SET UP**EXT. OUTDOOR STAGE - DAY**

FADE IN on ABSTRACT LIGHTS as DJ PON-3 FADES UP THE JAM:

A bouncy summery BEAT a la "Light It Up (Remix)" by Major Lazer. [LINK: www.youtube.com/watch?v=r2LpOUwca94&t=1m38s]

TRIPPY VISUALS play on the stage's two HUGE SCREENS. In the zone, DJ Pon-3 hits keys on her backlit DJ trigger pad.

Down in the blur of the crowd, The MANE 7 weave their way forward, hands linked in a chain, to find a spot near the front next to BIG MAC. Sunset and Fluttershy geek out.

1 SUNSET SHIMMER
How crazy is DJ PON-3 playing
Starswirl!? Her new song rules!

2 FLUTTERSHY
(trying to own it)
It's a true "banger!"

3 BIG MAC
Eee-yup!

QUICK CUTS as the beat INTENSIFIES: DJ PON-3 adjusts knobs at lightning speed. Sunset Shimmer does the robot. ON THE STAGE'S SCREENS: Trippy VISUALS flash. Big Mac fist pumps while Fluttershy bops along. DJ PON-3 revolves her record platters.

The levels bump, RISING, as the beat builds to a CRESCENDO!

4 SUNSET SHIMMER
(yelling over the song)
The beat's about to drop--! WOAH!

And then a soft BOOM, as a SPOTLIGHT shines on just the three of them: Sunset, Fluttershy, and Big Mac, who stop dancing, frozen in the silence... confused.

DJ PON-3 hits a button on her trigger pad:

5 SAMPLE VOICE (O.S.)
*Wh-wh-who's gonna drop that b-b-b-b-
b-b-beat (beat... beat... beat...)?*

6 FLUTTERSHY
(soft, to DJ PON-3)
Are you... asking for help? Or is
that part of the song...?

DJ PON-3 points at them one, two, three times, then mimes a shrug, tapping her deck again--

7 SAMPLE VOICE (O.S.)
*Wh-wh-who's gonna drop that b-b-b-b-
b-b-beat (beat... beat... beat...)?*

8 SUNSET SHIMMER
(in awe, slowly getting it...)
I think one of us gets to help her
finish the song...!

9 FLUTTERSHY
Then we should hurry, because this
is getting awkward.

While DJ-PON3 waits to the sound of <AWKWARD AUDIENCE
COUGHING>, Three options appear: Sunset Shimmer, Fluttershy,
and Big Mac.

ENDING A: SUNSET SHIMMER

EXT. MAIN STAGE - NIGHT

The crowd <CHEERS> as Sunset plugs her phone into DJ PON-3's
deck. ON SUNSET'S PHONE: An 8-bit inspired game loads: PRESS
START?

10 SUNSET SHIMMER
Wanna play...?

DJ PON-3 smirks and nods. As Sunset touches the screen, a
blitzed out 8-bit beat drops. [REF: "Endless Fantasy" by
Anamanaguchi, www.youtube.com/watch?v=euTyRhngFtA&t=1m2s]

ON the STAGE SCREEN, neon lines cut through the blackness,
not unlike *Tron*. Suddenly, Sunset Shimmer materializes in
this digital world. Sunset runs through the DIGITAL NEON
LANDSCAPE. She jumps over crevasses in time with the music.

THREE AGGRESSIVE SPHERICAL "ENEMIES" roll her way. She runs
and jumps on them like goombas, bouncing as she goes--

BOOP!

BOOP!

11

BOOP!

-- in time to the music.

Grabbing a VINE, she SWINGS to reach an even higher platform! She lands in an epic pose. Next level.

REVEAL a shimmering GEM high in the sky, with FLOATING PEDESTALS leading to it. But when she steps on one, it VANISHES and she FALLS back to the platform.

She looks up at the gem-- how will she ever reach it?!

BACK ON STAGE: DJ PON-3 keys her DJ trigger pad. As its COLORS FLASH--

The same colors FLASH in the digital world: Fluttershy and Big Mac materialize.

The epic chiptune song builds as Big Mac grabs an enemy, jumps on a platform and THROWS it! Before he falls--

-- Fluttershy BOOPS on top of the enemy, throwing ANOTHER--!

-- which Sunset then BOOPS, getting enough air to GRAB THE GEM!

She lands back on the platform next to Big Mac and Fluttershy.

PIXILATED FLASHES as a SHIMMERING SONIC FINALE brings us back to reality-- the flashes are coming from the crowd taking pictures. Sunset turns her phone to the crowd and takes a pic of them with a final BLIP-BLIP-BLIP!

CUT TO BLACK.

ENDING B: FLUTTERSHY

EXT. MAIN STAGE - NIGHT

Bashful, Fluttershy touches her geode and hands her flower crown to Sunset Shimmer.

12 FLUTTERSHY
Would you mind holding my flower
crown? This beat's about to get
wild. Awoooo!

Two adorable WOLF PUPS jump on stage and <HOWL>. DJ PON-3 hurriedly turns the microphone their way and hits RECORD.

She samples and layers the howls. [REF: "Bird Machine" by DJ Snake, www.youtube.com/watch?v=R3QAH1bUHDY&t=1m36s].

The wolf pups chase each other around the stage, like Spy vs. Spy. The song scores their spirited pursuit as they figure 8 around Fluttershy's legs, CONKING into each other.

ON SCREEN: A MOON pulsates with the bass.

In the crowd, Pinkie Pie, Rainbow Dash, Applejack dance when out of nowhere a pup BOUNDS across their heads-- moments later followed by the second.

DJ PON-3 is mixing her record platters when a pup jumps on the deck, adding a little DJ flair of his own as he skedaddles away from the other pup.

Sunset Shimmer dances, turning to Fluttershy.

13 SUNSET SHIMMER
This song is nuts!

Just then, four squirrels run across DJ PON-3's booth. She cues them-- 1, 2, 3, 4 as they drop NUTS to the beat.

A trio of BIRDS flies past Fluttershy and up to DJ PON-3, <TWEETING>. She turns the mic their way, raising the levels.

ON SCREEN: The moon flashes different colors, spinning. The birds fly in front of the screen, circling in the opposite direction. Their <CHIRPS> and <WARBLES> get mixed into the beat.

At the final <HOWL>, Pinkie Pie, Rainbow Dash, and Applejack "howl" in tableau like a "three wolf moon." As the song ends they <LAUGH> and <CHEER>.

Fluttershy and DJ PON-3 each pick up a wolf pup as they run past. DJ PON-3 puts one on her record platter and it spins around in a circle. Fluttershy <GIGGLES>.

IRIS OUT.

ENDING C: BIG MAC

EXT. MAIN STAGE - NIGHT

The crowd <CHEERS O.S.> as DJ PON-3 holds the mic out to Big Mac. He's suddenly self conscious, scratching behind his ear.

Sunset Shimmer and Fluttershy exchange a worried glance as the crowd waits with baited breath. DJ PON-3 nods encouragingly. Finally he musters:

14 BIG MAC
...Eee-yup.

DJ PON-3 smirks and hits a button on her trigger pad. She sample's Big Mac's voice, mixing it into her song...

15 DJ PON-3'S SONG
Eee-ee-ee-ee-ee-ee-- Yup.

BOOM. A funky electro-country beat DROPS. [a la "Cotton Eye Joe" by Rednex, www.youtube.com/watch?v=VcDy8HEglQY&t=23s] Fiddles blend with bass for a country-techno hybrid.

In the crowd, Applejack leads a line dance with Rainbow Dash, Pinkie Pie, Sci-Twi and Rarity. As they dance, their percussive <STOMPS> get mixed into the beat.

DJ PON-3 adjusts the levels, nodding.

ON SCREEN: The sounds waves of the thumping bass pulse as an apple bounces atop it.

Big Mac grins, awkwardly doing a step-and-clap dance along to his catchphrase. Fluttershy and Sunset Shimmer back him up and he gains confidence, getting into it.

Our line-dancers pause in formation to nod their heads to:

16 DJ PON-3'S SONG (CONT'D)
Eee-yup.

Then they burst back into their dance.

Really feeling the beat now, Big Mac pulls out a washboard and starts playing along, building to the climax. DJ PON-3 leans over, putting some SUNGLASSES on him and holding out the microphone. Full swagger, he peeks over the shades and delivers the final, live--

17 BIG MAC
Eee-yup!

The crowd <CHEERS!> Big Mac grins.

IRIS OUT.
