INT. SUNSET SHIMMER'S HOUSE - DAY

WEBCAM POV: FLUTTERSHY and SUNSET SHIMMER on a couch, wearing headsets in front of the TV.

1 SUNSET SHIMMER
Welcome to ShimmerC0de my Game Channel! I've decided to take a break from racking up crazy high scores to introduce my friend Fluttershy to gaming--

FS peeks out from where she sits just behind SS.

2 FLUTTERSHY
Yay games.

3 SUNSET SHIMMER
Okay Fluttershy, your pick, what'll it be?

4 FLUTTERSHY
The squirrel one!

The thumbnail reveals this is clearly a game for little kids.

5 SUNSET SHIMMER
Okay...I usually play more advanced games, but what my guest player picks we play!
(into headset)
This will be... easy...

6 FLUTTERSHY
Time to press some buttons! Whee!

Sunset flips FS's control so she is holding it correctly.

7 SUNSET SHIMMER
Here we go...

GIRLS' POV ON SCREEN: two boxes, each one with a SQUIRREL a TREE and a basket in it. We cut between the GIRLS' POV on the screen, the WEBCAM POV, or a split screen of the two.

On the screen is a NUT-O-METER, used to keep score.

8 SUNSET SHIMMER (CONT'D)
The gameplay here is actually very simple. Get your squirrel to climb the tree --

Sunset presses buttons on her controller. Her squirrel walks head-first into the tree.

9 SUNSET SHIMMER (CONT'D)
Climb the tree --

Her squirrel now walks into the tree repeatedly, making an
"X" buzzer sound on impact each time.

10 SUNSET SHIMMER (CONT'D)
(through clenched teeth)
Climb. The. Tree.

11 FLUTTERSHY
Like this?

Fluttershy guides her squirrel right to the top of the tree,
picking a nut and dropping it the basket. The Nut-o-Meter
shows FS's score increases.

12 SUNSET SHIMMER
(surprised)
Uh...Yes.

MONTAGE:

FS is breezing through the game, SS is still trying to get
her squirrel up the tree and competitively clocks FS's rising
score.

FS advances a level and the squirrel does a dance on the
screen. Sunset's squirrel continues to walk into the tree.
Sunset, crazy-eyed, mashes buttons on her controller.

13 SUNSET SHIMMER (CONT'D)
What do you want from me? TELL ME
WHAT YOU NEED!!

FS, growing more excited and extroverted, climbs on the
couch, pressing buttons on her controller like a pro.
Sunset's squirrel has fallen over with stars swirling around
his head. Sunset is on the ground, face-down in the carpet.

We see levels tick by as FS bests the game. We come out of
the montage right as FS beats THE FINAL LEVEL!!!

TOP SCORER flashes on screen and nuts rain down!!

WIDEN TO REVEAL: SS looks up wide-eyed. FS looks over--

14 FLUTTERSHY
Did I do it right?

15 SUNSET SHIMMER
(quiet)
That was...
