Polish Draft 01/02/17

EXT. CANTERLOT HIGH SCHOOL - DAY

Students mill about at the end of the day.

INT. CANTERLOT HIGH SCHOOL - HALLWAY - SAME

An empty hallway. From somewhere far away, we hear the sounds of someone <POUNDING ON A DOOR>.

A DIFFERENT EMPTY HALL: <BANGING CONTINUES>. ANGLE ON: The YEARBOOK OFFICE DOOR, shaking with each <BANG>!

1 SUNSET SHIMMER (O.S.)
 (muffled through door)
IS ANYBODY OUT THERE!? SOMEBODY
OPEN THE DOOR!!!

INT. YEARBOOK OFFICES - DAY

Sunset backs up and SHOULDER BARGES the door.

2 SUNSET SHIMMER
Okay, ow.

She slides down to sit on the floor.

3 SUNSET SHIMMER (CONT'D)
I don't know what to do. in a few
hours it'll be too late to restore
everyone's memories. I'll never get
my old life back.

She <SIGHS>. Trixie leans back in a chair at a desk nearby.

4 TRIXIE
...So you think we confronted the
person who has the Memory Stone,
but then erased our memory, locked
us in here without your key, and
got away?

5 SUNSET SHIMMER
That's how the original Sorceress
kept escaping with the Memory Stone
back in Equestria.

6 TRIXIE
Well this is impossible, then! How
are we supposed to catch someone
who can erase our memory every time
we get near them!?

<INTRIGUING MUSIC CUE>. Sunset sits up with a funny look on her face. She pats herself down. She's amazed to pull A CRUMPLED NOTE FROM HER POCKET.

7 SUNSET SHIMMER
By being "Clever..."

Trixie's confused. Sunset reads it.

8 SUNSET SHIMMER (CONT'D)
It's my handwriting, look. I wrote
myself a note.
(showing her)
"Check the video."

Trixie's even more confused. Growing more hopeful by the second, Sunset spots-- SCI TWI's SELFIE SENSING CAMERA DRONE, which is still sitting on a desk plugged into a computer.

9 SUNSET SHIMMER (CONT'D)
If I'm as smart as I hope I am,
this means I left a trail of
breadcrumbs just like Clover the
Clever...

She inspects the camera. CLOSE ON: The BLINKING RED RECORDING LIGHT. Sunset is amazed.

10 SUNSET SHIMMER (CONT'D)
...YES! It's been recording this
whole time!

11 TRIxie
Twilight's camera...? What are you
talking about?!

12 SUNSET SHIMMER
I don't remember doing it, but I
must have realized they would erase
our memories, so I pressed record!

Sunset presses PLAY.

ON THE COMPUTER MONITOR, A VIDEO BEGINS: Sunset's face fills the frame. She adjusts the camera a bit, then gives a thumbs-up into the lens.

13 TRIxie
(watching, amazed)
...Clever.

14 SUNSET SHIMMER
I can't take credit for the idea.

ON THE VIDEO, Sunset begins slinking toward... WALLFLOWER, who sits at her computer editing the garden photo.

WATCHING THE VIDEO, Trixie is confused.

15 TRIXIE
Who's THAT?

16 SUNSET SHIMMER
...Wallflower.

17 TRIXIE
Name's not ringin' a bell.

Off Sunset's look-- "seriously?" On the video, Wallflower begins <SINGING>. Trixie rolls her eyes and presses FAST FWD. On the video, we see WF sing-sing-sing super fast...

18 TRIXIE (CONT'D)
Long song, huh?

Finally Trixie lets go of the button/presses play. On the video, Sunset confronts Wallflower, surprising both the

19 SUNSET SHIMMER (ON VIDEO)
*You're about to see how mean I can
get if you don't give me that
stone.*

Watching the video, Trixie is surprised by Sunset's anger. She presses PAUSE.

20 TRIXIE
She's... kinda right about you.

21 SUNSET SHIMMER
(sarcastic)
Thanks.

22 TRIXIE
Actually, the Wise and Moralizing
Trixie was making a point.
(re: the video)
You said you didn't do anything.

23 SUNSET SHIMMER
I didn't! I wasn't mean to her at
all.

24 TRIXIE
Maybe it's not good enough to "not
be mean" to someone. Maybe you have
to be nice.

Sunset stares at Wallflower's face in the freeze-frame.

25 SUNSET SHIMMER
...You're right.

26 TRIxie
Always.

27 SUNSET SHIMMER
<SIGH>. Not that it matters--
(jiggling locked door)
It would take a miracle to get us
out of here.

Trixie's eyes light up.

28 TRIxie
Not a miracle-- just... MAGIC!
(wish a flourish)
We forgot that when you're trapped
with a master illusionist, you're
not really trapped at all.
(booming stage voice)
Behold: *The Magician's Exit!*

Trixie throws something down and FLASH! <POP>! SMOKE...

INT. CANTERLOT HIGH SCHOOL - HALLWAY - MOMENTS LATER

...and when the smoke clears, TRIxie IS AMAZED TO FIND
HERSELF OUT IN THE HALLWAY!

29 TRIxie
IT FINALLY WORKED! I DID IT!!! I'd
tell you how but, "A magician never
reveals her secrets..."

Trixie turns. Uh... no Sunset, just a closed/locked door.

30 SUNSET SHIMMER (O.S.)
I'm still in here.

31 TRIxie
Ummm... all part of the trick! Have
you out in a jiffy!

She throws another smoke bomb. When it clears, SUNSET is in
the hallway! BUT WIDER reveals: No Trixie. ANGLE ON THE DOOR.

32 TRIxie (O.S.) (CONT'D)
OH COME ON!!! That was my last
smoke bomb. Leave me-- I'd rather
be remembered as a martyr anyway!

33 SUNSET SHIMMER
I owe you one, Trixie. I will never
forget this.

As Sunset runs off, hold on the closed door...

34 TRIxie (O.S.)
...Well, never say never.

EXT. CANTERLOT HIGH SCHOOL - DAY

Sunset runs outside.

35 SUNSET SHIMMER
Wallflower!?

But only a few incidentals standing around. Sunset runs off toward the parking lot, determination on her face and then--

EXT. CANTERLOT HIGH SCHOOL - PARKING LOT - MOMENTS LATER

<CAR HONK>! Flash Sentry (seatbelted) SLAMS on the brakes as Sunset stops short at the curb-- an S&P-friendly close call).

36 SUNSET SHIMMER
Sorry! Sorry!

She stumbles into the lot after he pulls ahead. She looks left-- sees LYRA and BON-BON walking and talking. Looks right: THE MANE 6 are hanging out at Applejack's car. Looks ahead and WE PUSH IN ON SUNSET AS SHE SEES--

37 SUNSET SHIMMER (CONT'D)
Wallflower! Stop!

Across the parking lot, WALLFLOWER is heading into the woods. She stops, but doesn't look back.

38 WALLFLOWER (O.S.)
Who... me?

Sunset strides across the lot. She walks right past the Mane 6, who give her space. She checks out their faces as she passes-- FLUTTERSHY, RAINBOW DASH, PINKIE PIE, APPLEJACK, RARITY, SCI TWI-- skeptical, dubious.

39 SUNSET SHIMMER
(calling to Wallflower)
I just want to talk...!

Wallflower turns around, face innocent...

40 WALLFLOWER

...about the yearbook, or...? I was... on my way to my garden. Is everything okay, Sunset...?

As Sunset catches up to her...

41 SUNSET SHIMMER

It's no use pretending-- I remember everything... the Memory Stone... how I acted... all of it...

Wallflower suddenly goes from wary to ANGRY.

42 WALLFLOWER

WHAT?! How? I erased the whole afternoon!

That catches the Mane 6's attention. Wallflower BLUSHES.

43 SUNSET SHIMMER

Listen, I used to be just like you. Sure I was popular, but I was lonely.

44 WALLFLOWER

You're nothing like me, and I'm not lonely, because I have... plants.
(sotto, thrown away)
Okay that sounded pretty lonely when I said it out loud...

Wallflower blushes more, seeing the Mane 6 staring at her.

45 SUNSET SHIMMER

I'm sorry, Wallflower...

46 WALLFLOWER

No, you're not. You're just trying to look good in front of your friends!

(re: the Mane 6 looking over)
AND IT'S WORKING! ARGH! How am I supposed to get back at you if nothing I do matters? I HATE YOU!

Sunset winces. Behind her, Applejack and Rainbow Dash exchange a look-- "whoa, where'd that come from?" Fluttershy, holding an adorable bunny, covers its ears.

Red-faced with anger, Wallflower looks past Sunset to the Mane 6. Her eyes narrow with an idea. She pulls THE MEMORY STONE from her backpack.

47 SUNSET SHIMMER

Okay, there it is, now just... put it down...

Wallflower hefts the stone.

48 WALLFLOWER

I wanted to teach you a lesson by erasing your friends' good memories of you, but obviously that didn't work.

(slight smile)

But what if I erased ALL their memories of high school?

She enjoys seeing Sunset GASP.

49 WALLFLOWER (CONT'D)

You wouldn't like that, would you?

50 SUNSET SHIMMER

You can't-- you'd be stealing their memories of each other!

Wallflower nods. The Mane 6 look at each other, confused. The stone begins GLOWING as Wallflower closes her eyes.

51 SUNSET SHIMMER (CONT'D)

They won't be friends anymore!

Wind swirls around Wallflower, blowing her hair as <MAGIC SOUNDS> swell. PUSH IN ON SUNSET-- what can she do!? The stone glows even brighter. The Mane 6 cover their eyes.

Suddenly <ZAP>! A BEAM OF LIGHT shoots toward the Mane 6--

52 SUNSET SHIMMER (CONT'D)

--NO!

Sunset JUMPS IN FRONT OF IT! The Mane 6 <GASP>. Sunset braces herself against the white light that envelops her.

53 SUNSET SHIMMER (CONT'D)

...I ruined their friendship once before-- I'd rather give up my own memories than let it happen again!

As ENERGY flows around Sunset, she clutches her head, fighting it-- but a GLOWING SPARK with a ghostly image of FLUTTERSHY emerges from her forehead.

54 SUNSET SHIMMER (CONT'D)

Arghhh...! Fluttershy... Your kindness inspired me every day...!

CLOSE ON FLUTTERSHY, hearing her words. The bunny she's holding looks up at her and smiles. The SPARK of Fluttershy disappears into the Memory Stone. From Sunset's forehead comes another SPARK-- with a ghostly APPLEJACK...

55 SUNSET SHIMMER (CONT'D)
Applejack, You told the truth even
when it--Nghhhhh! <PAINED SOUNDS>.

CLOSE ON APPLEJACK, her expression softening. Then A SPARK OF RARITY floats out of Sunset, along the beam toward the stone. Sunset doubles over, fighting but losing...

56 SUNSET SHIMMER (CONT'D)
Nghhhh! Rarity, you always-- AHHHH!

Rarity's eye's quiver. The sparks of AJ and RY disappear into the Stone. A RAINBOW DASH SPARK emerges from Sunset.

57 SUNSET SHIMMER (CONT'D)
<PAINED GASP>! Rainbow Dash...!

Rainbow Dash feels a surge of emotion. A PINKIE PIE SPARK emerges. Sunset's legs give out and she falls to her knees.

58 SUNSET SHIMMER (CONT'D)
Pinkie...! Nghhhhhhh!

Pinkie's eyes fill with TEARS. Finally, a ghostly SPARK of SCI TWI comes out and Sunset falls to lie on the pavement.

59 SUNSET SHIMMER (CONT'D)
Twilight... Nghhh... you taught me
everything I know about friendship.
Don't... forget... me... Aghhhhhhh!

SCI TWI watches with horror as the beam of light <CRACKLES> around Sunset, drawing more SPARKS out of her. The sparks rush into the stone and then <FWOOSH>... it's suddenly QUIET.

<BREATHING HEAVILY>, Sunset's eyes dart around like a frightened, cornered animal.

60 SUNSET SHIMMER (CONT'D)
This isn't Canterlot... where am
I...? Princess Celestia?

Sci Twi gives a silent <GASPS>. Fluttershy covers her face. Pinkie sobs onto her shoulder. Applejack and Rainbow Dash exchange a silent look... then glare at Wallflower, who blushes and can't look at them.

On the ground, Sunset wiggles her FINGERS and freaks out.

61 SUNSET SHIMMER (CONT'D)
What's happened to me? Princess
Celestia!? Help! Somepony help me--!

CLOSE ON SCI TWI... cowering Sunset reflecting in her eyes.

62 SUNSET SHIMMER (CONT'D)
(softer)
...Princess Celestia...

CLOSE ON SUNSET SHIMMER, closing her eyes, shivering.

63 SUNSET SHIMMER (CONT'D)
(barely a whisper)
...I promise not to leave you...

Sunset is silent and motionless. A long beat.

A shadow crosses her. She looks up, frightened...

64 SUNSET SHIMMER (CONT'D)
Who are you...?

<DRAMATIC MUSIC> and then pan around to REVEAL: The Mane 6,
standing side by side. Sci Twi steps forward.

65 SCI TWI
We are your friends.

Sunset doesn't understand, but the girls begin circling her.
Wallflower watches the circle close-- they're protecting her.

66 APPLEJACK
You may not remember us, and we may
not remember you...

67 PINKIE PIE
After seeing what you did for us...

68 RARITY
...the sacrifice you made...

69 FLUTTERSHY
...we'd be proud to call you...

70 RAINBOW DASH
...our friend.

Sci Twi helps Sunset Shimmer up. As soon as their hands
touch... A LINE OF ENERGY CRACKLES AROUND SUNSET'S GEODE
NECKLACE. It travels down her arm and up Sci Twi's,
activating HER GEODE. The energy travels down the line. After
a BRIGHT FLASH, Wallflower <GASPS> to see...

The Mane 7 are floating in formation, decked out in their CRYSTAL ARMOR, holding hands, wind blowing behind them.

Wallflower shakes her head-- this can't be happening. From the glowing geode necklaces, beams of color ZAP together and the combined energy BLASTS THE MEMORY STONE!

Wallflower stumbles back as THE MEMORY STONE cracks, energy lines surging around it until it EXPLODES! SPARKS OF MEMORY rush out along with a cacophony of <WALLAH> and <SFX>. Quick shots of everyone as the memory sparks return to their heads. Including... THE MANE 6 and SUNSET SHIMMER. The <SFX> and swells and then <FWOOSH>...

Silence.

Sunset cautiously stands up. She looks over at her friends.

71 SUNSET SHIMMER
(hesitantly...)
...Twilight... Sparkle...?

PUSH IN ON SCI TWI... <DRAMATIC MUSIC>... and then...

72 SCI TWI
...Sunset Shimmer!

They embrace. The others join for a group hug.

73 SCI TWI (CONT'D)
We're so sorry.

74 SUNSET SHIMMER
I'm just glad to have you all back.

ANGLE ON Wallflower, watching them hug. Sunset sees her and comes over. Wallflower can't make eye contact...

75 WALLFLOWER
I'm so ashamed. I'd rather be
invisible or forgotten than
remembered as a villain.

76 SUNSET SHIMMER
We've all been villains to someone
at one time or another. What matters
are the choices you make today.

Wallflower sadly inspects a shard of the destroyed stone.

77 WALLFLOWER
When I first found the Memory
Stone, I only erased little
things...
(MORE)

WALLFLOWER (CONT'D)
awkward hellos, saying the wrong
thing, literally any public
speaking...

Sci Twi comes over.

78 SCI TWI
That's understandable. I've had
plenty of awkward moments I wish I
could erase too.

79 WALLFLOWER
But it's no excuse.
(to Sunset)
I'm sorry for everything. I was so
used to erasing memories that I got
completely carried away.

80 SUNSET SHIMMER
It's okay. I'm sorry too. I may
have stopped being mean, but a
great and powerful friend helped me
realize I still wasn't very nice to
you.

The Mane 6 nod in agreement.

81 APPLEJACK
None of us were.

82 FLUTTERSHY
And I know how hard it is being
shy.

Wallflower Sunset offers her hand.

83 SUNSET SHIMMER
Everyone matters, Wallflower, no
matter how insignificant or
invisible they feel.

Wallflower's eyes quiver.

She takes Sunset's hand, who helps her up and they embrace.

DISSOLVE TO:

EPILOGUE MONTAGE- TWO MONTHS LATER

INT. SUNSET SHIMMER'S BEDROOM - DAY

Sunset writes in her journal to Twilight Sparkle, which plays in V.O. over the following scenes...

84 SUNSET SHIMMER (V.O.)
*Dear Princess Twilight, you can add
a new ending to the archives: the
Memory Stone is no more.*

EXT. CANTERLOT HIGH SCHOOL - PARKING LOT - DAY

Sunset and the Mane 6 run outside, excited to see-- A TRUCK backing up. A bemused look on Sunset's face when she sees VP LUNA approach the drivers' window...

85 VICE PRINCIPAL LUNA
No parking in the red zone during
third period...

DARKNESS, then BRRRRPT-- the back of the truck opens and the girls peer inside. REVERSE: revealing STACKS OF BOXES. Sunset opens one and pulls out... A YEARBOOK! Sunset's V.O. to Twilight continues...

86 SUNSET SHIMMER (V.O.)
*...Thank you for your help. Give my
best to Princess Luna, and of
course... my second-best teacher,
Princess Celestia. Make sure she
knows you're kidding when you say
that, though.*

EXT. CANTERLOT HIGH SCHOOL - COURTYARD - DAY

The girls sit around with their yearbooks: Flipping through, pointing and smiling at various pages...

87 SUNSET SHIMMER (V.O.)
*I'm happy to say... Everything is
back to how it used to be.*

INT. CANTERLOT HIGH SCHOOL - HALLWAY - LATER

Sunset walks down the hall, holding a yearbook. Trixie chases her, waving her yearbook in the air.

88 TRIxie
Sunset! Halt! Stop! I demand to
speak to the yearbook president!
(MORE)

TRIXIE (CONT'D)
(when Sunset stops)
How did THIS get in here?

She flips open the book. REVEAL: A *Greatest and Powerfulllest* superlative of Trixie, just like her mocked-up posterboard. Sunset shrugs her shoulders in feigned ignorance.

89 SUNSET SHIMMER
(with a magician's flourish)
"A yearbook president never reveals
her secrets."

They share a smile, then walk off together to catch up with Mane 6. The group continues down the hall, checking out each others' yearbooks as they go...

90 SUNSET SHIMMER (V.O.)
...Well, not exactly how it used to
be...

Sunset looks past Trixie through an open classroom door...

91 SUNSET SHIMMER
Hey Wallflower, I got a yearbook
delivery for "Best Gardner?"

IN THE CLASS, Wallflower is teaching SNIPS, SNAILS, and MUFFINS about Banzai Trees. Wallflower comes over, takes A YEARBOOK from Sunset, open and is touched to see...

...A "Best Gardener: Wallflower" superlative page, with signatures, doodles, and messages from the Mane 7.

92 SUNSET SHIMMER (CONT'D)
(to Wallflower)
You coming to lunch?

Wallflower nods and waves bye to SNIPS/SNAILS/MUFFINS. The girls all head off down the hallway.

DISSOLVE TO: A yearbook. The pages flutter open, eventually settling on a full page photo of the *Best Friends* superlative: Twilight Sparkle, Applejack, Rarity, Fluttershy, Pinkie Pie, Rainbow Dash... and Sunset Shimmer."

FADE OUT.

END OF PART FIVE

END OF SERIES
