INT. RARITY'S ROOM - DAY

RARITY sits down in front of the camera, tossing her hair.

1 RARITY
Hello darlings, it's your music
festival muse, Rarity, here with
camp-out must-haves. Sleeping at a
musical festival may be in tents...

She holds up a folded up tent.

2 RARITY (CONT'D)
But it doesn't have to be intense.

A STRESSED EMOJI pops up on screen.

3 RARITY (CONT'D)
So simply relax while I break down
the essentials of what to bring.

Rarity picks up sunscreen, bug spray, a mosquito net and a long sleeved shirt and pants.

4 RARITY (CONT'D)
First order of packing: protect
yourself! Sunscreen for those hot
days, bug spray and a mosquito net
for pesky bugs at night. Don't
forget long sleeves for extra
protection and...

Rarity struggles to hold all the supplies.

5 RARITY (CONT'D)
You know what? A screened in porch
might be a smidge easier than
packing all this.

She tosses the items aside, grabbing a roll of toilet paper and hand sanitizer.

6 RARITY (CONT'D)
Moving on. The two key ingredients
to toiletry success: bring your own
TP and hand sanitizer!

She looks around the room, pulling out more items from drawers, the closet, etc.

7 RARITY (CONT'D)
Although I don't know how I'll live
without my luxury organic micro-
cotton hand towels in sage green or
my all-natural moisturizers...

She picks up an armful of lotions and creams.

8 RARITY (CONT'D)
Hmm. Having my own on-site bathroom
would make this a lot easier.

Again, she tosses the supplies aside.

9 RARITY (CONT'D)
For all you social media mavens,
staying charged up is a priority.

She picks up a phone charger, portable speaker and extra
phone battery.

10 RARITY (CONT'D)
So be sure to bring along a speaker
for some tunes, your phone charger,
a spare phone battery in case you
can't find a plug to recharge...

Rarity digs through a drawer, getting tangled in wires.

11 RARITY (CONT'D)
(increasingly manic)
You'll probably need an extra
charger for a friend... one for an
old phone in case your current
phone stops working... a USB to
connect your camera and computer...

Rarity is a rat's nest of cords and tech gear.

12 RARITY (CONT'D)
Oh forget it! It's just better to
have an in-house tech center than
keeping all these wires straight!

She tears out of the web of wires. She sighs, calming down.

13 RARITY (CONT'D)
And finally, to look your best in
the crowd, you need all the tools
for your perfect beauty sleep.

She pulls out a sleeping bag, pad and pillow.

14 RARITY (CONT'D)
Typical camping fare, a sleeping
bag, comfy pad to lay on, a
favorite pillow...

She gets up and drags a pop-up tent into frame.

15 RARITY (CONT'D)
A pop-up tent for extra protection
in case it rains.
(growing intense)
You know what this could use? Four
poster curtains. Now in my
experience a sheer fabric makes for
a light, breezy sleeping
experience, but for camping a
heavier cloth might be preferable--

APPLEJACK pops her head in the doorway.

16 APPLEJACK
Hey there, Rarity! How's the
packing coming...

She spots all the supplies piled around Rarity.

17 APPLEJACK (CONT'D)
...along...?

18 RARITY
(slightly manic)
Great! Just boiling it down to the
essentials.

19 APPLEJACK
And how exactly are you going to
get all these... *essentials* to the
festival?

Rarity walks to the door, revealing...

20 RARITY
My Glamping RV! It's the only
essential I need.

Her shiny new purple RV has it all... including the screened-
in porch! Applejack laughs and shakes her head.

21 APPLEJACK
Mind if I tag along?

The friends head outside to the RV.

END OF EPISODE.
