SET UP

INT. FROZEN YOGURT STORE - DAY

PINKIE PIE bursts into the store, almost toppling over an EXUBERANT EMPLOYEE.

1 PINKIE PIE
Who's got pink hair and is ready
for some frozen yogurt?!

Pinkie Pie points at herself.

2 PINKIE PIE (CONT'D)
This gal!

3 EXUBERANT EMPLOYEE
Well then, congratulations! You're
our one thousandth customer.

The employee hands Pinkie Pie a coupon.

4 EXUBERANT EMPLOYEE (CONT'D)
Which means you get ONE FREE
TOPPING!!!

Pinkie Pie jumps in the air.

5 PINKIE PIE
This is the BEST DAY EVARRRRR!!!

She picks up a cup and dashes over to the yogurt dispenser, filling it with a little bit of each flavor of yogurt until it overflows.

6 PINKIE PIE (CONT'D)
Just the right amount of yogurt...

She heads over to the topping bar. Her eyes go wide as she stares at the vast expanse of dessert toppings. She runs from one end of the bar to the other, her hand hovering over a container of cookies crumbles.

7 PINKIE PIE (CONT'D)
This should be perfect.

As she lifts the spoon, she is distracted by some bright candies. Pinkie drops the spoon and picks up a new one.

8 PINKIE PIE (CONT'D)
But these might be even better...

Her eyes dart between candy bars, chocolate chips, sprinkles, to her yogurt cup and the coupon. A drop of yogurt melts off the side.

The store door CHIMES and in walk Applejack, Sci Twi and Fluttershy.

Pinkie Pie throws herself down on the floor in front of them, holding her yogurt high.

9 PINKIE PIE (CONT'D)
HELP ME PICK THE PERFECT FRO-YO
TOPPING...!!!

Three options appear: Applejack, Sci Twi and Fluttershy.

ENDING A: APPLEJACK

INT. FROZEN YOGURT STORE - LATER

Applejack helps Pinkie Pie off the ground.

10 PINKIE PIE
What would you get, Applejack?

AJ leads Pinkie Pie to the topping bar.

11 APPLEJACK
If it were up to me, I'd go for a
sweet toppin', somethin' with a
little crunch like...

Pinkie Pie licks her lips, about to dive into a candy bar dish, but Applejack guides her over to...

12 APPLEJACK (CONT'D)
FRUIT!!

...the FRUIT SECTION of the topping bar. It is filled with strawberries, blueberries, pineapple and mango.

13 PINKIE PIE
Oh! I thought you were gonna say
candy bar...

PP drifts to the candy and AJ follows, keeping a close eye.

Pinkie Pie picks up a spoonful after spoonful of candy and Applejack swoops in to grab each spoon before PP pours them.

14 APPLEJACK
Fruit has everythin' a candy bar
does... juicy goodness, a burst o'
flavor in every bite...

Pinkie Pie lunges at some gummy worms.

15 APPLEJACK (CONT'D)
(out of breath)
And fruit is just as sweet!

Applejack knocks the gummy worms out of Pinkie Pie's hands
and into their container. Pinkie Pie walks back to the fruit.

16 PINKIE PIE
That is true... but chocolate!

Pinkie Pie slowly turns in the chocolate's direction but AJ
pulls her back. She's so close to convincing PP!

17 APPLEJACK
And ya know, fruit is made from
sunshine. What candy bar can say
that?

Pinkie Pie looks up in awe. She piles strawberries on her
yogurt, dashes to the counter to pay, and puts a heaping
spoonful in her mouth.

18 PINKIE PIE
I can TASTE the SUNSHINE!!

Applejack pants, still arranging candy spoons back in their
appropriate containers while PP enjoys her fruity treat.

IRIS OUT.

ENDING B: SCI TWI

EXT. FROZEN YOGURT STORE - LATER

Sci Twi struggles to help Pinkie Pie up, her arms filled with
notebooks and papers.

19 SCI TWI
Let's make sure we've got this
decision covered from every angle.

Sci Twi sets up shop at a table, making a pros/cons list for
different flavor combinations and spreading out various
topping related charts and graphs.

Sci Twi goes up to the employee at the counter.

20 SCI TWI (CONT'D)
We're going to need as many sample
cups as you can give. Please.

21 PINKIE PIE
I like the sound of that!

Sci Twi hands sample cups to Pinkie Pie.

22 SCI TWI
You have your tarts, fruits and
creamy bases. Now each of these--

23 PINKIE PIE
I've already got my yogurt. I just
need help choosing a topping!

24 SCI TWI
If I'm going to help you choose the
perfect topping, we've got to do it
methodically. And that means
starting with the right base.

Sci Twi looks up to see Pinkie Pie has already filled each of
her sample cups and is about to try the first one.

25 SCI TWI (CONT'D)
WAIT!!

PP freezes, tongue halfway to the fro-yo.

26 SCI TWI (CONT'D)
We need to log our observations as
we sample!

Sci Twi patiently jots down notes as PP sweats in
anticipation of each bite.

27 SCI TWI (CONT'D)
Okay, now you may now try the first
flavor.

Pinkie Pie wolfs it down.

28 SCI TWI (CONT'D)
What did you observe about the
vanilla?

29 PINKIE PIE
It was delicious! I want another!

She goes to eat the next sample but Sci Twi stops her again.

30 SCI TWI
Not until we've logged our
thoughts!

Pinkie Pie shakes as she waits for the go ahead. Sci Twi slowly scratches her pencil on the paper.

31 SCI TWI (CONT'D)
Alri--

Pinkie Pie downs the chocolate fro-yo.

32 PINKIE PIE
It's even better!

Sci Twi writes that down and Pinkie Pie is about to burst.

33 PINKIE PIE (CONT'D)
I can't take it anymore!

She grabs her yogurt cup and throws some sprinkles on it.

34 PINKIE PIE (CONT'D)
I just want it with sprinkles!

Pinkie Pie passes money across the counter and wolfs down her treat. Sci Twi shakes her head.

35 SCI TWI
But how do we know that's the best
option?!

36 PINKIE PIE
Because... I LOVED IT!!

Her tummy rumbles.

37 PINKIE PIE (CONT'D)
But I did eat it too fast. Ughhh...

She grabs her stomach and smiles sheepishly.

38 SCI TWI
I'll log it in the notes.

IRIS OUT.

ENDING C: FLUTTERSHY

EXT. FROZEN YOGURT STORE - LATER

Fluttershy opens the door to let in a bunch of her animal friends, a SQUIRREL, RACCOON and a BIRD.

39 FLUTTERSHY
Okay everybody, we're here to help our friend Pinkie Pie decide on the perfect fro-yo top--

40 EXUBERANT EMPLOYEE
Uhh, excuse me. You can't just bring animals in here. We're a store for humans and this is a major health violation.

41 FLUTTERSHY
Oh no. I'm so sorry, I didn't even think about that. Everybody out!
(to Pinkie Pie)
Sorry, Pinkie. We'll just try to help you from outside.

The door chimes closed behind FS and she and the animals point at toppings from the window. Pinkie Pie tries to decipher what they're telling her.

42 PINKIE PIE
The cookie crumbles? No... almonds?
I can't tell what topping you're pointing at!

FS and the animals shake their heads "no."

43 PINKIE PIE (CONT'D)
No toppings?! Okay then...

Pinkie Pie pays and takes a bite of her topping-less yogurt while FS and the animals shake their heads.

44 PINKIE PIE (CONT'D)
Wow! What a treat! I never would have thought of this on my own.
Thanks for the help, guys!

Fluttershy looks to the animals, who shrug. IRIS OUT.

END OF EPISODE.
