Final Draft 05/17/17

Equestria Girls Shorts- "Twilight Under the Stars"

SC. 1- INT. PLANETARIUM KITCHEN- EVENING

SCI TWI enters, wearing a SENSIBLE DRESS. PINKIE PIE (in a RIDICULOUS PARTY DRESS) arranges a SNACK PLATTER.

1 SCI TWI
I can't thank you enough for
volunteering for tonight's
Canterlot Planetary Society Members
Social, Pinkie Pie.

2 PINKIE PIE
No trouble, space rubble! Stars are
my favorite! They're like the
glitter of the sky!

*
*
*

3 SCI TWI
I can't believe that my favorite
astrophysicist, Rosette Nebula, is
going to be here. She's so smart,
and cool, and probably very funny!

*
*

Twilight beams as she holds up a PROGRAM depicting the guest
of honor, ROSETTE NEBULA.

4 SCI TWI (CONT'D)
She is a genius. And this is my
chance to finally meet her! Do you
think she'll like me?

5 PINKIE PIE
Of course she will!

6 SCI TWI
I have so many questions. Her
research in galaxy formation and
physical cosmology is positively
Earth-shattering!

7 PINKIE PIE
Aw, but I like it in one piece.

*

8 SCI TWI
Everything has to be perfect. Did
you finish setting up?

Pinkie nods proudly and yanks Twi to...

CUT TO:

SC. 3 - INT. PLANETARIUM - CONTINUOUS

On Sci Twi and Pinkie.

*

9 SCI TWI (CONT'D)
Oh! Um... We were only supposed set
up the chairs and snacks for the
mixer.

10 PINKIE PIE
I know what they said but what they
meant was...

*

*

*

Reveal the Planetarium has been PINKIFIED, complete with a
dance floor and DJPON3.

*

*

11 PINKIE PIE (CONT'D)
Pinkify it!

*

*

CLOSE ON the DOORWAY-- people in FORMAL ATTIRE stream in.
They look around at the elaborate decorations with quizzical
expressions.

IN THE DISTANCE-- ROSETTE NEBULA! She is essentially an older
Twilight. Twi gasps, star struck.

12 SCI TWI
There she is-- Rosette Nebula! I
just have to meet her.

*

*

13 PINKIE PIE
And I just have to get this
celestial celebration into orbit!
WOOOHOO, SPACE PARTY!

*

*

CUT TO:

SC. 4 - INT. PLANETARIUM - MONTAGE

-- Rosette Nebula lectures on stage. Twilight RAISES HER HAND
to ask a question. As Rosette points to her, Pinkie unleashes
a PARTY CANNON. CONFETTI rains down on the audience.

*

*

*

-- Two scientists converse Rosette. Twi hangs nearby, looking
for an entry to the conversation. But Pinkie POPS UP in
between them, placing SILLY BALLOON HATS on their heads!

*

14 SCIENTIST #1
Are you hypothesizing what I'm
hypothesizing?

*

*

*

15 EVERYONE
Selfies!

*

*

Pinkie gives a THUMBS UP to Twi, who sighs.

-- Rosette Nebula shakes hands with people waiting in a line. Twilight waits patiently-- she's almost there! Suddenly, DJPON3 starts blasting MUSIC from GIANT SPEAKERS. Rosette shakes her head, motions to her ears-- she can't hear anything! Rosette rushes away. Twilight slumps.

CUT TO:

SC. 5 - INT. PLANETARIUM - CAKE TABLE - CONTINUOUS

Twilight sits, defeated. She drums her fingers on the table.

Pinkie wheels out a GIANT CHOCOLATE CAKE shaped like a SOLAR SYSTEM MODEL/MOBILE (SUN is cake, planets are chocolate). At this, Twilight perks up!

16 SCI TWI
 (smiling)
Is that a...?

17 PINKIE PIE
... *scale model* of our *solar*
system, made *entirely out of*
chocolate, sprinkles, and love?! It
sure is!
 (yelling out)
ATOMIC CHOCOLATE! CAAAAAKE!

*
*
*

18 ROSETTE NEBULA (O.S.)
Did someone say "atomic chocolate"?

WIDEN TO REVEAL-- it's Rosette! She's got a huge smile on her face. Twi straightens, eyes huge.

19 SCI TWI
 (star struck)
Wow! I am *such* a big fan!

Pinkie Pie cuts a slice of cake and passes it to Rosette. She takes a bite and smiles, immediately relaxing.

20 ROSETTE NEBULA
Me too! Atomic chocolate is my
favorite.

Twi takes a slice of cake and takes a bite, too.

21 ROSETTE NEBULA (CONT'D)
Did you know that even the *smell* of
chocolate increases brain waves?

Rosette grins and winks.

22 SCI TWI
And it contains the
neurotransmitter Serotonin, which
triggers relaxation and
contentment!

A few other scientists start to gather and listen.

23 PINKIE PIE
Plus... *it's a taste explosion! Now*
that's what I call science!

*
*

Pinkie takes a bite of a small planet.

24 PINKIE PIE (CONT'D)
Mmmm. *Science-y.*

*

25 ROSETTE NEBULA
I definitely agree!

At this, everyone grabs slices of cake, and chows down.

26 ROSETTE NEBULA (CONT'D)
You girls really know your stuff!
What are your names?

27 PINKIE PIE
Pinkie Pie!

28 SCI TWI
(beaming)
I'm Twilight Sparkle. And it's *so*
great to finally meet you!

Rosette smiles, reaches her hand out to shake Twi's as we...

END EPISODE.
