INT. RARITY'S ROOM - DAY

RARITY adjusts her computer cam, sitting amidst racks of clothes. All girls film themselves using computer cams.

1 RARITY
Darlings, some may say that the most important part of a music festival is, well, music, but to me... it's FASHION!

RUNWAY MUSIC plays and Rarity model struts toward camera.

2 RARITY (CONT'D)
New York... London... Paris...
Applejack's Farm...

INT. APPLEJACK'S BARN - CONTINUOUS

APPLEJACK wears stylish but heavy duty cowboy boots.

3 APPLEJACK
Lookin' yer best at the festival is essential, but so is keeping your feet protected.

Applejack wanders into the pigpen.

4 APPLEJACK (CONT'D)
There. Will. Be. Mud.

She takes a sip of a milkshake.

INT. FLUTTERSHY'S ROOM - CONTINUOUS

Fluttershy sits in her window braiding a flower crown from blooms on the trees outside.

5 FLUTTERSHY
Take a look outside your closet to find something stylish to wear, it might be right by your window!

Off screen, BABY BIRDS CHIRP in despair!

6 FLUTTERSHY (CONT'D)
Oh no, those little ones need help!

FS puts on her flower crown and climbs out the window, disappearing off screen for a second before returning, birds' nest in hand. She carefully adds the nest to her hair piece.

7 FLUTTERSHY (CONT'D)
Nature is always in fashion!

The birds chirp happily.

INT. PINKIE PIE'S ROOM - CONTINUOUS

PINKIE PIE sits calmly, only her face on screen.

8 PINKIE PIE
(calm, serious)
There is only one style you need to
pack for music festival weekend.

She BURSTS out of a pile of clothes, head to toe in glitter.

9 PINKIE PIE (CONT'D)
GLITTER!!! Glitter everywhere!!

She pops the confetti canon, and more glitter rains down.

INT. RAINBOW DASH'S ROOM - CONTINUOUS

RAINBOW DASH dons a sweatband and matching wristbands.

10 RAINBOW DASH
Who cares what you wear, so long as
it gives you the range of motion to
show off your sweet moves!

RD busts a move.

11 RAINBOW DASH (CONT'D)
Dance good. Look good.

INT. SUNSET SHIMMER'S ROOM - CONTINUOUS

SUNSET SHIMMER wears her usual leather jacket.

12 SUNSET SHIMMER
Can't go wrong with a classic.

She pops the collar and spins around.

INT. SCI-TWI'S ROOM - CONTINUOUS

SCI-TWI is wearing a fanny pack and an ambiguous band tee.

13 SCI-TWI
I'm Sci-Twi with the last word in
festival fashion, and that word
is... responsibility!

She unzips her fanny pack and pulls her supplies out.

14 SCI-TWI (CONT'D)
Earplugs in case you're close to
the speakers... a reusable water
bottle... flashlight and compass in
case you get lost... spare
batteries, no explanation needed
there... and of course, the t-shirt
of the band you're going to see!

She points at her t-shirt.

SPLITSCREEN - ALL GIRLS' ROOMS - CONTINUOUS

They all stare in horror.

15 APPLEJACK
Sci-Twi! You can't wear the shirt
of the band you're seeing. Even I
know that's a fashion faux pas.

16 RARITY
I think we'll have to re-do that
last bit...

INT. SCI-TWI'S ROOM - CONTINUOUS

17 SCI-TWI
So no to the on-the-nose band
tee... but what about the fanny
pack?

SPLITSCREEN - ALL GIRLS' ROOMS - CONTINUOUS

All the girls give big smiles and thumbs up.

18 RARITY
The fanny pack is in, darlings!

The girls all cheer!

END OF EPISODE.
