Sunset's CALLER SWITCHBOARD is getting busier, and she moves switches and plugs around quickly.

14 MICRO CHIPS
Some friends and I are building a dance robot. It looks like an ugly toaster and nobody's gonna want to dance with it! They're not taking my style suggestions seriously!

This sounds like a simple case of speaking up. As we say on the farm: The chickens can't hear ya if you don't make a peep!

16 MICRO CHIPS
You're right. I'll tell them to stop worrying about the robot malfunctioning and start worrying about style!

Good on ya, Micro Chips! I mean "Super Drive"!

A somewhat disheveled Sunset is struggling to stay on top of her caller switchboard, which is lighting up even more.

22 RARITY (O.S.)

Hello darling. I made the outfits for the Slam Poetry Showdown but someone says it's "too fancy" and "totally not my style, man." I'm all about personal style, but I can't imagine he desires to look like a total ruffian!

At the end of a long day haulin' hay, all you have is yer integrity. You might need to hang your hat on this one and walk away.

24 RARITY (O.S.)

Hang your hat. Interesting. I think I know what you mean.

Sunset's caller switchboard is lighting up like crazy. She is struggling to stay on top of it, moving cords around and plugging things into different slots. She's overwhelmed, until Applejack picks up the line herself.

You're on the air with AJ. Go!

25A 9AB

Sunset motions to AJ not to pick up.

SPLIT SCREEN with mad Trixie. <LOUD, ANGRY WALLA> in the BG.

26 TRIxie

Um, your advice was horrible and now the entire school is in ruins. Thanks for nothing, AppleQUACK!

27 APPLEJACK

Pardon? It's kinda hard to hear ya?

Trixie hangs up, as Sunset Shimmer looks into the hallway.

28 SUNSET SHIMMER

Uh, Applejack. You should see this.

INT. CANTERLOT HIGH - HALLWAY

It's MASS CHAOS. SANDALWOOD wears an outfit that's way too fancy for slam poetry as Rarity places a BERET with a feather on his head.

28A 10

Micro Chips and OTHERS fight over the DANCE ROBOT, which is sparking and going haywire.

29 SUNSET SHIMMER

Should we get you back into the booth and fix this with some more advice?

30 APPLEJACK

I reckon I'll be hanging up my hat on the whole advice thing. When you give it in the dark, you don't have all the facts, and that might not be the best idea. Let's get outta here and go get some ice cream!

31 SUNSET SHIMMER

That's the best advice you've given all day!

As they exit, we IRIS OUT.

THE END.
