Second Draft 9/15/17

EXT. MUSIC FESTIVAL - DAY

SUNSET SHIMMER poses for a selfie with RAINBOW DASH, RARITY, FLUTTERSHY, APPLEJACK, and PINKIE PIE.

1 RARITY
What filter are you going to use,
darling?

2 SUNSET SHIMMER
I was thinking about going hashtag
no filter.

All the girls except Applejack GASP in shock.

3 APPLEJACK
Not to sound like Granny Smith, but
you mind explainin' what's so dang
special about a filter?
(ahem)
...Starting with what one is, cause
I got nuthin.

Rarity saunters up, swiping the photo on SS's phone.

4 RARITY
You can model the latest trends.
Trés chic, non?

PHONE POV: The girls are all wearing stylish outfits, hats
and accessories.

5 APPLEJACK
But they're not real...

Rainbow Dash runs up to SS and swipes again.

6 RAINBOW DASH
You can be anyone you want!

PHONE POV: CHEERING CROWDS surround the girls, who hold
instruments.

7 RAINBOW DASH (CONT'D)
Instant Rock Stars!

8 APPLEJACK
We do that already.

AJ still looks skeptical while Fluttershy swipes the pic.

9 FLUTTERSHY
If you're too shy to ask for a
picture with a band you like...

PHONE POV: The girls are posing with a cool band. *

10 APPLEJACK
But wouldncha rather meet 'em for
real? *

Pinkie Pie springs forward, shoving her phone into SS's hand. *

11 PINKIE PIE
My turn! My turn! *

Applejack's eyes widen. *

PHONE POV: Pinkie Pie is shooting a confetti canon in an elaborate party scene. There are so many balloons, cakes and decorations that the festival grounds can't even be seen.

The girls all gather around to "ooh" and "ahh." *

12 SUNSET SHIMMER
This one is awesome! *

13 FLUTTERSHY
That cake looks delicious. *

14 RAINBOW DASH
I'll say! Where'd you get this
filter, Pinkie Pie...? *

15 PINKIE PIE
What's a filter? *

The girls exchange a look, then slowly turn around... *

REVEAL: the party is there for real. Tentatively... Applejack accepts a slice of cake on a plate from Pinkie Pie, then tastes it. *

16 APPLEJACK
Now this is a hashtag I can
SnapGab!
(another mouthful)
So what filter'd you decide on? *

Sunset, Fluttershy and Rarity look at each other, then-- *

17 SUNSET SHIMMER
Who cares...! *

Sunset puts her phone away as they all put on party hats and get cake. Pinkie Pie blows a NOISEMAKER and we CUT TO BLACK. *

THE END. *
