SET - UP**INT. AUDITORIUM - NIGHT****INT. BACKSTAGE - CONTINUOUS**

AUDIENCE
(clapping)

APPLEJACK
Whew-wee! What's the lowdown on the
after-party hoedown? I'm ready to
throw down!

RAINBOW DASH
Is it gonna be the best night ever,
or what?

AB/SB/SCOOTALOO
S'pose so./Perhaps.

RARITY
Whatever is the matter, girls? I
thought you were excited for this
soirée!

SWEETIE BELLE
We were! We even put together a
super special slideshow of all the
great memories we made while doing
the play.

SCOOTALOO
But Mr. Cranky Doodle says parties
are not an "appropriate
appropriation of his expensive
projector."

RAINBOW DASH
Maybe one of us can turn that heart
of coal... into a diamond.

ENDING A: APPLEJACK

INT. CRANKY DOODLE'S CLASSROOM - NIGHT

APPLEJACK
If he's gonna be stubborn about it,
so can we.
(then, to Cranky D)
Hey there, Mr. Cranky Doodle. I
heard you won't let us borrow your
projector for our party.

CRANKY DOODLE
You heard right.

APPLE BLOOM
Ooooooh, she's going to have a good
ol' fashioned "stubborn-off."

SCOOTALOO
(gasps)

APPLEJACK
I'm askin' nice.

CRANKY DOODLE
The answer's no.

APPLEJACK
Not leavin' without it.

CRANKY DOODLE
You're gonna be here a while.

APPLEJACK
Fine by me.

CRANKY DOODLE
Talking overnight.

APPLEJACK
Got a sleeping bag.

CRANKY DOODLE
Floor's not comfortable.

APPLEJACK
Air mattress too.

CRANKY DOODLE
You'll hyperventilate.

APPLEJACK
Got an air pump.

CRANKY DOODLE
Won't let you plug it in.

APPLEJACK
Foot-powered.

CRANKY DOODLE
You'll get a cramp.

APPLEJACK
Eat bananas for potassium.

CRANKY DOODLE
They're. Not. In. SEASON.

APPLEJACK
You're right. I can admit when I'm
beat.

CRANKY DOODLE
HA!

INT. BAND ROOM - LATER

CROWD WALLA
(laughing)

RAINBOW DASH
Great party, you guys!

CROWD WALLA
Woo hoo/Oh my God/Ha ha ha

CRANKY DOODLE
HEY!

CRANKY DOODLE (CONT'D)
Thanks for finding my flashlight.

CRANKY DOODLE (CONT'D)
I've missed this.

CROWD WALLA
(laughing)

IRIS OUT.

ENDING B: RARITY

INT. BACKSTAGE - CONTINUOUS

RARITY
Don't worry girls. In the fashion industry there is no room for compromise, and I happen to be an excellent negotiator.

INT. CRANKY DOODLE'S CLASSROOM - NIGHT

RARITY
Good evening, Mr. Cranky Doodle.

CRANKY DOODLE
Oh, hello Rarity.

RARITY
I am here representing the Cutie Mark Crusaders. I understand you are denying them the use of a projector?

CRANKY DOODLE
Yes. My projector.

RARITY
Let the record show that Mr. Cranky Doodle has identified the projector in question.

RARITY (CONT'D)
So if I'm understanding you correctly, this is your projector?

CRANKY DOODLE

Yes!

RARITY

And you take it home with you when the school day ends?

CRANKY DOODLE

Well no, I can't do that--

RARITY

(playing dumb, leading him along)
Hmm, that's right.

(MORE)

RARITY (CONT'D)

You can't do that, can you? In fact, this projector cannot leave the school premises.

RARITY (CONT'D)

Because it isn't your projector at all. It is the property of Canterlot High School, a public school, funded by hardworking taxpayers such as Applejack and myself. So technically is this not the taxpayers' projector? My projector?! APPLEJACK'S PROJECTOR?!

CRANKY DOODLE

Uh...

RARITY

Therefore, did you not LIE under oath when you identified it as your own?!

CRANKY DOODLE

I didn't take an oath! You're out of order!

RARITY

This whole projector situation is out of order! I'm confiscating it as evidence!

CRANKY DOODLE
WAIT!
(tense beat)
It's expensive and it could be
damaged if not cared for properly.
(quick)
Also, I pay taxes too.

RARITY
You're saying you'd feel more
comfortable if someone were there to
supervise it...?

INT. BAND ROOM - LATER

SWEETIE BELLE
We did it!

RARITY
Delighted we could reach a
settlement. In exchange for the
projector, he could attend the party
to "supervise said projector."

CROWD WALLA
(clapping/laughing)

IRIS OUT.

ENDING C: RAINBOW DASH

INT. CRANKY DOODLE'S CLASSROOM - NIGHT

CRANKY DOODLE
Wrong. Wrong. Right, but...

SCOOTALOO
Mr. Cranky Doodle, come quick!
There's a full blown math emergency
backstage!

CRANKY DOODLE
A Mathmergency!?

APPLE BLOOM
Sweetie Drop's fixin' to take the
square root of negative one!

CRANKY DOODLE
It's worse than "i" could have
imagined!
(then, stopping to explain)
I say "i" and "imagined," because...

RAINBOW DASH
I'm just gonna borrow this.

INT. BAND ROOM - LATER

CROWD WALLA
(laughing)

RARITY
(sighs)
Looks like they threw a splendid
party after all.

RAINBOW DASH
They just needed a little coaching.

RARITY/RAINBOW DASH
(laughing)

RARITY
Where are those girls, anyway?

CUT TO:

INT. BACKSTAGE - CONTINUOUS

SCOOTALOO
Uh, we gotta get back to...

CRANKY DOODLE
Ah, ah, ah! Here's where the problem
really shifts into high gear.
(MORE)

CRANKY DOODLE (CONT'D)
Take that solution and plug it into
this function and the square root of
the sum of the second prime number
divided ...

CUT TO BLACK.
