EXT. MUSIC FESTIVAL - DAY

SUNSET SHIMMER poses for a selfie with RAINBOW DASH, RARITY, FLUTTERSHY, APPLEJACK, and PINKIE PIE.

1 RARITY

What filter are you going to use, darling?

2 SUNSET SHIMMER

I was thinking about going hashtag no filter.

All the girls except Applejack GASP in shock.

3 APPLEJACK

Not to sound like Granny Smith, but why do y'all care so much about a filter-- all it does is make a new picture look old!

4 RARITY

Oh no no no-- sweetheart-- no... they're so much more.

Rarity saunters up, swiping SS's screen to add a filter.

5 RARITY (CONT'D)

You can model the latest trend with "*shape-chic*."

PHONE POV: The girls are all wearing stylish shape outfits-- triangle, circle, AND SO ON.

6 APPLEJACK

I'd never wear a dodecahedron.

AJ still looks skeptical while Fluttershy swipes the pic.

7 FLUTTERSHY

If you're missing your friends, try "*Flora/Fauna*."

PHONE POV: Forest animals hop around at their feet.

Rainbow Dash runs up to SS and swipes again.

8 RAINBOW DASH

Check it out:

PHONE POV: CHEERING CROWDS surround the girls, who hold instruments.

9 RAINBOW DASH (CONT'D)
We're in a band!

10 APPLEJACK
We do that already.

A MONTAGE OF FILTERS, with their names called out:

11 FLUTTERSHY
"Fish-eye."

PHONE POV: Fish-eye lens distortion.

12 RARITY (O.S.)
"Birds-eyes."

PHONE POV: Normal lens, but now they have normal-sized human eyes.

13 RAINBOW DASH (O.S.)
"Normal hair."

PHONE POV: Everyone has RD's hair.

14 RAINBOW DASH (CONT'D)
You guys look great.

Then a new filter:

15 SCI TWI (O.S.)
"Watson."

PHONE POV: White lines/figures measuring out the world.

16 FLUTTERSHY (O.S.)
"Bigfoot-Blurry-in-the-Background."

PHONE POV: Nothing at first, then... blurry bigfoot, blurry, lumbers through the b.g.

17 MANE 7 / FLUTTERSHY
(when they see Bigfoot)
Ohhhhhhhhh. / Looks just like him.

Then a new filter:

18 RAINBOW DASH (O.S.)
Ponét!

PHONE POV: They're ponies a la MLP.

MONTAGE ENDS as Pinkie Pie springs forward, shoving her phone into SS's hand...

19 PINKIE PIE
My turn! My turn!

Applejack's eyes widen.

PHONE POV: Pinkie Pie is shooting a confetti canon in an elaborate party scene. There are so many balloons, cakes and decorations that the festival grounds can't even be seen.

The girls all gather around to "ooh" and "ahh."

20 SUNSET SHIMMER
This one is awesome!

21 FLUTTERSHY
That cake looks delicious.

22 APPLEJACK
I'll say! What's this filter
called, Pinkie Pie?

23 PINKIE PIE
What filter...?

The girls exchange a look, then slowly turn around...

REVEAL: the party is there for real.

Pinkie Pie blows a NOISEMAKER and we CUT TO BLACK.

THE END.
