OVER BLACK: The sound of <WAVES CRASHING>, then... FADE IN:

EXT. THE BEACH - LATER

The sun shines down on the beach, where the Mane 6 are sunning.

1 PINKIE PIE
We've been out here a while. Time
to re-apply...!

From her beach bag, Pinkie Pie reveals... A CUPCAKE, whose frosting she rubs all over herself. Sci Twi looks concerned.

2 SCI TWI
Should we be worried about Sunset
Shimmer...?

3 TRIxie (O.S.)
Yeah-- "worried" she comes back!

REVEAL: Lying under an umbrella down the beach (near a lifeguard stand, presumably), being fanned by SNIPS and SNAILS who wave giant palm leaves... is TRIxie.

4 TRIxie (CONT'D)
I think it's a shame, the way she's
treating you, pretending to be your
friends. She's obviously up to
something. Sunset thinks the whole
school exists just to serve her.
(then)
Water, please!

Trixie opens her mouth, waiting. Snips and Snails elbow each other until Snails opens a bottle of water and gives Trixie a sip. Applejack shakes her head like "seriously?"

5 TRIxie (CONT'D)
Mmmm. You know, seeing as how the
yearbook president seems to be
having a little identity crisis, I
believe that means the vice-
president takes over, and why,
that's you, Rarity...!

6 RARITY
If this is your way of asking to be
made Greatest and Most Powerful,
the answer is no.
(catching herself)
(MORE)

RARITY (CONT'D)
...And didn't we have this
conversation yesterday? I can't
quite remember...

Rarity looks to the girls, who shrug.

7 TRIXIE
Maybe we did, maybe we didn't.
Memory is such a fickle thing-- you
never know when you'll forget
something important... like how
great and powerful I am-- which is
why I need to be in the yearbook!

Rarity rolls her eyes.

8 RARITY
...I'll think about it.

9 TRIXIE
(innocent)
That's all I ask.

<MUSIC> Transitions us and we DISSOLVE TO:

EXT. CANTERLOT CASTLE - EQUESTRIA - DAY

...Equestria. PUSH IN and DISSOLVE TO:

INT. CANTERLOT CASTLE - EQUESTRIA - SAME

The throne room, where we find SUNSET SHIMMER with TWILIGHT
SPARKLE and PRINCESS CELESTIA.

10 SUNSET SHIMMER
I should be getting back to my
world. Maybe I can convince my
friends I'm telling the truth, now
that I know what we're looking for.

Twilight levitates a sketch of THE MEMORY STONE into Sunset's
SADDLEBAG.

11 TWILIGHT SPARKLE
...The Memory Stone. I'll stay here
and search the Restricted Section,
top to bottom, until I find a way
to get your friends' memories back.

12 SUNSET SHIMMER
If that's even possible...

13 TWILIGHT SPARKLE

Oh, it's possible. I'll figure it out, even if I have to reorganize the whole library by subject-- or maybe chronologically-- OH and fix the broken catalogue machine...

(off Sunset's look)

...Ahem. I'll figure it out.

14 SUNSET SHIMMER

Thank you...

(pointed, to Celestia)

...both of you.

15 PRINCESS CELESTIA

This is quite a contrast from the last time we parted ways.

Sunset blushes, embarrassed, but Celestia reassures her.

16 PRINCESS CELESTIA (CONT'D)

But you are not that way anymore. With every choice you make, you prove yourself to possess a kind heart.

Sunset looks appreciatively to Twilight...

17 SUNSET SHIMMER

I guess I had a good teacher.

18 TWILIGHT SPARKLE

...You were a good student.

Their overly-sentimental moment is broken when they realize Princess Celestia is glaring at them.

19 PRINCESS CELESTIA

Are you saying I wasn't a good teacher?

20 SUNSET SHIMMER / TWILIGHT SPARKLE

I-- no-- what I meant-- / She didn't say that-- I--

But Princess Celestia's glare softens into a smile, before she <CHUCKLES> softly. Twilight and Sunset exchange an amazed look, then <LAUGH> along with her.

21 SUNSET SHIMMER

Princess Celestia has a sense of humor? Looks like I'm not the only one who's changed.

As Sunset smiles and heads off...

EXT. THE BEACH - LATER

Playing beach volleyball with Rarity on her team, Rainbow Dash prepares to serve...

22 RAINBOW DASH
It's been a grueling afternoon, but here we are... the final match, next point wins. A hush falls over the crowd of ten thousand fans...

She glances at Applejack and Sci Twi, who are reading/sunning nearby, the only two on the beach. Sci Twi <CLAPS>.

23 SCI TWI
Go, sports!

Rainbow Dash rolls her eyes, then hefts the ball.

24 RAINBOW DASH
I'm not holding back this time!

On the other side of the net, Fluttershy covers her eyes.

25 FLUTTERSHY
That's what I'm afraid of...

Meanwhile, Pinkie Pie hops all over the court around Fluttershy, flexing and yelling-- SO INTENSE!!!

26 PINKIE PIE
Bring it on, Rainbow Dash! You and Rarity just bought your team a one-way ticket on the express train to "YOU'RE GOIN' DOWN!"

27 RAINBOW DASH
(impressed)
Nice game face, Pinkie Pie.

28 PINKIE PIE
Thanks! I've been practicing all day.

She runs over to Sci Twi's Selfie-Sensing Camera.

29 PINKIE PIE (CONT'D)
(yelling at the camera)
ISN'T THAT RIGHT, LITTLE BABY CAMERA!? YOU'RE IN MY HOUSE, NOW!!!

The Camera makes an R2-D2-like <SCARED BEEP BOOP> and hides behind SciTwi, who pets it. Nearby, Spike <GROWLS> at it.

30 RARITY
Somebody's jealous...!

31 SPIKE
Please, call me when the flying can-opener learns how to fetch.

<BEEP BOOP> The drone brings Spike an open can of dog food.

32 SPIKE (CONT'D)
You're the worst.

Spike looks around to make sure no one's watching, then eats.

Meanwhile, Rainbow Dash serves the volleyball. It ARCS over the net. Fluttershy COVERS HER HEAD as it BOUNCES off her. Pinkie Pie LEAPS over FS's shoulders and SPIKES the ball, which bounces off the net right back at Pinkie Pie, <BONKING HER> on the head, and sending it right down past RD, who dives, missing, sliding in the sand, right up to...

...a black boot. PAN UP REVEALING: Sunset Shimmer, excited to tell them--

33 SUNSET SHIMMER
Great news, guys! I figured it out-- someone erased your memories with Equestrian magic! You don't remember, but we're still friends!

They all stare, dubious. Sunset pulls out Twilight's sketch of the Memory Stone.

34 SUNSET SHIMMER (CONT'D)
This is The Memory Stone, do you remember it?

She shows them the drawing of the STONE. No one answers.

35 SUNSET SHIMMER (CONT'D)
Right, guess not. But look-- see? We are friends...!

Sunset pulls out her phone and swipes through PICTURES OF THEM ALL TOGETHER (*from the shorts or previous movies*). The girls consider it, but then--

36 TRIxie (O.S.)
Oh, please...

Sunset is annoyed to see Trixie standing farther down the beach, while Snips and Snails pack her stuff (having an impossible time getting an UMBRELLA to fit in a bag).

37 **TRIXIE (CONT'D)**
...This is the same girl who made
flawless fake photos of your friend
trashing the gym.

Pinkie Pie suddenly grabs Sunset's phone, holding it SUPER-close to her face, OUTRAGED.

38 **PINKIE PIE**
Yeah, wait a minute-- is this
supposed to be me making such a
ridiculous face? I'd never make a
face like that!

She turns the phone around-- she's making the same face.

39 **PINKIE PIE (CONT'D)**
Preposterous! Fake, I say!

Down the beach, Trixie <CACKLES>.

40 **TRIXIE**
My work here is done. Trixie OUT!

She throws a SMOKE BOMB. When it clears, she's scrambling up over a rock, calling back over her shoulder...

41 **TRIXIE (CONT'D)**
And don't forget, Rarity-- you
promised to put me in the yearbook!

42 **SUNSET SHIMMER**
Wait, you did WHAT!?

Sunset takes a step and-- TRIPS over SPIKE, who <YELPS>! He takes off running, tangling Sunset's legs in his leash. She stumbles past Sci Twi who watches in slow-motion horror as-- Sunset's boot CRASHES DOWN onto her Selfie-Sensing Camera. It <WHIMPERS> then <SPARKS> and <FIZZLES>, lights going out.

Sci Twi's fists clench, her face turning red with anger...

43 **SUNSET SHIMMER (CONT'D)**
It was an accident-- I can help fix
it...

Sci Twi blocks her, protecting the camera like a mama bear.

44 **SCI TWI**
I think you've "helped" enough.

Her words hurt Sunset, who looks to others but gets only glares in return.

Sunset turns and watches Trixie leaving the beach.
<SUSPICIOUS MUSIC> as her eyes narrow...

EXT. CANTERLOT HIGH SCHOOL - DAY

<THE BELL RINGS> on Monday morning.

INT. CANTERLOT HIGH SCHOOL - HALLWAY - DAY

Sunset closes her locker and walks down the hall, passing all the same people as in the opening of *Part One*, but this time she notices they react to her by whispering, turning away, or like MICRO CHIPS, shakily holding out a hand in front of her. She takes his hand, to find... CASH. She's confused at first, then outraged, shoving the money back into his scared hands.

45 SUNSET SHIMMER

I don't want your lunch money. I'm
not mean, GOT IT!? I'M NOT MEAN!!!

Everyone backs off, scared.

ANGLE ON Trixie's locker. Sunset <KNOCKS>, startling Trixie. Trixie's eyes light up, then narrow. <DRAMATIC MUSIC>.

46 SUNSET SHIMMER (CONT'D)

So, here we are.

47 TRIXIE

Here we do are.

Sunset raises an eyebrow. Trixie glances aside, knowing what she said made no sense. Neither one moves. A showdown...

48 TRIXIE (CONT'D)

You really want to do this here, in
the hallway in front of everyone?

49 SUNSET SHIMMER

Up to you.

A tense beat. Then Trixie smirks and reaches into her locker.

Sunset backs up, ready to fight-- as Trixie WHIPS something out of her locker and a <DRAMATIC MUSIC CUE> scares us, but then music cuts out because--

It's A GIANT POSTERBOARD mock-up yearbook page of Trixie in Criss Angel-esque magician mode: "Greatest and Powerfulest." Next to the mock-up, Trixie poses, making the same pouty magician face as her picture. Sunset blinks.

50 TRIXIE

Behold, Canterlot High School's
Greatest and Powerfulest Student!

Trixie holds her pose. Sunset glares, not happy.

51 TRIXIE (CONT'D)

(holding her pose)

If a seven-scale mock-up doesn't
convince you, I don't know what
will.

52 SUNSET SHIMMER

Where's the memory stone!? You
turned my friends against me just
because I wouldn't put you in the
yearbook as The Greatest and
Powerfulest? POWERFULEST ISN'T
EVEN A WORD!

53 TRIXIE

What are you talking about?

54 SUNSET SHIMMER

It's not a word!!!

55 TRIXIE

No, what Memory Stone...?

56 SUNSET SHIMMER

The one you used to erase
everyone's memory, you
manipulative...

(searching for the word)

...blowhard!

Trixie ignores that last part as her eyes light up, thinking
of the possibilities...

57 TRIXIE

...a stone that could make everyone
forget all the bad tricks I've done-

-

(catching herself)

--which is NONE TRICKS! Your puny
rock pales in comparison to the
Great and Powerful Trixie!

Trixie poses again next to her poster. Sunset stares at her, then at the poster of her in her ridiculous magic outfit, then back at Trixie.

58 SUNSET SHIMMER
I don't believe it... You have no
idea what I'm talking about.

59 TRIXIE
.....I don't. Sorry.

Sunset slumps to the floor. Trixie watches, curious...

60 TRIXIE (CONT'D)
...Did somebody really erase
everyone's memories of you?
(off Sunset's nod)
...And even though we all know
you're the Biggest Meanie, you're
saying you're not mean anymore?

61 SUNSET SHIMMER
(without looking up)
...It's complicated.

Sunset is surprised when Trixie sits down next to her. They sit for a moment. Trixie, thinking. Sunset, kind of confused.

62 TRIXIE
...You have this idea of who you're
supposed to be, but no one at
school sees you that way, is that
it?

Sunset glances at the giant magician poster of Trixie in the background. INCIDENTAL STUDENTS eye it, whisper, pose like it, then laugh. Trixie catches Sunset's look and nods...

63 TRIXIE (CONT'D)
Trust me... I get it.

Sunset laughs to herself.

64 SUNSET SHIMMER
I can't believe the only person who
believes me is the one I called a
manipulative blowhard.
("Can you forgive me?")
...Sorry.

65 TRIXIE
I took it as a compliment.
(then, standing)
Let me help you find the stone.

She offers her hand. Sunset is suspicious...

66 SUNSET SHIMMER
What's in this for you?

Trixie gestures to her yearbook-page photo mock-up poster.

67 SUNSET SHIMMER (CONT'D)
No way, absolutely not.

68 TRIXIE
If you'd rather go on being the
Biggest Meanie, that's fine by
me...

As Sunset looks from Trixie's face to her outstretched hand,
thinking it over... <MUSIC UP> and we DISSOLVE TO:

EXT. CANTERLOT CASTLE - EQUESTRIA - DAY

Sunlight shines on the royal castle.

INT. CANTERLOT - LIBRARY - RESTRICTED SECTION - DAY

PRINCESS CELESTIA and PRINCESS LUNA are at a table piled with
books and parchment. Nearby, frustrated, Twilight <SIGHS>.

69 TWILIGHT SPARKLE
I've looked everywhere. Why can't I
find the missing pages!? I'VE
ALWAYS BEEN GOOD TO YOU, LIBRARY!

She slumps, her head BANGING on the table. The vibration
KNOCKS THE WOODEN BOX off the table. Slow-mo as TS reacts in
shock. The box hits the ground-- BREAKING INTO PIECES...
revealing the corner of... A SCRAP OF PAPER. Twilight
excitedly checks it out.

70 TWILIGHT SPARKLE (CONT'D)
THIS IS IT! The last piece was in a
secret compartment!

Princess Celestia and Luna join her.

71 TWILIGHT SPARKLE (CONT'D)
Clover the Clever buried the stone!

CLOSE ON THE NEW SECTION OF PARCHMENT: an illustration of a
mound of dirt under a TRIANGULAR ROCK FORMATION.

72 TWILIGHT SPARKLE (CONT'D)
This rock formation must be
somewhere in the other world.
(then)
But it doesn't say how to get your
memories back.

Suddenly Twilight <GASPS>.

73 TWILIGHT SPARKLE (CONT'D)
(reading)
"...Perhaps if I had destroyed the
stone right away, some of my
memories could have returned. But
when the sun sets after a memory
has been taken... it is erased
forever."

<MUSIC STING>. She gives Princess Celestia a fearful look.

74 PRINCESS CELESTIA
You must warn Sunset Shimmer at
once.

CUT TO:

INT CANTERLOT HIGH SCHOOL - HALLWAY - DAY

CLOSE ON: Sunset's journal, GLOWING and BUZZING with urgency.
But... PULLING BACK, it's in Sunset's backpack, which is in
her locker. IN THE HALLWAY, Sunset and Trixie walk away from
her locker, oblivious...

75 SUNSET SHIMMER
So. Where should we start, partner?

76 TRIxie
How about with what I call you? I'm
thinking: "The Great and Powerful
Trixie's... pretty-decent-assistant-
detective-helper-person."

As they open the doors and go outside, we hold on the empty
hallway as the journal within Sunset's locker pulses with
light and buzzes... but there's no one there to see it.

FADE OUT.

END OF PART THREE.
