INT. YEARBOOK OFFICE - DAY

The wall clock <TICKS>. Sunset lies on the floor, staring at the ceiling. Trixie leans back in a chair at a desk nearby.

1 TRIXIE
So you think we confronted someone
who had the Memory Stone, and they
erased our Five memory to get away?

2 SUNSET SHIMMER
We almost had them... whoever it
was.

3 TRIXIE
This is impossible! How are we
supposed to catch someone who can
erase our memory any time we get
close to them...!

<INTRIGUING MUSIC CUE>. Sunset sits up with a funny look on her face.

4 SUNSET SHIMMER
By being clever.

5 TRIXIE
What's that supposed to mean?

Sunset goes over to SCI TWI'S CAMERA, which is still sitting on its tripod...

6 SUNSET SHIMMER
It's been recording this whole
time!

7 TRIXIE
What!?

8 SUNSET SHIMMER
I did this. I don't remember doing
it, but in the story, Clover the
Clever caught the Sorceress by
writing everything down. I must
have thought of that and recorded
our conversation with whoever had
the stone just in case!

Sunset fiddles with the camera. ON THE COMPUTER MONITOR, the video begins to play! We see Wallflower editing her Best Gardener photo. Sunset (on the video) looks right into the lens at us and WINKS.

9 TRIXIE
 (amazed)
 ...Clever.

ON THE MONITOR, Sunset goes over and touches Wallflower on the arm.

10 WALLFLOWER (ON VIDEO)
 What are you--

11 SUNSET SHIMMER (ON VIDEO)
 <GASP> Wallflower, you have the
 memory stone?

12 SUNSET AND TRIXIE
 Wallflower!?

<MUSIC UP> and we dissolve through shots/audio of the video confrontation and Sunset and Trixie's reaction watching it...

13 WALLFLOWER (ON VIDEO)
 ...I guess you won't remember this.
 Oh well!

Trixie presses PAUSE.

14 TRIXIE
 Maybe she's right about you.

15 SUNSET SHIMMER
 Thanks for making me feel better.

16 TRIXIE
 Actually, the Great and Wisdom-
 sharing Trixie is making a point.
 You know what I saw you do on that
 video? You demanded she give back
 our memories.

17 SUNSET SHIMMER
 Wouldn't you have done the same
 thing?

18 TRIXIE
 Oh, definitely. But as you said,
 you're not like me. What I'd do
 probably isn't the "friendliest"
 thing to do.

Sunset stares at Wallflower's face in the freeze-frame.

19 SUNSET SHIMMER
 Maybe you're right. <SIGH>.
 Not that it matters--

SUNSET SHIMMER (CONT'D)
(jiggling locked door)
I can't go set things right without
the key, anyway.

20 TRIXIE
Ha! You forget that if you're
trapped with an expert illusionist,
you're not really trapped at all.
Behold: *The Magician's Exit!*

Trixie throws something down and FLASH! <POP>! Smoke! Sunset
<COUGHS>, waving smoke out of her face. When it clears, she's
stunned to see... THE DOOR IS WIDE OPEN.

21 TRIXIE (CONT'D)
IT WORKED! IT FINALLY WORKED!!!
(suddenly calm)
I mean, as always.

22 SUNSET SHIMMER
How did you do that!?

23 TRIXIE
A magician never reveals her
secrets.

24 SUNSET SHIMMER
I owe you one, Trixie. Now come
on... let's find Wallflower before
she does any more damage.

They run out.

EXT. CANTERLOT HIGH SCHOOL - DAY

Sunset and Trixie barge through the front door.

25 SUNSET SHIMMER
Keep your eyes peeled for the
memory stone in action. If she
starts to use it, we run.

Their eyes scan the front courtyard. Small groups of kids
hanging out, but...

26 TRIXIE
I don't see her...

27 SUNSET SHIMMER
Let's check the parking lot...!

CUT TO:

EXT. CHS PARKING LOT - MOMENTS LATER

<CAR HONK>! Flash Sentry SLAMS on the brakes as Sunset stops short at the curb-- a close call, but not so close that S&P doesn't like it... ;)

28 SUNSET SHIMMER
Sorry! Sorry!

Trixie points at various cars, trying to help.

29 TRIXIE
That one! No that one! Actually I
HAVE NO IDEA WHAT HER CAR LOOKS
LIKE!

Amid the chaos, Sunset barely registers VICE PRINCIPAL LUNA waving along an idling car.

30 VICE PRINCIPAL LUNA
No parking in the red zone...

After a quick bemused reaction from Sunset, she zeroes in on: WALLFLOWER in her CAR-- about to pull out of the lot--

31 SUNSET SHIMMER
There!!!

CLOSE ON Wallflower in her car, listening to the radio, feeling good about herself. The MEMORY STONE sits peeking out of her backpack in the seat next to her. Suddenly she STOPS SHORT. Her eyes narrow.

Blocking road... SUNSET.

Wallflower takes the stone into her hands and gets out of the car.

She SLAMS her door. For a moment, times seems to stand still.

The Memory Stone glows silently.

32 WALLFLOWER
You're really asking for it aren't
you.

Sunset holds her ground. Nearby, Trixie watches nervously. Across the way...

THE MANE 6 stand together, hanging out, but now turning to watch the confrontation.

Pulling out the stone from her backpack...

33 WALLFLOWER (CONT'D)
Do you want YOUR memory erased too?

34 SUNSET SHIMMER
Actually no... I want to apologize.

Wallflower is caught off-guard.

35 WALLFLOWER
For what?

36 SUNSET SHIMMER
When I confronted you earlier, I was only focused on solving my problem, not the problem we have with each other.

Wallflower lowers the stone a bit, intrigued...

37 SUNSET SHIMMER (CONT'D)
I used to be just like you. Sure I was popular, but how did I feel? I felt all alone. But then I met six girls who changed my life and taught me what it means to be a friend.

She gestures toward the Mane 6. CLOSE ON FLUTTERSHY, hearing her words...

38 SUNSET SHIMMER (CONT'D)
Fluttershy, you inspire me every day with your bottomless kindness to everyone... and everything.

Fluttershy blushes. REVEAL: She's holding a bunny, who looks up at her and smiles.

39 SUNSET SHIMMER (CONT'D)
Applejack, I could always count on you to tell me the truth, even when it might mean changing my outfit seven times because you were the only one who'd tell me it didn't look good.

CLOSE ON APPLEJACK, as Sunset's words soften her expression.

40 SUNSET SHIMMER (CONT'D)
Rarity, you're so talented at everything you put your mind to, but you're also so generous in sharing those talents to help your friends.

(MORE)

SUNSET SHIMMER (CONT'D)

(then)

Pinkie Pie, no one could cheer me
up with a good laugh like you.

Pinkie's eyes will with TEARS.

41 PINKIE PIE
I'm such a sucker for climactic
speeches...!

42 SUNSET SHIMMER
And Rainbow Dash, there was no
better feeling than knowing I had a
friend who's always got my back.

Sunset turns to back toward Wallflower.

43 SUNSET SHIMMER (CONT'D)
My friends may not remember me, but
I'll never forget them. And so, in
that same spirit, I offer my hand
in friendship to you... a chance to
stop being invisible, because
everyone matters, no matter how
insignificant or invisible they
feel.

Wallflower's eyes quiver.

44 WALLFLOWER
I...

She's on the verge of something... until she looks around and
sees...

Small groups of incidental students whispering to each other.

45 STUDENT WALLA
*Who IS that? / Who's Sunset talking
to? / Does she even go here...?*

46 WALLFLOWER
(soft)
I've known you all for years...

47 SUNSET SHIMMER
It's going to be okay, Wallflower.

48 STUDENT WALLA
*Wallflower? / Is that her name? /
Who's Wallflower...?*

But the murmurs continue, until she can't take it anymore!

49 WALLFLOWER
ENOUGH! If none of you remember me,
you don't deserve to remember
ANYTHING!

Wallflower whispers to The Memory Stone, which begins to glow brighter.

One by one, the Mane 6 look to each other... what should they do?

50 SUNSET SHIMMER
Please Wallflower, stop.

The Stone glows brighter as tendrils reach out for everyone's heads... enveloping them, stealing the bright sparks of their memories. The Mane 6 watch, confused, as their own MEMORY SPARKS begin to get pulled by the green tendrils.

Sunset can't stand it.

51 SUNSET SHIMMER (CONT'D)
Erase MY memories if you have to,
but I won't let you steal my
friends' memories of EACH OTHER!

Sunset dives, knocking the stone down! When she touches it, the green tendrils converge on her! Sunset's entire body begins to glow with green memory-sucking energy.

52 SCI TWI
STOP IT, WALLFLOWER!

53 WALLFLOWER
Says who...?

HERO SHOT of the Mane 6 in a vanguard, standing tall...

54 SCI TWI
Sunset Shimmer's friends.

55 WALLFLOWER
But... you don't remember her.

56 SCITWI
That may be true, but what we just
saw was more than enough to
convince us that Sunset's a good
person, and we'd be proud to call
her our friend.

Sunset is touched to hear that. Her geode begins to glow. She notices, and so do the rest of Mane 6 as all their geodes glow.

63 SUNSET SHIMMER (V.O.)
Dear Princess Twilight...

EXT. CANTERLOT HIGH SCHOOL - PARKING LOT - DAY

Sunset and the Mane 6 run outside, excited to see--

A TRUCK backing up.

DARKNESS, then BRRRRPT-- the back of the truck opens and the girls peer inside. REVERSE: revealing...

64 SUNSET SHIMMER (V.O.)
The yearbooks have arrived, and all
things considered, they came out
pretty good.

She flips open a cardboard box, pulling out a yearbook.

EXT. CANTERLOT HIGH SCHOOL - COURTYARD - DAY

The girls sit around with their yearbooks: Flipping through, smelling pages, pointing and smiling at various pages...

65 SUNSET SHIMMER (V.O.)
Thank you for all your help, and
send all my thanks to Princess
Celestia and Princess Luna for
theirs as well.

INT. CANTERLOT HIGH SCHOOL - HALLWAY - LATER

Sunset walks down the hall, holding a yearbook.

66 SUNSET SHIMMER (V.O.)
Oh, and please tell Princess
Celestia we made a new friend over
here.

REVEAL Wallflower, surprised to see Sunset and the girls, who deliver her a yearbook. She flips it open and is touched to see...

The "Best Gardener: Wallflower" superlative page, with signatures and messages from the whole school.

She can't help but smile.

Trixie runs over, demanding an explanation.

67 TRIXIE
How did THIS get in here?

REVEAL: Greatest and Powerfulest, just like her mocked-up posterboard photo: Trixie.

Sunset shrugs her shoulders with a smile in feigned ignorance:

68 SUNSET SHIMMER
...A yearbook President never
reveals her secrets.

Trixie smiles. Along with Wallflower, The girls all head off to lunch together.

69 SUNSET SHIMMER (V.O.)
Your friend, Sunset Shimmer.

DISSOLVE TO: A yearbook. The pages flutter open, eventually settling on...

A full page photo of the Best Friends superlative:

"Twilight Sparkle, Applejack, Rarity, Fluttershy, Pinkie Pie, Rainbow Dash...

...and Sunset Shimmer."

FADE OUT.
