SET UP**EXT. FESTIVAL GROUNDS - DAY**

Bright sun. Blue skies. Singing birds. RARITY, APPLEJACK, and SCI TWI stroll through the festival.

1 APPLEJACK
I'd call it a dang perfect day for--

2 RARITY
Maeve fringe!

3 APPLEJACK
Are they that washboard trio outta
desert country?

4 RARITY
Possibly, but I'm referring to my
Starswirl look.

Rarity shows off her purple, suede, fringed jacket. A gentle WIND blows, ruffling her fringe.

5 RARITY (CONT'D)
Ahhh, a cool breeze-- the ideal
accessory for fringe.

SUDDENLY, a shadow from above dims the girls' faces.

6 SCI TWI
That's strange. The next total
umbral solar eclipse isn't for
another three thousand days, and on
the other side of the world...

They look up and collectively <GASP>. Heavy rain clouds fill the sky. Three huge raindrops <SPLAT> onto Rarity's face.

7 RARITY
RAIN?!? But but but-- this will
absolutely devastate my look! And
by extension the whole festival,
not to mention the photos, the
conversation, and every day
memories for the rest of my life
when I have to recall this wretched
turn of the weather! Oh WHY, WHY,
WHYYYYY DID THIS HAPPEN?!

8 SCI TWI
Well you see when high pressure air
meets--

AJ shuts her up with a <WHIP-CRACKIN> hard look-- "not now."

9 APPLEJACK
Hey now, I got an idea...!

10 SCI TWI
Oh, me too!

CLOSE ON Rarity as she thinks about it...

11 RARITY
I suppose perhaps one of my friends
could salvage a modicum of good
from this living nightmare...

Three options appear: Applejack, Sci Twi, and Vignette (who is represented as a contact book picture on Rarity's phone).

ENDING A: APPLEJACK

EXT. MUDDY FIELD - DAY

CLOSE ON Applejack staring Rarity down like an army sergeant.

12 APPLEJACK
The Apple family has a saying,
"Rain's gonna happen, so make it
not so bad."

13 RARITY
Mhmm, that's beautiful, and why are
we standing in a icky mud puddle?

PULL WIDE to REVEAL they are ankle deep in mud.

14 APPLEJACK
For perspective. This isn't a mud
puddle; it's a treasure trove of
brown gold!

15 RARITY
Brown gold?

16 APPLEJACK
Mud bogs down tractors, but brown
gold gives ya...
(pulls out a WORM)
Fishing bait!
(Off RY's <YELP>)
...Mud's a pain in the pickle-
bucket, but brown gold...

Applejack tosses the worm and smears "brown gold" on her arm.

17 APPLEJACK (CONT'D)
What else does the trick when you
need to sneak up on pigs?

18 RARITY
Why ever would you need to sneak up
on a pig?

19 APPLEJACK
If you have to ask, you don't wanna
know.

20 RARITY
Well, I do not know any pigs to
sneak up on, so there is no reason
to cover myself in --
 (hears her own words)
Oh, that's brilliant...

CUT TO LATER: Rain pours down, but RY relaxes on a lounge in
a MUD MASK.

21 RARITY (CONT'D)
This "brown gold" is excellent for
the pores. Thanks, Applejack!

22 APPLEJACK
You sure you don't want to go
wormin'?

23 RARITY
 (putting CUCUMBERS on her eyes)
...Quite.

ENDING B: SCI TWI

EXT. FESTIVAL GROUNDS - TREE - LATER

It's officially raining. Sci Twi and RY huddle under a tree.

24 SCI TWI
For the last three weeks, I've been
brainstorming equipment to engineer
in the statistically probable case
of inclement weather, including but
not limited to a raincoat with a
water collection system, a self-
drying umbrella, and detachable
windshield wipers for eye glasses.

25 RARITY
Fabulous! Which ones did you make?

26 SCI TWI
None. I brought ponchos.

Sci Twi pulls two PONCHOS from her backpack.

27 SCI TWI (CONT'D)
Preparedness is the secret to a
good festival.

28 RARITY
I'd say a flower crown that
complements your eye color not a...
(fish guts on her tongue)
Pon-cho.
(thunder <RUMBLES>)
But I'll try preparedness.

Grimacing, Rarity reaches for the poncho as we CUT TO:

EXT. MAIN STAGE - FRONT ROW - LATER

As a band plays, Sci Twi, and Rarity wear their ponchos and
HAVE THE BEST TIME EVER, <CLAPPING> and <CHEERING>.

29 RARITY
This ugly poncho's a natural
fashion disaster, but I'm dry,
warm, and with you, having a
delightful time! I suppose it
doesn't matter if you look silly as
long as you're enjoying life. Just
promise me something:
(suddenly super-INTENSE)
ABSOLUTELY NO PHOTOS.

ENDING C: VIGNETTE

INT. VIP TENT - LATER

Reposing on boho-chic velvet day bed, Vignette SHUDDERS when
she answers Rarity's FACETIME-ESQUE VIDEO CALL.

30 VIGNETTE
(shocked whisper)
What did you do to your hair, Rare?

EXT. FESTIVAL GROUNDS - SAME

Rarity video-chats with rain-soaked hair. Intercut.

31 RARITY
What did *I* do? *I* would never. The
rain did it! The rain! THE RAIN!

VG twists hair around her finger (a la villainous mustache twirling) and stares at Rarity's hair.

32 VIGNETTE
...It's incredible.

33 RARITY
Bad incredible or good incredible?

CLOSE ON, Vignette, eyebrow raising up with AN IDEA:

34 VIGNETTE
"Hashtag rain-hair-don't-care."

35 RARITY
You're a genius! Vignette, thank yo-

<CLICK>. Vignette's already hung up. Rarity raises her phone for a selfie. Puts on a big smile. She <SNAPS> a shot.

EXT. FESTIVAL GROUNDS - LATER

Rarity hurries to catch up to Applejack and Sci Twi.

36 RARITY
Applejack! Twilight! Wait up!

AJ and Sci Twi turn, REVEALING wet hair like Rarity's!

37 RARITY (CONT'D)
You have rain hair?

38 APPLEJACK
And we don't care.

39 SCI TWI
(overlapping)
And we don't care.

40 RARITY
You saw my post!

41 APPLEJACK
You bet. Your drowned barn rat look
is trending like alfalfa in May.

A BOHO ROCKER with wet hair taps Rarity's shoulder.

42 BOHO ROCKER
Can I get a picture with you? Your
trend saved my festival life.

As they smile for a picture, Applejack leans over to Sci Twi.

43 APPLEJACK
You ever see this before?

44 SCI TWI
See what?

45 APPLEJACK
Rarity grinning about wet hair.

As Applejack and Sci Twi laugh, we CUT TO BLACK.
