Outline 11/03/16
First Draft 11/30/16

The sound of <WAVES CRASHING> over black, then... FADE IN:

EXT. THE BEACH - LATER

Where the sand meets the water, waves <CRASH> gently for a peaceful moment, then suddenly SCI TWI sits up in the foreground, looking down at her friends lying off-screen.

1 SCI TWI
Should we be worried about Sunset
Shimmer...?

APPLEJACK suddenly sits up next to her.

2 APPLEJACK
She's lyin', Twilight. Lyin' like a
snake in tap shoes. Now whaddya say
we try to enjoy the rest of our day
at the beach, hmm?

They lie back down. A few <WAVES> crash and <SEAGULLS CHIRP>, then suddenly FLUTTERSHY SITS UP.

3 FLUTTERSHY
But why is she pretending to be
nice...?

RARITY suddenly sits up next to her.

4 RARITY
Just because we can't work out why
she's lying doesn't mean she's
telling the truth, darling.

RAINBOW DASH sits up between them.

5 RAINBOW DASH
Will you two cut it out, you're
blockin' my sun!

PINKIE PIE suddenly sits up, then goes back. Up, back, up back. When everyone looks at her, she sits up and stops.

6 PINKIE PIE
I'm working on my core!

SCI TWI sits up.

7 SCI TWI
Sunset looked so sad, though...

APPLEJACK sits up so that all six of them are now sitting in a row watching the <WAVES>.

8 APPLEJACK
Twilight, you haven't known Sunset
Shimmer as long as we have. This is
classic mean-girl psych-out stuff
she's pullin.

9 TRIXIE (O.S.)
Applejack's right...!

All six heads turn.

REVEAL: Lying under an umbrella down the beach, being fanned
by SNIPS and SNAILS holding giant palm leaves, is TRIXIE.

10 TRIXIE (CONT'D)
Sunset was voted "Biggest Meanie"
for a reason. She only cares about
herself and treats everyone else
like they're her playthings.
(then)
Water, please!

Trixie sits up and opens her mouth, waiting. Snips and Snails
stare off into space. She <CLEARS HER THROAT>. Snips elbows
Snails.

11 SNIPS
She's talkin' to you!

12 SNAILS
I thought she was talkin' to you!
Sorry, Trixie!

Snails fetches a glass of ice water and gives Trixie a sip.

13 TRIXIE
Mmmm. Speaking of yearbook
superlatives... seeing as how the
yearbook president seems to be
having an identity crisis, I
believe that means the vice-
president takes over, and why,
that's you, Rarity...!

14 RARITY
If this is your way of asking to be
made Greatest and Most Powerful,
the answers no.
(catching herself)
Wait-- did we already have this
conversation? I can't recall...

She looks to the girls, who shrug. Trixie ignores her, going
on...

15 TRIXIE
It's not what I want, it's the
people. Right, people?

Snips and Snails stare off into space. She <CLEARS HER
THROAT>.

16 SNIPS
She's talkin' to you!

17 SNAILS
You're people too!

18 TRIXIE
(sotto growl)
Just agree with me!

Snips and Snails snap to attention, nodding in unison--

19 SNIPS
What she said, that's what we
think!

20 SNAILS
Her words is what's in our brains.

21 TRIXIE
The people have spoken.

Rarity rolls her eyes.

22 TRIXIE (CONT'D)
Did I mention how much I love your
new outfit, Rarity? Whoever made
it's got a real gift, ya know?

23 RAINBOW DASH
Oh please, Flattery'll get you
nowhere, Trixie.

24 RARITY
(can't help herself)
...But I'll be sure to pass along
your compliment to "whoever" made
it.

Trixie smirks.

25 RARITY (CONT'D)
As for the yearbook... I'll think
about it.

26 TRIXIE
 (innocent)
That's all I ask.

<MUSIC> Transitions us and we DISSOLVE TO:

EXT. CANTERLOT CASTLE - EQUESTRIA - DAY

...Equestria. PUSH IN and DISSOLVE TO:

INT. CANTERLOT CASTLE - EQUESTRIA - SAME

The throne room, where we find SUNSET SHIMMER with TWILIGHT SPARKLE and PRINCESS CELESTIA.

27 SUNSET SHIMMER
I should be getting back to my
world. Maybe I can convince my
friends I'm telling the truth, now
that I know what we're looking for.

Twilight levitates a sketch of THE MEMORY STONE into Sunset's SADDLEBAG.

28 TWILIGHT SPARKLE
...The Memory Stone. I'll stay here
and search the restricted section,
top to bottom, until I find out how
to get your friends' memories back.

29 SUNSET SHIMMER
If that's even possible...

30 TWILIGHT SPARKLE
 (shy)
You know, you could always come
back to Equestria and stay here
with us. We're your friends too.

31 SUNSET SHIMMER
Thanks Twilight, but I wouldn't
trade those girls for anything.

32 TWILIGHT SPARKLE
I understand.

33 SUNSET SHIMMER
Thank you...
 (pointed, to Celestia)
...both of you.

34 PRINCESS CELESTIA

This is quite a contrast from the last time we parted ways.

Sunset blushes, embarrassed, but Celestia reassures her.

35 PRINCESS CELESTIA (CONT'D)

It can't be easy, having your friends treat you like the worst version of yourself-- who you used to be.

Sunset shakes her head-- no-- feeling glad to be understood.

36 PRINCESS CELESTIA (CONT'D)

You are not that way anymore. With every choice you make, you prove yourself to possess a kind heart. You really have changed, Sunset.

Sunset appreciates that. She looks appreciatively to TS.

37 SUNSET SHIMMER

I guess I had a good teacher...

38 TWILIGHT SPARKLE

You were a good student.

Their overly-sentimental moment is broken when they realize Princess Celestia is glaring at them.

39 PRINCESS CELESTIA

Are you saying I wasn't a good teacher?

SUNSET SHIMMER

I-- no-- what I meant--

TWILIGHT SPARKLE

She didn't say that-- I--

But Princess Celestia's glare softens into a smile, before she <CHUCKLES> softly. Twilight and Sunset exchange an amazed look, then <LAUGH> along with her.

40 TWILIGHT SPARKLE (CONT'D)

(covering)

I obviously knew you were kidding.

41 SUNSET SHIMMER

Princess Celestia has a sense of humor? Looks like I'm not the only one who's changed.

42 PRINCESS CELESTIA

Use everything you've learned to set this right, Sunset Shimmer. I believe in you. We all do.

Twilight nods in agreement. Sunset smiles, then heads off.

EXT. THE BEACH - LATER

Playing beach volleyball with Rarity on her team, Rainbow Dash prepares to serve...

43 RAINBOW DASH

It's been a grueling afternoon, but here we are... the final match, tie game, next point wins. Rainbow Dash to serve. A hush falls over the stuned crowd of ten thousand fans...

She glances over at Applejack and Sci Twi, who are reading/sunning nearby, the only two on the beach. Sci Twi <CLAPS>.

44 SCI TWI

Go, sports!

Rainbow Dash rolls her eyes, then hefts the ball.

45 RAINBOW DASH

Here it comes. I'm not holding back this time!

On the other side of the net, Fluttershy covers her eyes.

46 FLUTTERSHY

That's what I'm afraid of...

Meanwhile, Pinkie Pie hops all over the court around Fluttershy, flexing and yelling-- SO INTENSE!!!

47 PINKIE PIE

Bring it on, Rainbow Dash! You and Rarity just bought your team a one-way ticket on the express train to "YOU'RE GOIN' DOWN!"

48 RAINBOW DASH

(impressed)
Nice trash talk, Pinkie Pie.

49 PINKIE PIE
Thanks! I've been practicing all
day.

She runs over to Sci Twi's tripod-camera contraption.

50 PINKIE PIE (CONT'D)
(yelling at the camera)
ISN'T THAT, RIGHT, LITTLE BABY
CAMERA!? YOU'RE IN MY HOUSE, NOW!!!

Rainbow Dash tosses up the volleyball to serve. PP ZIPS back to the court just as RD hits the ball. It ARCS over the net. Fluttershy COVERS HER HEAD and it bounces off her.

51 PINKIE PIE (CONT'D)
I GOT IT, I GOT IT!!!

Pinkie DIVES. She skids across the sand.

52 PINKIE PIE (CONT'D)
I don't got it.

The volleyball rolls until it's stopped by... a black boot. PAN UP REVEALING: Sunset Shimmer, holding a scrap of paper with the MEMORY STONE drawn on it.

53 RAINBOW DASH
If you're gonna pop our ball, just
get it over with.

54 SUNSET SHIMMER
Someone stole your memories. I just
got back from Equestria and found
our what we're looking for. The
Memory Stone. Does this look
familiar?

She shows them the drawing of the STONE. No one answers.

55 SUNSET SHIMMER (CONT'D)
Right, I guess you wouldn't
remember. Listen, finding this
stone and who's controlling it
would be a lot easier if I had my
friends' help.
(pleading look)
What do you say...?

Sci Twi turns to the others, so that Sunset can't see her...

56 SCI TWI
What if she's telling the truth...?

Fluttershy and Pinkie exchange a look like... maybe. Sunset senses her opening and goes for it.

57 SUNSET SHIMMER

You may have forgotten me, but
here's what I know about you:
you're the nicest, kindest friends
in the world. I think, deep down...
you know I might be telling the
truth.

Sci Twi looks from Sunset to her friends...

58 SCI TWI

Come on, everyone. Doesn't she at
least deserves a chance...?

A <CAR HORN> gets their attention. They turn, seeing Trixie wave, sitting in the drivers' seat of her car parked in A PARKING LOT by the beach.

59 TRIXIE

See you Monday, Rarity! Don't
forget what we talked about!

Trixie BANGS her hand out her window on the roof of her car.

60 TRIXIE (CONT'D)

WHAT'S TAKING SO LONG!?

REVEAL: Snips and Snails are loading beach gear into her trunk, having an impossible time getting an UMBRELLA to fit.

PUSH IN ON SUNSET, confused.

61 SUNSET SHIMMER

(sotto)

What's she doing here...?

(then)

Trixie, wait--!

Sunset takes a step and-- and TRIPS over the volleyball in the sand! Sunset FALLS as the ball soars into the vball net, stretches it, and WHOOSHES out past Sci Twi who watches it ZIP past her face and slow-motion horror and-- SMASH INTO HER TRIPOD/CAMERA INVENTION.

Sci Twi's fists clench, her face turning red with anger...

62 SUNSET SHIMMER (CONT'D)

I can help fix it! We built it
together, I know how it works.

Sci Twi blocks her, protecting the pieces like a mama bear.

63 SCI TWI
You've already done enough damage.

64 FLUTTERSHY
What about the Best Friends
pictures we took?

Sci Twi shows her two pieces of broken memory card.

65 APPLEJACK
Congratulations, Miss Shimmer. You
win, we lose. That's what you
wanted, right?! To break up our
friendship-- you did it before, now
you're doing it again.

66 SUNSET SHIMMER
No-- I'm not like that anymore...!
Wait, don't go...!

She watches them pack their stuff.

67 RARITY
Hmph. I'm almost inclined to give
Trixie that superlative just to
teach you a lesson, Sunset.

Sunset glances at the parking lot and watches Trixie drive
away, waving at her as she goes.

68 SUNSET SHIMMER
That's what she wants you to do,
isn't it...?

Off Sunset's eyes narrowing...

EXT. CANTERLOT HIGH SCHOOL - DAY

<THE BELL RINGS> on Monday morning.

INT. CANTERLOT HIGH SCHOOL - HALLWAY - DAY

Sunset closes her locker and walks down the hall, passing all
the same people as in the opening of *Part One*, but this time
she sadly notices they react to her by whispering, turning
away, or shakily holding out a hand in front of her...

69 MICRO CHIPS
Here you go.

MICRO CHIPS hands Sunset some cash. She's confused at first,
then outraged, shoving the money back into his scared hands.

70 SUNSET SHIMMER
I don't want your lunch money. I'm
not mean, GOT IT!? I'M NOT MEAN!!!

Her shout echoes. Students react, scared.

71 SUNSET SHIMMER (CONT'D)
You'll have your memories back
soon, everyone.

Sunset zeroes in on TRIxie at her locker.

72 SUNSET SHIMMER (CONT'D)
...I promise.

ANGLE ON Trixie's locker. Sunset <KNOCKS>, startling Trixie.

73 SUNSET SHIMMER (CONT'D)
Heyyyyy, "Great and Powerful
Trixie!" Got a minute...?

Trixie's eyes light up, then narrow.

74 TRIXIE
I knew you'd come crawling back.
Have you reconsidered my
superlative...? Because maybe I
have something that will change
your mind. What do you think... OF
THIS!

Sunset backs up, ready to fight-- as Trixie WHIPS something
out of her locker and <DRAMATIC MUSIC CUE> scares us, but--

It's A GIANT POSTERBOARD mock-up yearbook page of Trixie in
Criss Angel-esque magician mode: "Greatest and Powerfulest."
Trixie poses next to the mock-up, making the same pouty
magician face as her picture.

75 TRIXIE (CONT'D)
Behold, Canterlot High School's
Greatest and Powerfulest Student!
Now that you've seen my three-times-
scale mock-up, what do you have to
say for yourself...?

The <BELL> rings and the hallway empties. Trixie holds her
pose. Sunset glares, not happy.

76 SUNSET SHIMMER
Where is the Memory Stone?

Holding her pose, Trixie blinks.

77 SUNSET SHIMMER (CONT'D)
How could you do this to me!?
Erasing my friends' good memories
to turn them against me just
because I wouldn't put you in the
yearbook as The Greatest and
Powerfullest? POWERFULLEST ISN'T
EVEN A WORD!

78 TRIXIE
What are you talking about?

79 SUNSET SHIMMER
It's not a word!!!

80 TRIXIE
No, what Memory Stone...?

81 SUNSET SHIMMER
The one you used to magically erase
everyone's memory-- don't pretend
you have no idea what I'm talking
about.

Trixie's eyes light up as she thinks of the possibilities...

82 TRIXIE
...a stone that erases memories
could make everyone forget all the
bad tricks I've done--
 (catching herself)
--I mean um-- not bad tricks, I've
never done a bad trick in my life,
and besides...
 (voice booming)
I have no need for your puny whats-
it-called rock, for such magic
pales in comparison to that of the
Great and Powerful Trixie!

Trixie poses again. Sunset stares at her, then at the poster
of her in her ridiculous magic outfit, then back at Trixie.

83 SUNSET SHIMMER
I don't believe it.

84 TRIXIE
What...?

85 SUNSET SHIMMER
...You have no idea what I'm
talking about.

86 TRIXIE
.....I don't. Sorry.

Sunset slumps to the floor.

87 TRIXIE (CONT'D)
...Did somebody really erase
everyone's memories of you?
 (off Sunset's nod)
...And even though we all know
you're the Biggest Meanie, you're
saying you're not mean anymore?

88 SUNSET SHIMMER
 (without looking up)
...It's complicated, forget it.

89 TRIXIE
No, I get it.

Sunset is surprised to see Trixie sit down next to her.

90 TRIXIE (CONT'D)
You have this idea of who you're
supposed to be, but no one at
school sees you that way, is that
is?

Sunset glances at the giant magician poster of Trixie in the
background. Trixie catches her look and nods...

91 TRIXIE (CONT'D)
Trust me... I get it.

Sunset laughs to herself.

92 SUNSET SHIMMER
I can't believe I told my best
friends about the memory stone, but
the only person who believed me is
the one I accused of being
manipulative and evil.

93 TRIXIE
I took it as a compliment.
 (then, standing)
Let me help you find the stone.
People like us should stick
together.

94 SUNSET SHIMMER
I'm not like you.

95 TRIXIE
I'll take that as another
compliment, thank you very much.

She offers her hand. Sunset thinks it over.

96 SUNSET SHIMMER
It has been pretty lonely being the
most hated girl in school again.
Oh, excuse me-- "most popular."

97 TRIXIE
Pretty sure it's the same thing. So
what do you say... partners?

98 SUNSET SHIMMER
What's in this for you?

Trixie gestures to her yearbook-page photo mock-up poster.

99 SUNSET SHIMMER (CONT'D)
No way, absolutely not.

Trixie shrugs, but keeps her hand held out. Sunset takes it
and Trixie helps her up. They walk down the empty hall
together, away from camera...

100 TRIXIE
A close second would be the chance
at having an all-powerful magical
Memory Stone to crush my enemies.

101 SUNSET SHIMMER
When we find that thing, we're
destroying it.

102 TRIXIE
I'll try to "remember" that.

103 SUNSET SHIMMER
Where should we start?

104 TRIXIE
How about with what I call you? I'm
thinking: "The Great and Powerful
Trixie's... pretty-decent-assistant-
detective-helper-person."

As they open the doors and go outside, we... FADE OUT.

END OF PART THREE
