INT. RARITY'S ROOM - DAY

RARITY and APPLEJACK sit down in front of the camera.

1 RARITY
Hello internet darlings, it's your
music festival muses Rarity and
Applejack here, presenting our
camping must-haves.

2 APPLEJACK
Don't be fooled by our different
styles-- we're on the same page
when it comes to packin' right for
a trip to the great outdoors.

Applejack picks up sunscreen.

3 APPLEJACK (CONT'D) *
First things first: *

4 APPLEJACK/RARITY *
Chocolate and marshmallows. *

They <LAUGH EXACTLY THE SAME WAY>, so "on the same page." *

5 APPLEJACK *
Now yer gonna be out in the hot sun *
all day long, so be sure to bring *
plenty of sunscreen. *

6 RARITY *
Of course your SPF look-- stylish, *
practical, fun-- won't be complete *
without a chapeau. *

Rarity puts on a fancy sun hat, then reveals more items: *

7 RARITY (CONT'D) *
(adding items to the pile) *
And it should match your parasol *
and blanket of course. *

8 APPLEJACK *
But ya don't really need all that-- *

9 RARITY *
--and maybe a scarf. *

Rarity tosses the items in a pile. Applejack swallows her
mild annoyance and soldiers on.

10 APPLEJACK
I can think of two must-haves for
makin' an outhouse feel like an
inhouse: bring your own TP, and
plenty of hand sanitizer!

AJ holds up toilet paper and hand sanitizer. Rarity GASPS. *

11 RARITY
Just because we'll be living among
animals doesn't mean we have to
become one! Be sure to include one
or two all-natural moisturizers,
maybe a few more-- never hurts to
have the whole set... *

She picks up an armful of lotions and creams. *

12 APPLEJACK
Ya can't go three days without 'em?

13 RARITY
I'll fit them in, darling! Next to
the cushioned seat-cover, air
freshening candle set, and 4-panel
privacy screen... *

She tosses these things in the rapidly growing pile. *

14 APPLEJACK
(a little irritated)
And finally, you'll need a sleeping
bag for a few hours o' shut-eye.

AJ holds a sleeping bag. Rarity adds items to the pile.

15 RARITY
Plus pillows! Travel pillows, body
pillows, accent pillows, throw
pillows, bolster pillows,
hypoallergenic pillows... *

16 APPLEJACK
Where are you plannin' to put all
those pillows? *

Rarity DRAGS a four-poster bed into frame. AJ cracks. *

17 APPLEJACK (CONT'D)
Excuse me?! What happened to
bringin' only our must-haves?! *

Rarity stops, indignant.

18 RARITY
This is a hand-carved mahogany four-
poster bed-- I absolutely MUST HAVE
it!

*
*
*

19 APPLEJACK
You'll never be able to carry all
this to the campsite. Besides,
camping is about makin' do with
what you got. It's about breakin'
off sticks to roast marshmallows,
or brushing your teeth with poison
ivy and laughin' about it for years
to come!

*
*
*
*
*
*
*
*

20 RARITY
But Darling, we're not camping...

*

Applejack is confused. Rarity tosses back her hair and whisks
open the bedroom curtains. AJ adjusts the camera, revealing
in the backyard below...

*

A SHINY NEW PURPLE RV set up for camping.

*

21 RARITY (CONT'D)
...We're glamping!

*
*

AJ gawks.

*

22 APPLEJACK
But... Marshmallows...?

*
*

Rarity reveals a Garage-door-opener type remote. She presses
the button: SPROING! Cartoonishly, one side of the RV pops
open (not unlike a playset), revealing a tableau with a fire
pit, seven stumps, and marshmallows on sticks ready to go.

*
*
*
*

23 APPLEJACK (CONT'D)
(grinning, arm around RY)
...I think I'm gunna like glamping.

*
*
*

(ALT LINE 23)

*

RARITY
(grinning, arm around AJ)
Mmmhmm. Artisanal Marshmallows.

*
*
*
