at a SLIP OF PAPER, jaw open.

SCI TWI (CONT'D)  
This stuff cost *how much?*!

Spike TAPES UP the box and laughs nervously. Spike leans into camera and WINKS.

SPIKE  
(whispering)  
I guess that's why they call it the  
"Fetch Box"- sometimes you gotta bring  
it right back!

He SCURRIES away with his hastily-taped up BOX.

SCI TWI  
Hey! Where are you going?!

SPIKE (O.S.)  
(calling out)  
To the post office!

Sci Twi is left standing there, looking confused. She SHRUGS and SHAKES HER HEAD, <CHUCKLING>. Twi notices the camera is on and reaches forward to SWITCH IT OFF.

END EPISODE.
