INT. PINKIE PIE'S KITCHEN - DAY

PINKIE PIE stands behind the counter in her gorgeous kitchen. (It looks like Martha Stewart designed it in a beautiful fever dream.) Behind her, a ~classy~ banner reads "THE ART OF COOKIES WITH PINKIE PIE." GUMMY, in a TINY CHEF'S HAT, sits on the counter. Pinkie talks to camera.

PINKIE PIE
Hello. I'm Pinkie Pie and thank you
for joining me today at The Art of
Cookies. In just one class, you too
(switches cameras)
can become a certified cookie
master.
(switches camera)
Let's get started.

SMASH CUT TO:

INT. PINKIE PIE'S KITCHEN - DAY

Pinkie, now back to her normal self, runs around in a whirlwind, grabbing items from cupboards, drawers, under Gummy, and inside her own hair, exclaiming:

PINKIE PIE
Yum! Ooh! Yes, please! Tasty!
You're gonna be DELICIOUS! Hello,
beautiful!

We see her measuring, and mixing, and pouring. We see the OVEN door open and close. We hear the TIMER <DING!> In a flurry, she decorates. We pull back and see it's a THREE-LAYER CAKE?! She looks at it admiringly and lifts Gummy up.

PINKIE PIE (CONT'D)
(to Gummy)
I know what you're thinking: What
an odd cookie! Well, it's not a
cookie, it's a cake, and it's an
important first step! You'll see.

She puts the cake aside and gathers a bunch more INGREDIENTS.

PINKIE PIE (CONT'D)
Now we start!

She tosses them in DIFFERENT BOWLS, tasting from each.

PINKIE PIE (CONT'D)
Needs more sugar! / Needs less
sugar! / Needs more flour! / Needs
flour period!

She quickly adjusts them so they're uniform in consistency.

PINKIE PIE (CONT'D)
Cotton Candy! This is TASTY!!!
(She holds Gummy and does
his voice)
You've really outdone yourself,
Pinkie!
(Back to Pinkie voice)
Aw, thanks, Gummy! Now, to make
this sugary dough into something
really special!

She takes out a VARIETY OF CHOCOLATE CHIPS. She POPS a dark
chocolate one in her mouth. YUM! Then she does the same with
milk and white, and soon she's popping more and more. RAINBOW
DASH pokes her head in, concerned at the mess.

RAINBOW DASH
Need any help, Pinkie?

PINKIE PIE
(mouth full of chocolate
chips)
No, I'm good! Thanks!

RAINBOW DASH
OK, but don't eat all the chocolate
chips!

PINKIE PIE
(mouth still full)
I won't!

Rainbow leaves as Pinkie Pie swallows and then mixes the rest
of the chips into the dough. She takes out some BAKING SHEETS
and uses a LADLE to spoon some onto a sheet.

PINKIE PIE (CONT'D)
Hmm. Too big!

She tries a TINY NOVELTY SPOON.

PINKIE PIE (CONT'D)
Too small!

She tries an ICE CREAM SCOOPER.

PINKIE PIE (CONT'D)
Just right!

QUICK PAUSE: As the cookies bake, Pinkie sits on a stool and enjoys a slice of the cake.

PINKIE PIE (CONT'D)
See! I told you this part was important. Mmm mmm MMM!

The oven <DINGS!> She throws the cake aside.

PINKIE PIE (CONT'D)
Ahhh! They're ready!!

She takes the cookies out and SNIFFS them. Her eyes flash hearts. These things smell *delicious*. Pinkie holds up Gummy.

PINKIE PIE (CONT'D)
What's that, Gummy? You think I've just invented the perfect cookie? Awww, but I prefer to say WE'VE invented the perfect cookie!

She kisses his nose and admires her cookies.

PINKIE PIE (CONT'D)
Now for the final and best part:
SPRINKLES!

Pinkie grabs fist fulls of SPRINKLES as her GEODE glows and vibrates causing the SPRINKLES to start exploding. The cookies are now TOTALLY covered in sprinkles. Pinkie's a mess, the kitchen's a mess, and she's beaming.

SMASH CUT TO:

INT. PINKIE PIE'S KITCHEN - DAY

Dignified Pinkie's stands in the mess, holding cookies.

PINKIE PIE
(to camera)
Et voila! Two dozen ultra fancy and irresistibly scrumptious cookies for all your sophisticated snacking needs.
(switches cameras)
Until next time on The Art of Cookies, this is Pinkie Pie bidding you a sweet evening, and a most delicious tomorrow!

THE END
