The sound of <WAVES CRASHING> over black, then... FADE IN:

EXT. THE BEACH - LATER

Where the sand meets the water, waves <CRASH> gently for a peaceful moment, then suddenly SCI TWI sits up in the foreground, looking down at her friends lying off-screen.

1 SCI TWI
Should we be worried about Sunset
Shimmer...?

APPLEJACK suddenly sits up next to her.

2 APPLEJACK
She's lyin', Twilight. Lyin' like a
snake in tap shoes.

Suddenly FLUTTERSHY SITS UP.

3 FLUTTERSHY
But why is she pretending to be
nice...?

RARITY suddenly sits up next to her.

4 RARITY
Just because we can't work out why
she's lying doesn't mean she's
telling the truth, darling.

RAINBOW DASH sits up between them.

5 RAINBOW DASH
Will you two cut it out, you're
blockin' my sun!

PINKIE PIE suddenly sits up too. Everyone looks at her.

6 PINKIE PIE
...I got lonely.

Sci Twi is still bothered...

7 APPLEJACK
Twilight, you haven't known Sunset
Shimmer as long as we have. This is
classic mean-girl psych-out stuff
she's pullin.

8 TRIxie (O.S.)
Applejack's right...!

All six heads turn.

REVEAL: Lying under an umbrella down the beach (near a lifeguard stand, presumably), being fanned by SNIPS and SNAILS who wave giant palm leaves... is TRIXIE.

9 TRIXIE (CONT'D)
Sunset thinks the whole school
exists just to serve her.
 (then)
Water, please!

Trixie opens her mouth, waiting. Snips and Snails elbow each other until Snails opens a bottle of water and gives Trixie a sip. Applejack shakes her head like "seriously?"

10 TRIXIE (CONT'D)
Mmmm. Speaking of yearbook
superlatives... seeing as how the
yearbook president seems to be
having a little identity crisis, I
believe that means the vice-
president takes over, and why,
that's you, Rarity...!

11 RARITY
If this is your way of asking to be
made Greatest and Most Powerful,
the answer is no.
 (catching herself)
...And didn't we have this
conversation yesterday? I can't
quite remember...

Rarity looks to the girls, who shrug.

12 TRIXIE
Maybe we did, maybe we didn't.
Memory is such a fickle thing-- you
never know when you'll forget
something important... like how
great and powerful I am-- which is
why I need to be in the yearbook!

Rarity rolls her eyes.

13 RARITY
...I'll think about it.

14 TRIXIE
 (innocent)
That's all I ask.

<MUSIC> Transitions us and we DISSOLVE TO:

EXT. CANTERLOT CASTLE - EQUESTRIA - DAY

...Equestria. PUSH IN and DISSOLVE TO:

INT. CANTERLOT CASTLE - EQUESTRIA - SAME

The throne room, where we find SUNSET SHIMMER with TWILIGHT SPARKLE and PRINCESS CELESTIA.

15 SUNSET SHIMMER
I should be getting back to my
world. Maybe I can convince my
friends I'm telling the truth, now
that I know what we're looking for.

Twilight levitates a sketch of THE MEMORY STONE into Sunset's SADDLEBAG.

16 TWILIGHT SPARKLE
...The Memory Stone. I'll stay here
and search the Restricted Section,
top to bottom, until I find a way
to get your friends' memories back.

17 SUNSET SHIMMER
If that's even possible...

18 TWILIGHT SPARKLE
Oh, it's possible. I'll figure it
out, even if I have to reorganize
the whole library by subject-- or
maybe chronologically-- OH and fix
the broken catalogue machine...
 (off Sunset's look)
...Ahem. I'll figure it out.

19 SUNSET SHIMMER
Thank you...
 (pointed, to Celestia)
...both of you.

20 PRINCESS CELESTIA
This is quite a contrast from the
last time we parted ways.

Sunset blushes, embarrassed, but Celestia reassures her.

21 PRINCESS CELESTIA (CONT'D)
It can't be easy, having your
friends treat you like the worst
version of yourself-- who you used
to be.

Sunset shakes her head-- no-- feeling glad to be understood.

22 PRINCESS CELESTIA (CONT'D)
You are not that way anymore. With
every choice you make, you prove
yourself to possess a kind heart.
You really have changed, Sunset.

Sunset looks appreciatively to Twilight...

23 SUNSET SHIMMER
I guess I had a good teacher.

24 TWILIGHT SPARKLE
...You were a good student.

Their overly-sentimental moment is broken when they realize
Princess Celestia is glaring at them.

25 PRINCESS CELESTIA
Are you saying I wasn't a good
teacher?

26 SUNSET SHIMMER
I-- no-- what I meant--

27 TWILIGHT SPARKLE
(overlapping)
She didn't say that-- I--

But Princess Celestia's glare softens into a smile, before
she <CHUCKLES> softly. Twilight and Sunset exchange an amazed
look, then <LAUGH> along with her.

28 TWILIGHT SPARKLE (CONT'D)
(covering)
I obviously knew you were kidding.

29 SUNSET SHIMMER
Princess Celestia has a sense of
humor? Looks like I'm not the only
one who's changed.

30 PRINCESS CELESTIA
Use everything you've learned to
set this right, Sunset Shimmer. I
believe in you. We all do.

Twilight nods in agreement. Sunset smiles, then heads off.

EXT. THE BEACH - LATER

Playing beach volleyball with Rarity on her team, Rainbow Dash prepares to serve...

31 RAINBOW DASH
It's been a grueling afternoon, but
here we are... the final match,
next point wins. A hush falls over
the crowd of ten thousand fans...

She glances at Applejack and Sci Twi, who are reading/sunning nearby, the only two on the beach. Sci Twi <CLAPS>.

32 SCI TWI
Go, sports!

Rainbow Dash rolls her eyes, then hefts the ball.

33 RAINBOW DASH
I'm not holding back this time!

On the other side of the net, Fluttershy covers her eyes.

34 FLUTTERSHY
That's what I'm afraid of...

Meanwhile, Pinkie Pie hops all over the court around Fluttershy, flexing and yelling-- SO INTENSE!!!

35 PINKIE PIE
Bring it on, Rainbow Dash! You and
Rarity just bought your team a one-
way ticket on the express train to
"YOU'RE GOIN' DOWN!"

36 RAINBOW DASH
(impressed)
Nice game face, Pinkie Pie.

37 PINKIE PIE
Thanks! I've been practicing all
day.

She runs over to Sci Twi's Selfie-Sensing Camera.

38 PINKIE PIE (CONT'D)
(yelling at the camera)
ISN'T THAT, RIGHT, LITTLE BABY
CAMERA!? YOU'RE IN MY HOUSE, NOW!!!

The Camera makes an R2-D2-like <SCARED BEEP BOOP> and hides behind SciTwi, who pets it like a dog. Nearby, Spike eyes it.

39 RARITY
Somebody's jealous...!

40 SPIKE
Last time I checked, Man's Best
Friend wasn't a floating can-
opener.
(regal)
Indeed, the noble *Canis*
Familiaris... isagoodboyyyy...

Spike melts as Rarity scratches him behind the ear.

Meanwhile, Rainbow Dash serves the volleyball. It ARCS over
the net. Fluttershy COVERS HER HEAD as it BOUNCES off her.

41 PINKIE PIE
I GOT IT, I GOT IT!!!

Pinkie DIVES. She skids across the sand.

42 PINKIE PIE (CONT'D)
I don't got it.

The volleyball rolls until it's stopped by... a black boot.
PAN UP REVEALING: Sunset Shimmer.

43 RAINBOW DASH
If you're gonna pop our ball, just
get it over with.

44 SUNSET SHIMMER
Please, hear me out. I understand
why you don't like me. It's not
your fault-- someone erased your
memories with Equestrian magic.

Rainbow Dash crosses her arms, doubtful. Sunset pulls out
Twilight's sketch of the Memory Stone.

45 SUNSET SHIMMER (CONT'D)
Does this look familiar?

She shows them the drawing of the STONE. No one answers.

46 SUNSET SHIMMER (CONT'D)
Right, I guess you wouldn't
remember. Listen, finding this
stone and who's controlling it
would be a lot easier if I had my
friends' help.

Sunset pulls out her phone and swipes through PICTURES OF
THEM ALL TOGETHER (*from the shorts or previous movies*).

47 SUNSET SHIMMER (CONT'D)
And look, we really are friends.
Check your own phones, you'll see.

Rainbow Dash studies the picture, then shows the others, who look up from their phones. Sci Twi gives them a soft look...

48 SCI TWI
Maybe she's telling the truth...?

They're on the verge of a consensus, when--

49 TRIxie (O.S.)
Oh, please.

Sunset is annoyed to see Trixie standing farther down the beach, while Snips and Snails pack her stuff (having an impossible time getting an UMBRELLA to fit in a bag).

50 TRIxie (CONT'D)
This is the same girl who made
flawless fake photos of your friend
trashing the gym, remember?

Pinkie Pie suddenly shows them HER PHONE: a picture of the gang having fun at Camp Everfree.

51 PINKIE PIE
Yeah, wait a minute-- is this
supposed to be me making such a
ridiculous face? I'd never make a
face like that!

52 SUNSET SHIMMER
(frustrated)
You're making it right now...

53 PINKIE PIE
Preposterous! Fake, I say!

Disgusted, Rainbow Dash hands back Sunset's phone. Down the beach, Trixie <CLAPS> and Snips/Snails pick up everything.

54 TRIxie
See you Monday, Rarity! And don't
forget what we talked about!

PUSH IN ON SUNSET, confused.

55 SUNSET SHIMMER
(sotto)
What's she even doing here...?
(then)
Trixie, wait--!

Sunset takes a step and-- TRIPS over SPIKE, who <YELPS>! He takes off running, tangling Sunset's legs in his leash. She stumbles past Sci Twi who watches in slow-motion horror as-- Sunset's boot CRASHES DOWN onto her Selfie-Sensing Camera. It <WHIMPERS> then <SPARKS> and <FIZZLES>, lights going out.

Sci Twi's fists clench, her face turning red with anger...

56 SUNSET SHIMMER (CONT'D)
It was an accident-- you saw--

Sci Twi blocks her, protecting the camera like a mama bear.

57 SCI TWI
It's totalled-- we'll have to take
the picture again, IF I can fix it.

58 SUNSET SHIMMER
Let me help-- I know how it works,
we built it together.

59 SCI TWI
I think you've "helped" enough.

Her words hurt Sunset, who looks to others but gets only glares in return.

60 APPLEJACK
Congratulations, Miss Shimmer. You
win, we lose. That's what you
wanted, right?! To break up our
friendship-- you did it before, now
you're doing it again.

61 SUNSET SHIMMER
No-- I'm not like that anymore...!
Please don't go...!

She watches them pack their stuff.

62 RARITY
Hmph. I'm almost inclined to give
Trixie that superlative just to
teach you a lesson, Sunset.

Sunset watches Trixie walking away in the distance...

63 SUNSET SHIMMER
That's what she wants, isn't it...?

Off Sunset's eyes narrowing...

EXT. CANTERLOT HIGH SCHOOL - DAY

<THE BELL RINGS> on Monday morning.

INT. CANTERLOT HIGH SCHOOL - HALLWAY - DAY

Sunset closes her locker and walks down the hall, passing all the same people as in the opening of *Part One*, but this time she notices they react to her by whispering, turning away, or shakily holding out a hand in front of her...

64 MICRO CHIPS
Here you go.

MICRO CHIPS hands Sunset some cash. She's confused at first, then outraged, shoving the money back into his scared hands.

65 SUNSET SHIMMER
I don't want your lunch money. I'm
not mean, GOT IT!? I'M NOT MEAN!!!
(off their scared reactions)
You'll have your memories back
soon, everyone.

ANGLE ON Trixie's locker. Sunset <KNOCKS>, startling Trixie. Trixie's eyes light up, then narrow. <DRAMATIC MUSIC>.

66 TRIXIE
So, here we are.

67 SUNSET SHIMMER
Here we are.

Neither one moves. A showdown...

68 TRIXIE
You really want to do this here, in
the hallway in front of everyone?

69 SUNSET SHIMMER
Up to you.

A tense beat. Then Trixie smirks and reaches into her locker.

Sunset backs up, ready to fight-- as Trixie WHIPS something out of her locker and a <DRAMATIC MUSIC CUE> scares us, but then music cuts out because--

It's A GIANT POSTERBOARD mock-up yearbook page of Trixie in Criss Angel-esque magician mode: "Greatest and Powerfulest." Next to the mock-up, Trixie poses, making the same pouty magician face as her picture. Sunset blinks.

70 TRIXIE
Behold, Canterlot High School's
Greatest and Powerfulest Student!

Trixie holds her pose. Sunset glares, not happy.

71 SUNSET SHIMMER
Where's the Memory Stone!?

72 TRIXIE
 (holding her pose)
If a three-scale mock-up doesn't
convince you, I don't know what
will.

73 SUNSET SHIMMER
You turned my friends against me
just because I wouldn't put you in
the yearbook as The Greatest and
Powerfulest? POWERFULEST ISN'T
EVEN A WORD!

74 TRIXIE
What are you talking about?

75 SUNSET SHIMMER
It's not a word!!!

76 TRIXIE
What Memory Stone...?

77 SUNSET SHIMMER
The one you used to erase everyone's
memory, you manipulative...
 (searching for the word)
...blowhard!

Trixie ignores that last part as her eyes light up, thinking
of the possibilities...

78 TRIXIE
...a stone that could make everyone
forget all the bad tricks I've done--
 (catching herself)
--which is NONE! I've never done a
bad trick in my life! Your puny
magic rock pales in comparison to
that of the Great and Powerful
Trixie!

Trixie poses again next to her poster. Sunset stares at her,
then at the poster of her in her ridiculous magic outfit,
then back at Trixie.

79 SUNSET SHIMMER
I don't believe it.

80 TRIXIE
What...?

81 SUNSET SHIMMER
...You have no idea what I'm
talking about.

82 TRIXIE
.....I don't. Sorry.

Sunset slumps to the floor.

83 TRIXIE (CONT'D)
...Did somebody really erase
everyone's memories of you?
 (off Sunset's nod)
...And even though we all know
you're the Biggest Meanie, you're
saying you're not mean anymore?

84 SUNSET SHIMMER
 (without looking up)
...It's complicated.

Sunset is surprised when Trixie sits down next to her.

85 TRIXIE
You have this idea of who you're
supposed to be, but no one at
school sees you that way, is that
it?

Sunset glances at the giant magician poster of Trixie in the
background. Trixie catches her look and nods...

86 TRIXIE (CONT'D)
Trust me... I get it.

Sunset laughs to herself.

87 SUNSET SHIMMER
I can't believe the only person who
believes me is the one I called a
manipulative blowhard.
 ("Can you forgive me?")
...Sorry.

88 TRIXIE
I took it as a compliment.
 (then, standing)
Let me help you find the stone.

She offers her hand. Sunset thinks it over.

89 SUNSET SHIMMER
What's in this for you?

Trixie gestures to her yearbook-page photo mock-up poster.

90 SUNSET SHIMMER (CONT'D)
No way, absolutely not.

Trixie shrugs, but keeps her hand held out.

91 SUNSET SHIMMER (CONT'D)
It has been pretty lonely being the
most hated girl in school again.

92 TRIXIE
Don't you mean "most popular."

93 SUNSET SHIMMER
Pretty sure it's the same thing.

94 TRIXIE
So what do you say... partners?

As Sunset looks from Trixie's face to her outstretched hand,
thinking it over... <MUSIC UP> and we DISSOLVE TO:

EXT. CANTERLOT CASTLE - EQUESTRIA - DAY

Sunlight shines on the royal castle.

INT. CANTERLOT - LIBRARY - RESTRICTED SECTION - DAY

PRINCESS CELESTIA and PRINCESS LUNA are at a research table
piled with books and parchment. Nearby, Twilight lets out a
frustrated <SIGH>.

95 TWILIGHT SPARKLE
I've looked everywhere. Why can't I
find the missing pages!? I'M USUALLY
GOOD AT LIBRARIES, YOU KNOW!

She slumps, her head BANGING on the table. The vibration
KNOCKS THE ORNATE PUZZLE BOX off the table. Slow-mo as TS
reacts in shock. The box hits the ground-- BREAKING INTO
PIECES... revealing the corner of...

A SCRAP OF PAPER. Twilight excitedly checks it out.

96 TWILIGHT SPARKLE (CONT'D)
THIS IS IT! It was in a secret
panel! ...Wait til I tell Sunset I
had to break a priceless artifact
to find the last clue.

Princess Celestia and Luna join her. Twilight glances from
them to the broken box...

97 TWILIGHT SPARKLE (CONT'D)
Did I say "break a priceless
artifact?" I meant-- point is--
Clover the Clever buried the stone!

CLOSE ON THE NEW SECTION OF PARCHMENT: an illustration of a
mound of dirt under a TRIANGULAR ROCK FORMATION.

98 TWILIGHT SPARKLE (CONT'D)
This rock formation must be
somewhere in the other world.
(then)
But it doesn't say how to get your
memories back.

Suddenly Twilight <GASPS>.

99 TWILIGHT SPARKLE (CONT'D)
Clover the Clever writes: "Perhaps
if the stone had been destroyed
right away, some of my memories
could have returned. But when the
sun sets after a memory has been
taken... it is erased forever."

She gives Princess Celestia a fearful look.

100 PRINCESS CELESTIA
You must warn Sunset Shimmer at
once.

CUT TO:

INT CANTERLOT HIGH SCHOOL - HALLWAY - DAY

CLOSE ON: Sunset's journal, GLOWING and BUZZING with urgency.
But... PULLING BACK, it's in Sunset's backpack, which is in
her locker. IN THE HALLWAY, Sunset and Trixie walk away from
her locker, oblivious...

101 SUNSET SHIMMER
So. Where should we start, Partner?

102 TRIXIE
How about with what I call you? I'm
thinking: "The Great and Powerful
Trixie's... pretty-decent-assistant-
detective-helper-person."

As they open the doors and go outside, we hold on the empty
hallway as the journal within Sunset's locker pulses with
light and buzzes... but there's no one there to see it.

FADE OUT.

END OF PART THREE
