EXT. VIP AREA - DAY

SUNSET SHIMMER films herself from her cell phone.

1 SUNSET SHIMMER
Hey everybody! Sunset Shimmer here
with your BTS look at the VIP life.
Translation...?

She holds up a VIP badge and points to a lounge area.

2 SUNSET SHIMMER (CONT'D)
We're going backstage with some
Very Important People.

<EXCITING MUSIC RAMPS UP> and we--

SMASH CUT TO:

INT. LOUNGE AREA - MOMENTS LATER

Sunset approaches a FANCY COUCH--

3 SUNSET SHIMMER
Need a break? Why not sit down with
other celebs like... that guy,
and... excuse me, I was going to
sit there...? Hello?

Some guy looks up from a book, shrugs. She spots an open seat
nearby and makes her way over only to have someone sit down
in front of her. She tries another approach-- someone else
sits down. She waits. No one moves.

4 SUNSET SHIMMER (CONT'D)
(pulls herself together)
That's okay, plenty more to do
backstage!

CUT TO: a table full of extravagant gift bags.

5 SUNSET SHIMMER (CONT'D)
First perk of the VIP treatment?
Swag!

Sunset grabs a bag and opens it.

6 SUNSET SHIMMER (CONT'D)
Nothing beats free...
(slightly disappointed)
Socks...?

She glances at camera, self-conscious...

7 SUNSET SHIMMER (CONT'D) *
 (regaining some *
 excitement) *
Woah! Free socks! Rock on! ...I *
guess I'll just... put them on... *

Sunset fumbles to get her shoe off while still holding the *
sock, and she clumsily stumbles out of frame. *

8 SUNSET SHIMMER (CONT'D) *
...VIP, comin' through! Ahh! *

<O.S. CRASH>! Moments later she hops back into frame, in new *
socks, stretching her arms like nothing happened. *

9 SUNSET SHIMMER (CONT'D) *
Check it out! The world-famous *
green room where all the bands warm *
up before the show. Any guesses on *
who we'll see...?! *

INT. GREEN ROOM - MOMENTS LATER *

Sunset Shimmer swings open the door to reveal... the room is *
completely empty. *

10 SUNSET SHIMMER *
Are you kidding me?! Is this even-- *
who's in charge here!? ...Can't a *
girl catch a break? *

Sunset flops onto a cushy chair. On the wall behind her is a *
LARGE POSTER OF ONE OF THE BANDS. Sunset inspects her pass. *

11 SUNSET SHIMMER (CONT'D) *
I can't believe I thought this *
would be cool. <LONG SIGH>. *

Sunset puts her head in her hands, just as the door opens and *
THE SAME BAND FROM THE POSTER walks by en route to the stage! *

12 BAND MEMBER *
Hey, cool socks. *

13 SUNSET SHIMMER *
 (head in hands) *
Whatevs. *

The band member shrugs and follows the others out. <O.S. *
CROWD GOING NUTS SOUNDS>. As Sunset looks up, confused... *

END OF EPISODE.
