First Draft 11/30/16  
Second Draft 12/13/16

The sound of <WAVES CRASHING> over black, then... FADE IN:

**EXT. THE BEACH - LATER**

Where the sand meets the water, waves <CRASH> gently for a peaceful moment, then suddenly SCI TWI sits up in the foreground, looking down at her friends lying off-screen.

1                   SCI TWI  
Should we be worried about Sunset  
Shimmer...?

APPLEJACK suddenly sits up next to her.

2                   APPLEJACK  
She's lyin', Twilight. Lyin' like a  
snake in tap shoes.

\*

Suddenly FLUTTERSHY SITS UP.

\*

3                   FLUTTERSHY  
But why is she pretending to be  
nice...?

RARITY suddenly sits up next to her.

4                   RARITY  
Just because we can't work out why  
she's lying doesn't mean she's  
telling the truth, darling.

RAINBOW DASH sits up between them.

5                   RAINBOW DASH  
Will you two cut it out, you're  
blockin' my sun!

PINKIE PIE suddenly sits up too. Everyone looks at her.

\*

6                   PINKIE PIE  
...I got lonely.

\*

Sci Twi is still bothered...

\*

7                   APPLEJACK  
Twilight, you haven't known Sunset  
Shimmer as long as we have. This is  
classic mean-girl psych-out stuff  
she's pullin.

8                   TRIXIE (O.S.)  
Applejack's right...!

All six heads turn.

REVEAL: Lying under an umbrella down the beach (near a lifeguard stand, presumably), being fanned by SNIPS and SNAILS who wave giant palm leaves... is TRIxie.

9 TRIxie (CONT'D)  
Sunset was voted "Biggest Meanie"  
for a reason. She only cares about  
herself and acts like everyone else  
should worship the floor she steps  
on.

(then)  
Water, please!

Trixie opens her mouth, waiting. Snips and Snails elbow each other until Snails opens a bottle of water and gives Trixie a sip. Applejack shakes her head like "seriously?"

10 TRIxie (CONT'D)  
Mmmm. Speaking of yearbook  
superlatives... seeing as how the  
yearbook president seems to be  
having an identity crisis, I  
believe that means the vice-  
president takes over, and why,  
that's you, Rarity...!

11 RARITY  
If this is your way of asking to be  
made Greatest and Most Powerful,  
the answer is no.  
(catching herself)  
Wait-- didn't we have this  
conversation yesterday? I can't  
quite remember...

Rarity looks to the girls, who shrug.

12 TRIxie  
Maybe we did, maybe we didn't.  
Memory is such a fickle thing-- you  
never know when you'll forget  
something important... like how  
great and powerful I am-- which is  
why I need to be in the yearbook!

Rarity rolls her eyes.

13 RARITY  
...I'll think about it.

14           TRIXIE  
          (innocent)  
That's all I ask.

<MUSIC> Transitions us and we DISSOLVE TO:

**EXT. CANTERLOT CASTLE - EQUESTRIA - DAY**

...Equestria. PUSH IN and DISSOLVE TO:

**INT. CANTERLOT CASTLE - EQUESTRIA - SAME**

The throne room, where we find SUNSET SHIMMER with TWILIGHT SPARKLE and PRINCESS CELESTIA.

15           SUNSET SHIMMER  
I should be getting back to my  
world. Maybe I can convince my  
friends I'm telling the truth, now  
that I know what we're looking for.

Twilight levitates a sketch of THE MEMORY STONE into Sunset's SADDLEBAG.

16           TWILIGHT SPARKLE  
...The Memory Stone. I'll stay here  
and search the restricted section,  
top to bottom, until I find out how  
to get your friends' memories back.

17           SUNSET SHIMMER  
If that's even possible...

18           TWILIGHT SPARKLE  
Oh, it's possible. I'll figure it  
out, even if I have to reorganize  
the whole library by subject-- or  
maybe chronologically-- OH and fix  
the broken catalogue machine...  
          (off Sunset's look)  
...Ahem. I'll figure it out.

\*  
\*  
\*  
\*  
\*  
\*  
\*

19           SUNSET SHIMMER  
Thank you...  
          (pointed, to Celestia)  
...both of you.

\*

20           PRINCESS CELESTIA  
This is quite a contrast from the  
last time we parted ways.

Sunset blushes, embarrassed, but Celestia reassures her.

21 PRINCESS CELESTIA (CONT'D)  
It can't be easy, having your  
friends treat you like the worst  
version of yourself-- who you used  
to be.

Sunset shakes her head-- no-- feeling glad to be understood.

22 PRINCESS CELESTIA (CONT'D)  
You are not that way anymore. With  
every choice you make, you prove  
yourself to possess a kind heart.  
You really have changed, Sunset.

Sunset appreciates that. She looks appreciatively to TS.

23 SUNSET SHIMMER  
I guess I had a good teacher...

24 TWILIGHT SPARKLE  
You were a good student.

Their overly-sentimental moment is broken when they realize  
Princess Celestia is glaring at them.

25 PRINCESS CELESTIA  
Are you saying I wasn't a good  
teacher?

SUNSET SHIMMER  
I-- no-- what I meant--

TWILIGHT SPARKLE  
She didn't say that-- I--

But Princess Celestia's glare softens into a smile, before  
she <CHUCKLES> softly. Twilight and Sunset exchange an amazed  
look, then <LAUGH> along with her.

26 TWILIGHT SPARKLE (CONT'D)  
(covering)  
I obviously knew you were kidding.

27 SUNSET SHIMMER  
Princess Celestia has a sense of  
humor? Looks like I'm not the only  
one who's changed.

\*

28 PRINCESS CELESTIA  
Use everything you've learned to  
set this right, Sunset Shimmer. I  
believe in you. We all do.

Twilight nods in agreement. Sunset smiles, then heads off.

**EXT. THE BEACH - LATER**

Playing beach volleyball with Rarity on her team, Rainbow Dash prepares to serve...

29           RAINBOW DASH  
It's been a grueling afternoon, but  
here we are... the final match, tie  
game, next point wins. Rainbow Dash  
to serve. A hush falls over the  
stunned crowd of ten thousand  
fans...

\*

She glances at Applejack and Sci Twi, who are reading/sunning  
nearby, the only two on the beach. Sci Twi <CLAPS>.

\*

30           SCI TWI  
Go, sports!

Rainbow Dash rolls her eyes, then hefts the ball.

31           RAINBOW DASH  
I'm not holding back this time!

\*

On the other side of the net, Fluttershy covers her eyes.

32           FLUTTERSHY  
That's what I'm afraid of...

Meanwhile, Pinkie Pie hops all over the court around  
Fluttershy, flexing and yelling-- SO INTENSE!!!

33           PINKIE PIE  
Bring it on, Rainbow Dash! You and  
Rarity just bought your team a one-  
way ticket on the express train to  
"YOU'RE GOIN' DOWN!"

\*

34           RAINBOW DASH  
(impressed)  
Nice game face, Pinkie Pie.

\*

35           PINKIE PIE  
Thanks! I've been practicing all  
day.

She runs over to Sci Twi's Selfie-Sensing Camera.

\*

36           PINKIE PIE (CONT'D)  
(yelling at the camera)  
ISN'T THAT, RIGHT, LITTLE BABY  
CAMERA!? YOU'RE IN MY HOUSE, NOW!!!

The Camera makes an R2-D2-like <SCARED BEEP BOOP> and hides behind SciTwi, who pets it like a dog. Nearby, Spike eyes it. \*

37 RARITY  
Somebody's jealous...! \*

But then Spike grins as Rarity scratches him behind the ear. \*

Rainbow Dash tosses up the volleyball to serve. It ARCS over the net. Fluttershy COVERS HER HEAD and it bounces off her. \*

38 PINKIE PIE  
I GOT IT, I GOT IT!!!

Pinkie DIVES. She skids across the sand.

39 PINKIE PIE (CONT'D)  
I don't got it.

The volleyball rolls until it's stopped by... a black boot. PAN UP REVEALING: Sunset Shimmer. \*

40 RAINBOW DASH  
If you're gonna pop our ball, just get it over with.

41 SUNSET SHIMMER  
Please, hear me out. I understand  
why you don't like me. It's not  
your fault-- someone erased your  
memories with Equestrian magic. \*

Rainbow Dash crosses her arms, doubtful. Sunset pulls out Twilight's sketch of the Memory Stone. \*

42 SUNSET SHIMMER (CONT'D)  
Does this look familiar? \*

She shows them the drawing of the STONE. No one answers.

43 SUNSET SHIMMER (CONT'D)  
Right, I guess you wouldn't  
remember. Listen, finding this  
stone and who's controlling it  
would be a lot easier if I had my  
friends' help. \*

Sunset pulls out her phone and swipes through PICTURES OF THEM ALL TOGETHER (*from the shorts or previous movies*). \*

44 SUNSET SHIMMER (CONT'D)  
And look, we really are friends. \*

Rainbow Dash studies the picture, then shows the others.  
Fluttershy gives a look like, "well, maybe?"

45               SCI TWI  
Maybe she's telling the truth...

They're on the verge of a consensus, when--

46               TRIXIE (O.S.)  
Oh, please.

They turn, seeing Trixie sitting in the drivers' seat of her  
car in A PARKING LOT by the beach. *Sunset is NOT happy.*

47               TRIXIE (CONT'D)  
This is the same girl who made  
flawless fake photos of your friend  
trashing the gym, remember?

Pinkie Pie suddenly peers over RD's shoulder at a picture of  
the gang having fun at Camp Everfree.

48               PINKIE PIE  
Yeah, wait a minute-- is that  
supposed to be me making such a  
ridiculous face? I'd never make a  
face like that!

49               SUNSET SHIMMER  
(frustrated)  
You're making it right now...

50               PINKIE PIE  
Preposterous! Fake, I say!

Disgusted, Rainbow Dash hands back Sunset's phone.

51               TRIXIE  
See you Monday, Rarity! *And don't*  
forget what we talked about!

Trixie BANGS her hand out her window on the roof of her car.

52               TRIXIE (CONT'D)  
WHAT'S TAKING SO LONG!?

REVEAL: Snips and Snails are loading beach gear into her  
trunk, having an impossible time getting an UMBRELLA to fit.

PUSH IN ON SUNSET, confused.

53               SUNSET SHIMMER  
(sotto)  
What's she doing here...?  
(MORE)

SUNSET SHIMMER (CONT'D)

(then)

Trixie, wait--!

Sunset takes a step and-- TRIPS over SPIKE, who <YELPS>! He takes off running, tangling Sunset's legs in his leash. She stumbles past Sci Twi who watches in slow-motion horror as-- Sunset's boot CRASHES DOWN onto her Selfie-Sensing Camera. It <WHIMPERS> then <SPARKS> and <FIZZLES>, lights going out. \*

Sci Twi's fists clench, her face turning red with anger...

54 SUNSET SHIMMER (CONT'D)

It was an accident-- you saw-- I can help fix it! We built it together, I know how it works. \*

Sci Twi blocks her, protecting the camera like a mama bear. \*

55 SCI TWI

You've already "helped" enough.  
(examining camera)  
We'll have to take the picture again, too... \*

The girls glare at Sunset. \*

56 APPLEJACK

Congratulations, Miss Shimmer. You win, we lose. That's what you wanted, right?! To break up our friendship-- you did it before, now you're doing it again.

57 SUNSET SHIMMER

No-- I'm not like that anymore...!  
Wait, don't go...!

She watches them pack their stuff.

58 RARITY

Hmph. I'm almost inclined to give Trixie that superlative just to teach you a lesson, Sunset.

Sunset glances at the parking lot and watches Trixie drive away (wearing her seatbelt), waving at her as she goes. \*

59 SUNSET SHIMMER

That's what she wants you to do, isn't it...?

Off Sunset's eyes narrowing...

**EXT. CANTERLOT HIGH SCHOOL - DAY**

<THE BELL RINGS> on Monday morning.

**INT. CANTERLOT HIGH SCHOOL - HALLWAY - DAY**

Sunset closes her locker and walks down the hall, passing all the same people as in the opening of *Part One*, but this time she notices they react to her by whispering, turning away, or shakily holding out a hand in front of her...

60                   MICRO CHIPS  
Here you go.

MICRO CHIPS hands Sunset some cash. She's confused at first, then outraged, shoving the money back into his scared hands.

61                   SUNSET SHIMMER  
I don't want your lunch money. I'm  
not mean, GOT IT!? I'M NOT MEAN!!!  
(off their scared reactions)  
You'll have your memories back  
soon, everyone.

ANGLE ON Trixie's locker. Sunset <KNOCKS>, startling Trixie. Trixie's eyes light up, then narrow. <DRAMATIC MUSIC>.

62                   TRIXIE  
So, here we are.

63                   SUNSET SHIMMER  
Here we are.

Neither one moves. A showdown...

64                   TRIXIE  
You really want to do this here, in  
the hallway in front of everyone?

65                   SUNSET SHIMMER  
Up to you.

A tense beat. Then Trixie smirks and reaches into her locker.

Sunset backs up, ready to fight-- as Trixie WHIPS something out of her locker and a <DRAMATIC MUSIC CUE> scares us, but then music cuts out because--

It's A GIANT POSTERBOARD mock-up yearbook page of Trixie in Criss Angel-esque magician mode: "Greatest and Powerfulest." Next to the mock-up, Trixie poses, making the same pouty magician face as her picture. Sunset blinks.

66               TRIXIE  
Behold, Canterlot High School's  
Greatest and Powerfulest Student!  
If this three-times scale mock-up  
doesn't convince you, I don't know  
what will.

\*  
\*  
\*

Trixie holds her pose. Sunset glares, not happy.

\*

67               SUNSET SHIMMER  
Where's the Memory Stone!?  
(off Trixie's stare)  
You turned my friends against me  
just because I wouldn't put you in  
the yearbook as The Greatest and  
Powerfulest? POWERFULEST ISN'T  
EVEN A WORD!

\*  
\*  
\*  
\*

68               TRIXIE  
What are you talking about?

69               SUNSET SHIMMER  
It's not a word!!!

70               TRIXIE  
No, what Memory Stone...?

71               SUNSET SHIMMER  
The one you used to magically erase  
everyone's memory-- don't pretend  
you have no idea what I'm talking  
about, you manipulative...  
(searching for the word)  
...blowhard!

\*  
\*  
\*

Trixie ignores that last part as her eyes light up, thinking  
of the possibilities...

72               TRIXIE  
...a stone that could make everyone  
forget all the bad tricks I've done--  
(catching herself)  
--I mean um-- not bad tricks, I've  
never done a bad trick in my life,  
and besides...  
(voice booming)  
I have no need for your puny whats-  
it-called rock, for such magic  
pales in comparison to that of the  
Great and Powerful Trixie!

\*  
\*

Trixie poses again. Sunset stares at her, then at the poster  
of her in her ridiculous magic outfit, then back at Trixie.

73               SUNSET SHIMMER

I don't believe it.

74               TRIXIE

What...?

75               SUNSET SHIMMER

...You have no idea what I'm  
talking about.

76               TRIXIE

.....I don't. Sorry.

Sunset slumps to the floor.

77               TRIXIE (CONT'D)

...Did somebody really erase  
everyone's memories of you?

(off Sunset's nod)

...And even though we all know  
you're the Biggest Meanie, you're  
saying you're not mean anymore?

78               SUNSET SHIMMER

(without looking up)

...It's complicated.

\*

79               TRIXIE

I think I understand.

\*

\*

Sunset is surprised when Trixie sits down next to her.

\*

80               TRIXIE (CONT'D)

You have this idea of who you're  
supposed to be, but no one at  
school sees you that way, is that  
it?

\*

Sunset glances at the giant magician poster of Trixie in the  
background. Trixie catches her look and nods...

81               TRIXIE (CONT'D)

Trust me... I get it.

Sunset laughs to herself.

82               SUNSET SHIMMER

I can't believe I told my best  
friends about the memory stone, but  
the only person who believed me is  
the one I called a manipulative  
blowhard.

("Can you forgive me?")

...Sorry.

A SCRAP OF PAPER. Twilight excitedly checks it out.

91 TWILIGHT SPARKLE (CONT'D)  
THIS IS IT! It was in a secret  
panel! ...Wait til I tell Sunset I  
had to break a priceless artifact  
to find the last clue.

Princess Celestia and Luna join her. Twilight peers at the  
scrap...

92 TWILIGHT SPARKLE (CONT'D)  
Clover the Clever buried the stone!

CLOSE ON THE NEWLY FOUND SECTION OF PARCHMENT, where there's  
an illustration of a mound of dirt under a TRIANGULAR ROCK  
FORMATION.

93 TWILIGHT SPARKLE (CONT'D)  
This rock formation must be  
somewhere in the other world.  
(then)  
But it doesn't say how to get your  
memories back.

Suddenly Twilight <GASPS>.

94 TWILIGHT SPARKLE (CONT'D)  
Clover the Clever writes: "Perhaps  
if the stone had been destroyed  
right away, some of my memories  
could have returned. But when the  
sun sets after a memory has been  
taken... it is erased forever."

She gives Princess Celestia a fearful look.

95 PRINCESS CELESTIA  
You must warn Sunset Shimmer at  
once.

CUT TO:

INT CANTERLOT HIGH SCHOOL - HALLWAY - DAY

CLOSE ON: Sunset's journal, GLOWING and BUZZING with urgency.  
But... PULLING BACK, it's in Sunset's backpack, which is in  
her locker. IN THE HALLWAY, Sunset and Trixie walk away from  
her locker, oblivious...

96 SUNSET SHIMMER  
So. Where should we start, Partner?

97

TRIXIE

How about with what I call you? I'm  
thinking: "The Great and Powerful  
Trixie's... pretty-decent-assistant-  
detective-helper-person."

As they open the doors and go outside, we hold on the empty  
hallway as the journal within Sunset's locker pulses with  
light and buzzes... but there's no one there to see it.

FADE OUT.

**END OF PART THREE**
