SUNSET SHIMMER

(VERSE1)

*It's alright, yeah, I'm walking right
beside you
I feel the way, feel the way that you
do, too
Oh I, can't lie, sometimes*

*Everything feels like it's just too much
But you gotta let it in, even if it's
tough
Know it gets better, know it gets better
We can push though the weather, weather*

CHORUS

*Let it rain, yeah yeah,
Let it rain, yeah, yeah
Don't be afraid, of walls coming down
Sometimes it hurts, you'll figure it out
Let it rain, rain, Let it rain*

VERSE2

*It's ok, there's beauty in the breakdown
There's sun behind those gray clouds,
you know
I can't lie, It's alright*

*When everything feels like it's just too
much
But you gotta let it in, even if it's
tough
Know it gets better, know it gets better
We can push though the weather, weather*

CHORUS

*Let it rain, yeah yeah
there's beauty in the breakdown

Let it rain, yeah, yeah
Don't be afraid, of walls coming down
Sometimes it hurts, (but) you'll figure
it out
Let it rain, rain
there's beauty in the breakdown
Let it Rain, Let it Rain*
