SET UP

INT. SCHOOL HALLWAY - DAY

FLUTTERSHY
What do you mean, you failed?

SUNSET SHIMMER
(groans)
Mr. Cranky Doodle said I didn't have enough experience to pass the driving test. I have a retest on Monday, but it's my last chance and...

SUNSET SHIMMER (cont'd)
He wants me to practice with someone more experienced.

RARITY
Oh, pfft, darling, is that all? I can take you any time you like!

APPLEJACK
Don't fret your fritters! I can borrow Granny's truck!

FLUTTERSHY
We could use my car.

SUNSET SHIMMER
Well, I guess I'll go with...

ENDING A: RARITY

EXT. CANTERLOT HIGH PARKING LOT - DAY

SUNSET SHIMMER
Huh?

RARITY
Isn't it fabulous? I rented it for the day. If you're going to study driving, you must do it in style. I call it stretch-chic.

INT. LIMO - MOMENTS LATER

RARITY
Now, just a few things that you
absolutely must know.
(off Sunset ready to write)
Always have both sparkling and still
water-- you never know which one
your passengers will prefer. Never
play the music too loud, or too
soft, it has to be just enough that
their heads bob, but not so much
that they cover their ears. And
finally, always have your lights on
the ready in case of an impromptu
party breaking out.

SUNSET SHIMMER
...Your headlights?

SUNSET SHIMMER (cont'd)
Rarity... I'm not going to prom. I'm
just trying to pass my driving test.

RARITY
Darling, can't we do both?

HARD CUT TO:

INT./EXT. LIMO/STREET - LATER

RARITY
Just a little bit-- oh! No, an inch
to the left--now, ooh, careful! The
shoulder, watch the shoulder...!

RARITY (cont'd)
Ooooh, driving can be stressful,
darling.

HARD CUT TO:

INT. DRIVERS' ED CAR - MONDAY

MR. CRANKY DOODLE
Not bad, Sunset. You completed the
left turn, the right turn, the U-

turn, and the K-turn. But now comes
the part where everyone fails:
parallel parking. Don't expect to--

SUNSET SHIMMER
--Done!

CUT TO:

MR. CRANKY DOODLE
Where on earth did you learn to do
that?!

SUNSET SHIMMER
(smiling)
Mm, I just had to "stretch" my
talents.

MR. CRANKY DOODLE
...I don't get it.
(sigh)

IRIS OUT.

ENDING B: APPLEJACK

EXT. APPLEJACK'S FARM - DAY

SUNSET SHIMMER
Thanks for helping me out,
Applejack!

APPLEJACK
Think nothin' of it! I've been
looking for a reason to take a spin
in the ol' jalopy.

GRANNY SMITH
Who are you callin' a jalopy?!

INT. BARN - MOMENTS LATER

SUNSET SHIMMER
(coughing)

GRANNY SMITH
See? Like she's fresh off the lot!

APPLEJACK
Hoo, I can't believe she's still in
such good condition!

SUNSET SHIMMER
(coughing)
Er, she's something, alright!

GRANNY SMITH
You girls ready for the ride of your
lives?

INT. JALOPY - MOMENTS LATER

GRANNY SMITH
Now, the first thing you ought to
know is...

GRANNY SMITH (cont'd)
Be prepared.

SUNSET SHIMMER
.....to fail?

GRANNY SMITH
For anything.

APPLEJACK
(grunts)
Alright, Sunset-- use that wrench to
loosen the bolts and we'll get this
tire replaced in two shakes of an
apple tree.

SUNSET SHIMMER
(laughing)
And what if I don't have you and
Granny Smith around?

APPLEJACK
Well...

HARD CUT TO:

INT. DRIVERS' ED CAR - MONDAY

MR. CRANKY DOODLE
 Oh this is unfortunate.
 (no idea how to do this...)
 Of course, I know how to change a
 tire, but ah, I wouldn't want you
 waiting around, so I guess... you
 fail? Is that fair? Hmmm...

SUNSET SHIMMER
 Not to worry, I know exactly what we
 need.

MR. CRANKY DOODLE
 You do?

SUNSET SHIMMER
 An APPLE jack.
 (laughs)

IRIS OUT.

ENDING C: FLUTTERSHY

EXT. ANIMAL SHELTER/PET STORE - DAY

FLUTTERSHY
 Sunset! Over here!

SUNSET SHIMMER
 Sweet ride, Fluttershy.

FLUTTERSHY
 In you go, miss kitty!

SUNSET SHIMMER
 Alright, I'm ready to clock some
 miles on this bad boy. Let's do
 this!

CUT TO:

INT. FLUTTERSHY'S CAR - MOMENTS LATER

FLUTTERSHY
 (soft, to herself)

It's the driving safety rhyme, start
 your trip with seat belt time. /
 Nine and three is where you'll be. /
 Adjust your mirror to see things
 clearer...
 / Check your little engine light to
 make sure that the trip's alright /
 The coolest drivers will admire--

SUNSET SHIMMER
 --Alright--!

FLUTTERSHY
 (trailing off)
 ...properly inflated tires...

SUNSET SHIMMER
 So! What are we learning first?
 Turns? Switching lanes? Parking?

FLUTTERSHY
 Oh, funny you should ask. I actually
 have a rhyme for that too...

HARD CUT TO:

INT. DRIVERS' ED CAR - MONDAY

MR. CRANKY DOODLE
 Now, Sunset, I know all this safety
 business might seem boring to you--
 and it is. But it's also...
 <SIGH>... important. Tell me, what
 do you do even before you start the
 car?

SUNSET SHIMMER
 Turn up the radioooooo-- not that.

SUNSET SHIMMER (cont'd)
 It's the driving safety rhyme, start
 your trip with seatbelt time / Nine
 and three is where you'll be /
 Adjust your mirror to see things
 clearer...

MR. CRANKY DOODLE
 Very nice.

(trying to rhyme too)
If you're driving's / as good as
your rhymin's, / I'm sure you'll do
just fine...in's.

SUNSET SHIMMER
I had some help from the best / Now
it's time to pass this test.

MR. CRANKY DOODLE
Just start the car.

IRIS OUT.
