SC. 1- INT. PLANETARIUM KITCHEN- EVENING

SCI TWI enters, wearing a SENSIBLE DRESS. PINKIE PIE (in a RIDICULOUS PARTY DRESS) arranges a SNACK PLATTER.

1 SCI TWI
I can't thank you enough for
volunteering for tonight's
Canterlot Celestial Society Member
Social, Pinkie Pie.

2 PINKIE PIE
No trouble, space rubble! Stars are
like the glitter of the sky!

3 SCI TWI
I can't believe that my favorite
astrophysicist, Rosette Nebula, is
going to be here. She's so smart,
and cool, and probably very funny!
Do you think she'll like me?

Twilight beams as she holds up a PROGRAM depicting the guest
of honor, ROSETTE NEBULA.

4 PINKIE PIE
Of course she will!

5 SCI TWI
I have so many questions. Her
research in galaxy formation and
physical cosmology is positively
Earth-shattering!

6 PINKIE PIE
Aw, but I like it in one piece.

7 SCI TWI
Did you finish setting up?

Pinkie nods proudly and yanks Twi to...

SC. 3 - INT. PLANETARIUM - CONTINUOUS

On Sci Twi and Pinkie.

8 SCI TWI (CONT'D)
Oh! Um... We were only supposed set
up chairs and snacks for the mixer.

9 PINKIE PIE
I know what they said, but what
they meant was...

Reveal the Planetarium has been PINKIFIED, complete with a dance floor and DJPON3.

10 PINKIE PIE (CONT'D)
Pinkify it!

CLOSE ON the DOORWAY-- FORMALLY ATTIRED GUESTS stream in. They look at the elaborate decorations quizzically.

IN THE DISTANCE-- ROSETTE NEBULA! She is essentially an older Twilight. Twi gasps, star struck.

11 SCI TWI
There she is-- Rosette Nebula! I just have to meet her.

12 PINKIE PIE
And I have to get this celestial celebration into orbit! WOOOHOO, SPACE PARTY!

SC. 4 - INT. PLANETARIUM - MONTAGE

-- Rosette Nebula lectures on stage. Twilight RAISES HER HAND to ask a question. As Rosette points to her, Pinkie unleashes a PARTY CANNON. CONFETTI rains down on the audience.

-- Two scientists converse with Rosette. Twi hangs nearby, looking for an entry to the conversation. But Pinkie POPS UP in between them, placing SILLY BALLOON HATS on their heads!

13 SCIENTIST #1
Are you hypothesizing what I'm hypothesizing?

14 EVERYONE
Selfies!

Pinkie gives a THUMBS UP to Twi, who sighs.

-- Rosette Nebula shakes hands with people in line. Twilight is patient. She's almost there when DJPON3 blasts MUSIC from GIANT SPEAKERS. Rosette shakes her head, motions to her ears, she can't hear anything! Rosette leaves and Twilight slumps.

SC. 5 - INT. PLANETARIUM - CAKE TABLE - CONTINUOUS

Twilight sits, defeated. She drums her fingers on the table.

Pinkie wheels out a GIANT DESSERT shaped like a SOLAR SYSTEM (sun is cake, planets are chocolate). Twilight perks up!

15 SCI TWI
 (smiling)
Is that a...?

16 PINKIE PIE
... scale model of our solar
system, made entirely out of
chocolate?! It sure is!
 (yelling out)
ATOMIC CHOCOLATE! CAAAAAKE!

17 ROSETTE NEBULA (O.S.)
Did someone say "atomic chocolate"?

WIDEN TO REVEAL-- it's Rosette! She's got a huge smile on her
face. Twi straightens, eyes huge.

18 SCI TWI
 (star struck)
Wow! I am *such* a big fan!

Pinkie Pie cuts a slice of cake and passes it to Rosette. She
takes a bite and smiles, immediately relaxing.

19 ROSETTE NEBULA
Me too! Atomic chocolate is my
favorite.

Twi takes a slice of cake and takes a bite, too.

20 ROSETTE NEBULA (CONT'D)
Did you know the *smell* of chocolate
increases brain waves and contains--

21 SCI TWI
...the neurotransmitter Serotonin,
which triggers relaxation and
contentment!

A few scientists gather and listen. Pinkie takes a bite.

22 PINKIE PIE
Mmmm. Science-y.

23 ROSETTE NEBULA
I definitely agree!

At this, everyone grabs slices of cake, and chows down.

24 ROSETTE NEBULA (CONT'D)
You girls really know your stuff!
What are your names?

25 PINKIE PIE
Pinkie Pie!

26 SCI TWI
 (beaming)
I'm Twilight Sparkle. And it's *so*
great to finally meet you!

Rosette smiles, reaches her hand out to shake Twi's as we...
