ON A COMPUTER SCREEN:

In a SKYPE-ESQUE WINDOW, RARITY struts in her bedroom.

1 RARITY
Some say the best part of a music
festival is music, but to me...
it's FASHION!

THE VIDEO SUDDENLY SPLITS-SCREEN, ADDING APPLEJACK'S BARN:
where APPLEJACK wears stylish but heavy duty cowboy boots.

2 APPLEJACK
An old pair of cowboy boots'll keep
you from steppin' in a steaming
pile of... fashion emergency.

3 RARITY
Disgusting.

4 APPLEJACK
Agreed.

SPLIT SCREEN INTO THIRDS, ADDING FLUTTERSHY'S BEDROOM.
FLUTTERSHY braids a flower crown of tree blooms around her
head.

5 FLUTTERSHY
Peek outside your closet, style
might be right beside your window!

She reaches outside, then adds a nest to her hair piece. Baby
birds <PEEP PEEP> inside it.

6 RARITY
I think they're saying "Nature is
always in fashion."

7 FLUTTERSHY
Actually they want me to
regurgitate worms into their beaks.

8 RARITY
--WHO'S NEXT!? Someone else, please?

SPLIT SCREEN AGAIN! RAINBOW DASH AT PRACTICE! RAINBOW DASH
busts a move in a sweatband and wristbands.

9 RAINBOW DASH
Who cares what you wear, so long as
you can show off your sweet moves!

She kicks the ball right in the goal.

10 RARITY *
Touchdown! *

Everyone looks at her, but before they can say anything-- *

SPLIT SCREEN AGAIN, ADDING SUNSET SHIMMER LEANING AGAINST HER *
LOCKER: She spins and pops the collar on her usual jacket. *

11 SUNSET SHIMMER *
Can't go wrong with a classic. *

SPLIT SCREEN AGAIN, ADDING PINKIE PIE'S ROOM. PINKIE PIE *
looks calm and serious, only her face on screen. *

12 PINKIE PIE *
Can't go wrong with that other *
classic, either-- *
(popping confetti canon) *
CONFETTI!!! Confetti everywhere!! *

CONFETTI CANNONS GO OFF IN EVERYONE ELSE'S ROOMS TOO, *
startling them all with <YELP WALLA>! *

13 PINKIE PIE (CONT'D) *
Sorry...! *

FINALLY WE SPLIT ONE LAST TIME ADDING SCI-TWI'S ROOM. She *
wears a neon-yellow fanny pack and a T-shirt of a band. *

14 SCI-TWI *
You know what's always in style? *
Personal responsibility. *
(pulling out items) *
Earplugs for high decibel *
situations. A water bottle, *
flashlight and compass in case you *
get lost, the other kind of compass *
in case you need to draw circles. *
And of course... the t-shirt of the *
band you're going to see! *

SILENCE. The others stare in horror. Then... *

All the girls ZIP out of frame and we hear <CARS STARTING>. *
Sci Twi waits awkwardly through the silence that follows, *
then suddenly <FOOTSTEPS> and <DOOR OPENING SOUND> *

...and then everyone runs into her frame! Within moments, *
they've dressed Sci Twi a combination of their ideas. *

15 SCI-TWI (CONT'D) *
Fashion crisis averted! *

END OF EPISODE.
