ON A COMPUTER SCREEN:

In a SKYPE-ESQUE WINDOW, RARITY struts in her bedroom.

1 RARITY
Some say the best part of a music
festival is music, but to me...
it's FASHION!

THE VIDEO CUT TO APPLEJACK'S BARN (KEEPING RARITY IN A CORNER THUMBNAIL): where AJ wears stylish but heavy duty boots.

2 APPLEJACK
An old pair of cowboy boots'll keep
you from steppin' in a steaming
pile of... fashion emergency.

3 RARITY
Disgusting.

4 APPLEJACK
Agreed.

CUT TO FLUTTERSHY'S BEDROOM (KEEPING RY IN CORNER).
FLUTTERSHY braids a flower crown of tree blooms on her head.

5 FLUTTERSHY
If you've got hang-ups with
hangers, look for style right
outside your window!

She reaches outside, then adds a nest to her hair piece. Baby
birds <PEEP PEEP> inside it.

6 RARITY
I believe they're "famished for
fashion."

7 FLUTTERSHY
Actually they do want me to
regurgitate worms into their beaks--

8 RARITY
(cutting her off, trying
to move on)
--Innovative. Who's next!?

CUT TO: RAINBOW DASH AT PRACTICE! RAINBOW DASH busts a move
in a sweatband and wristbands.

9 RAINBOW DASH
Make sure you can move-- whether
you're dancing at the festival or
after a hat trick--

She kicks the ball right in the goal.

10 RARITY
Touchdown!

11 RAINBOW DASH
That's not what it's ca--

CUTTING HER OFF, CUT TO SUNSET SHIMMER LEANING AGAINST HER LOCKER: She spins and pops the collar on her usual jacket.

12 SUNSET SHIMMER
Can't go wrong with a classic.

CUT TO: PINKIE PIE'S ROOM. PINKIE PIE looks calm and serious, only her face on screen.

13 PINKIE PIE
Classic? You mean like--
(popping confetti canon)
CONFETTI!!! Confetti everywhere!!
(with a <NOSTALGIC SIGH>)
...Classic Pinkie Pie.

CONFETTI CANNONS GO OFF IN RARITY'S ROOM TOO, startling her with a <YELP>!

14 PINKIE PIE (CONT'D)
Sorry...!

FINALLY WE CUT TO: SCI-TWI'S ROOM. She wears a neon-yellow fanny pack and a T-shirt of a band.

15 SCI-TWI
You know what's always in style?
Personal responsibility.
(pulling out items)
Earplugs for high decibel situations. A water bottle, flashlight and compass in case you get lost, the other kind of compass in case you need to draw circles...

SILENCE. A long beat. Then...

16 RARITY
Annnd there you have it my loves.
At the end of the day, it's always in fashion to be utterly yourself.

All the girls smile and wave from their various thumbnails.

17 RARITY (CONT'D)
See you at the festival!

END OF EPISODE.
