INT. RARITY'S HOUSE - DAY

APPLEJACK, standing in an empty room, speaks to camera, which
RARITY is holding. *

1 APPLEJACK
On today's DIY With Applejack,
we're gonna build my friend Rarity
a dream dressing room, in just 73
easy steps.

Rarity turns the camera around and WAVES. *

2 RARITY
Hello, darlings. I can't wait for
my fabulous new dressing room, and-- *

Applejack <CLEARS HER THROAT>.

3 RARITY (CONT'D)
Oh, sorry! I promise I won't make
another peep! *

Rarity pretends to SEAL HER MOUTH and turns camera around.

4 RARITY (O.S.) (CONT'D)
Just one more peep! How long do you
think this will take? *

5 APPLEJACK
It takes what it takes! Now, for
safety's sake, you need to make
sure all amateur builders stay at a
safe distance. *

The camera backs up.

6 APPLEJACK (CONT'D)
Let's get started. *

EXT. APPLEJACK'S FARM - DAY

--Applejack stands in front of a tree on her property. (Note:
Throughout this sketch, AJ needs to be wearing appropriate
safety gear.)

7 APPLEJACK
First ya need wood, so for step 1,
I'm gonna cut down one of my trees.

Applejack starts to SWING her axe and Rarity <SQUEALS>.
Applejack gives the camera a look.

8 RARITY (O.S.) *
Just a dash of a peep: how many *
trees are we going to need? *

Applejack ignores her, and swings the axe. *

INT. RARITY'S HOUSE - DAY

Through a series of time jumps we see AJ laboriously making her way through the following things.

--Applejack DRAGS in SOME WOODEN PLANKS.

9 APPLEJACK
Step 8: Getting rid of splinters.

She lifts a BUFFING TOOL. As she buffs she speaks <LOUDLY>:

10 APPLEJACK (CONT'D)
Now you have to give each square
foot of surface 30 clockwise
strokes with the buffer-

11 RARITY (O.S.) *
Thirty! Darling, that seems a bit
excessive-

12 APPLEJACK
Yes, 30. And then you havta double
check those strokes by--aww, shoot!
I lost count. Welp, I'll have to
get a new tree.

Rarity <SIGHS>. *

-- Applejack holds ROPES that are wrapped around the wood.

13 APPLEJACK (CONT'D)
Step 15: Raise the dressing room!
Yeehaw!

Rarity <YAWNS>. *

14 APPLEJACK (CONT'D)
You OK back there, Rarity?

15 RARITY (O.S.) *
(yawn) *
This is positively electrifying! *

AJ PULLS the rope and <GRUNTS> as the structure raises. *

-- Applejack stands in front of the DRESSING ROOM SKELETON.
OPAL walks in and looks around.

*

16 APPLEJACK
Step 29: Paintin' yer room. I chose
this practical brown color-

*

Opal <HISSES> and Rarity shakes the camera "NO."

*

17 APPLEJACK (CONT'D)
Step 29 point 5: Paintin' your room
with this, uh, very bright purple.

Opal is PLEASED and Rarity shakes the camera "YES."

*

-- AJ stands in front of the PAINTED STRUCTURE.

18 APPLEJACK (CONT'D)
Step 42, Adding tufted button
walls! You're gonna want to be
careful, measuring the satin at
least twice--

*

*

*

TIME LAPSE. Applejack still talking about the same thing:

19 APPLEJACK (CONT'D)
Now that you've measured five
times, we can begin to cut the
samples-

*

*

*

-- Applejack stands surrounded by TUFTED WALL SAMPLES. The
moonlight shines in.

*

*

20 APPLEJACK (CONT'D)
We just have to figure out which of
the 62 samples work best. Now the
real fun begins.

*

*

*

21 RARITY
(sleepy)
Oh, now the real fun begins. I've
been having so much fun this whole
time.

*

*

*

*

*

<MEGA YAWN> from Rarity. The camera starts to slip, as if
Rarity is falling asleep. It starts to fall.

*

22 APPLEJACK
Rarity! Wake up!

-- AJ holds the camera in front a TRIPOD she obviously just
built. Rarity snoozes on the pile of tufted wall samples with
Opal in BG.

*

*

*

23 APPLEJACK (CONT'D)
Step 64: Remember who you're
building for and make sure it fits
all their needs.

*

-- Applejack reveals Rarity sleeping on a MARIE ANTOINETTE-
STYLE DAY BED in the middle of the closet. Opal makes muffins
on her back.

*

*

*

24 APPLEJACK (CONT'D)
And, finally, step 73, THE BIG
REVEAL!

*

Opal gives AJ a look, like <SHHH!>

*

25 APPLEJACK (CONT'D)
 (whispering)
Oh yeah. Good night, you two.

*

*

*

As Applejack turns out the lights, we--

*

THE END.
