EXT. CANTERLOT HIGH SCHOOL - DAY

Students mill about at the end of the day.

INT. CANTERLOT HIGH SCHOOL - HALLWAY - SAME

An empty hallway. From somewhere far away, we hear the sounds of someone <POUNDING ON A DOOR>.

A DIFFERENT EMPTY HALL: <BANGING CONTINUES>. ANGLE ON: The YEARBOOK OFFICE DOOR, shaking with each <BANG>!

1 SUNSET SHIMMER (O.S.)
 (muffled through door)
IS ANYBODY OUT THERE!? SOMEBODY
OPEN THE DOOR!!!

INT. YEARBOOK OFFICES - DAY

Sunset backs up and SHOULDER BARGES the door.

2 SUNSET SHIMMER
 Okay, ow.

She slides down to sit on the floor.

3 SUNSET SHIMMER (CONT'D)
I don't know what to do. Somebody's
out there with the Memory Stone, and
in a few hours it'll be too late to
get everyone's memories back. I'll
never have my old life back.

She <SIGHS>. Trixie leans back in a chair at a desk nearby.

4 TRIXIE
...So you think we confronted the
person who has it, but then they
erased our memory to get away?

5 SUNSET SHIMMER
That's how the original Sorceress
kept escaping with the Memory Stone
back in Equestria.

6 TRIXIE
Well this is impossible, then! How
are we supposed to catch someone
who can erase our memory every time
we get near them!?

<INTRIGUING MUSIC CUE>. Sunset sits up with a funny look on her face.

7 SUNSET SHIMMER
By being Clever...

FLASH BACK TO:

INT. CANTERLOT LIBRARY - RESTRICTED SECTION - DAY

Back in *Part 2*, down in the archives, where Pony-Twilight and Pony-Sunset look over the scraps of parchment they found...

8 TWILIGHT SPARKLE
...Clover the Clever kept finding her.

9 SUNSET SHIMMER
How...?

10 TWILIGHT SPARKLE
These scraps of parchment. She secretly wrote everything down, so she'd know what had happened and where to go next... even as she constantly lost her memories...

BACK TO PRESENT:

INT. YEARBOOK OFFICES - BACK TO SCENE

Sunset finishes Twilight's thought...

11 SUNSET SHIMMER
"...Like a trail of breadcrumbs."

Sunset pats herself down. She's amazed to pull A CRUMPLED NOTE FROM HER POCKET. Trixie's confused. Sunset reads it.

12 SUNSET SHIMMER (CONT'D)
It's my handwriting. ...I wrote myself a note.
(showing her)
"Check the video."

Trixie's even more confused. Growing more hopeful by the second, Sunset spots-- SCI TWI's SELFIE SENSING CAMERA DRONE, which is still sitting on a desk plugged into a computer.

13 SUNSET SHIMMER (CONT'D)
If I'm as smart as I hope I am...

She inspects the camera. CLOSE ON: The BLINKING RED RECORDING LIGHT. Sunset is amazed. *

14 SUNSET SHIMMER (CONT'D) *
...YES! It's been recording this *
whole time! *

15 TRIxie *
Twilight's camera...? What are you *
talking about?!

16 SUNSET SHIMMER *
I don't remember doing it, but I *
must have realized they would erase *
our memories, so I pressed record! *

Sunset presses PLAY. *

ON THE COMPUTER MONITOR, A VIDEO BEGINS: Sunset's face fills the frame. She adjusts the camera a bit, then gives a thumbs-up into the lens. *

17 TRIxie *
(watching, amazed) *
...Clever. *

18 SUNSET SHIMMER *
I can't take credit for the idea. *

ON THE VIDEO, Sunset begins slinking toward... WALLFLOWER, who sits at her computer editing the garden photo. *

WATCHING THE VIDEO, Trixie is confused. *

19 TRIxie *
Who's THAT? *

20 SUNSET SHIMMER *
...Wallflower. *

<MUSIC UP> and we dissolve through shots/audio of the video confrontation and Sunset and Trixie's reaction watching it. *
We see Wallflower, hurt and sad, and Sunset-- angry, then... *

21 WALLFLOWER (ON VIDEO) *
I don't like confrontation. Let's *
just... forget this ever happened. *
Well, you two forget it, I mean... *

Trixie presses PAUSE.

22 TRIxie *
You know, she's kinda right about *
you.

23 SUNSET SHIMMER

 (sarcastic)

Thanks.

*
*

24 TRIXIE

Actually, the Wise and Moralizing
Trixie is making a point.

 (re: the video)

You said you didn't do anything.

*
*
*
*

25 SUNSET SHIMMER

I didn't! I wasn't mean to her at
all.

*
*
*

26 TRIXIE

Maybe it's not good enough to "not
be mean" to someone. Maybe you have
to be nice.

 (beat)

I mean YOU, not me, of course.

*
*
*
*
*
*

Sunset stares at Wallflower's face in the freeze-frame.

27 SUNSET SHIMMER

...You're right.

*

28 TRIXIE

Always.

*
*

29 SUNSET SHIMMER

<SIGH>. Not that it matters--
 (jiggling locked door)

It would take a miracle to get us
out of here.

*
*
*
*

Trixie's eyes light up.

*

30 TRIXIE

Not a miracle-- just... MAGIC!
 (wish a flourish)

We forgot that when you're trapped
with a master illusionist, you're
not really trapped at all.

 (booming stage voice)

Behold: *The Magician's Exit!*

*
*
*
*
*

Trixie throws something down and FLASH! <POP>! SMOKE...

*

INT. CANTERLOT HIGH SCHOOL - HALLWAY - MOMENTS LATER

*

...and when the smoke clears, TRIXIE IS AMAZED TO FIND
HERSELF OUT IN THE HALLWAY!

*
*

```

31          TRIXIE
IT FINALLY WORKED! I DID IT!!!
You're no doubt wondering how, but
as they say, "A magician never
reveals her secrets..."

```

Trixie turns. Uh... no Sunset, just a closed/locked door.

32 SUNSET SHIMMER (O.S.)
I'm still in here.

33 TRIXIE
Ummm...
 (booming stage voice)
...it's part of the trick. For the
Great and Powerful Trixie will now
perform the exciting conclusion as
planned! The Magician's Exit, part 2!

She throws another smoke bomb. When it clears, SUNSET is in the hallway!

34 SUNSET SHIMMER
Nice!

Sunset looks-- no Trixie. ANGLE ON THE CLOSED DOOR.

35 TRIXIE (O.S.)
OH COME ON!!! That was my last
smoke bomb. Leave me-- I'd rather
be remembered as a martyr anyway!

36 SUNSET SHIMMER
I owe you one, Trixie. I won't
forget this.

As Sunset runs off, hold on the closed door...

37 TRIXIE (O.S.)
...Well, never say never.

EXT. CANTERLOT HIGH SCHOOL - DAY

Sunset runs outside.

38 SUNSET SHIMMER
Wallflower!?

But only a few incidentals standing around. Sunset runs off toward the parking lot, determination on her face and then--

EXT. CANTERLOT HIGH SCHOOL - PARKING LOT - MOMENTS LATER

<CAR HONK>! Flash Sentry (seatbelted) SLAMS on the brakes as Sunset stops short at the curb-- an S&P-friendly close call).

39 SUNSET SHIMMER
Sorry! Sorry!

She stumbles into the lot after he pulls ahead. She looks left-- sees LYRA and BON-BON walking and talking. Looks right: THE MANE 6 are hanging out at Applejack's car. Looks ahead and WE PUSH IN ON SUNSET AS SHE SEES--

40 SUNSET SHIMMER (CONT'D)
Wallflower! Stop!

Across the parking lot, WALLFLOWER is heading into the woods. She stops, but doesn't look back.

41 WALLFLOWER (O.S.)
Who... me?

Sunset strides across the lot. She walks right past the Mane 6, who give her space. She checks out their faces as she passes-- FLUTTERSHY, RAINBOW DASH, PINKIE PIE, APPLEJACK, RARITY, SCI TWI-- skeptical, dubious.

42 SUNSET SHIMMER
 (calling to Wallflower)
I just want to talk...!

Wallflower turns around, face innocent...

43 WALLFLOWER
...about the yearbook, or...? I
was... on my way to my garden. Is
everything okay, Sunset...?

As Sunset catches up to her...

44 SUNSET SHIMMER
It's no use pretending-- I remember
everything... the Memory Stone...
how I acted... all of it...

Wallflower suddenly goes from wary to ANGRY.

45 WALLFLOWER
WHAT?! How? I erased the whole
afternoon!

46 SUNSET SHIMMER *
Listen, I used to be just like you. *
Sure I was popular, but I was all *
alone. *

47 WALLFLOWER *
Why do you always get to win!? This *
is not fair! *

48 SUNSET SHIMMER *
I'm sorry, Wallflower... *

49 WALLFLOWER *
No, you're not. ARGH! How am I *
supposed to get back at you if *
nothing I do matters? I HATE YOU! *

Sunset winces. Behind her, Applejack and Rainbow Dash *
exchange a look-- "whoa, where'd that come from?" Fluttershy, *
holding an adorable bunny, covers its ears. *

Red-faced with anger, Wallflower looks past Sunset to the *
Mane 6. Her eyes narrow with an idea. She pulls THE MEMORY *
STONE from her backpack. *

50 SUNSET SHIMMER *
Okay, there it is, now just... put *
it down... *

Wallflower hefts the stone. *

51 WALLFLOWER *
I wanted to teach you a lesson by *
erasing your friends' good memories *
of you, but obviously that didn't *
work. *
 (slight smile) *
But what if I erased ALL their *
memories of high school? *

She enjoys seeing Sunset GASP. *

52 WALLFLOWER (CONT'D) *
You wouldn't like that, would you? *

53 SUNSET SHIMMER *
You can't-- you'd be stealing their *
memories of each other! *

Wallflower nods. The Mane 6 look at each other, confused. The *
stone begins GLOWING as Wallflower closes her eyes. *

54 SUNSET SHIMMER (CONT'D) *
They won't be friends anymore! *

Wind swirls around Wallflower, blowing her hair as <MAGIC SOUNDS> swell. PUSH IN ON SUNSET-- what can she do!? The stone glows even brighter. The Mane 6 cover their eyes. *

Suddenly <ZAP>! A BEAM OF LIGHT shoots toward the Mane 6-- *

55 SUNSET SHIMMER (CONT'D) *
--NO! *

Sunset JUMPS IN FRONT OF IT! The Mane 6 <GASP>. Sunset braces herself against the white light that envelops her. *

56 SUNSET SHIMMER (CONT'D) *
...I ruined their friendship once *
before-- I'd rather give up my own *
memories than let it happen again! *

As ENERGY flows around Sunset, she clutches her head, fighting it-- but a GLOWING SPARK with a ghostly image of FLUTTERSHY emerges from her forehead. *

57 SUNSET SHIMMER (CONT'D) *
Arghhh...! Goodbye, Fluttershy... *
You inspired me every day with your *
bottomless kindness to everyone... *
and everything. *

CLOSE ON FLUTTERSHY, hearing her words. The bunny she's holding looks up at her and smiles. The SPARK of Fluttershy disappears into the Memory Stone. From Sunset's forehead comes another SPARK-- with a ghostly APPLEJACK... *

58 SUNSET SHIMMER (CONT'D) *
Applejack, I could always count on *
your honesty. You told the truth *
even when you know it would hurt. *

CLOSE ON APPLEJACK, as Sunset's words soften her expression. Then A SPARK OF RARITY floats out of Sunset, along the beam toward the stone. Sunset doubles over, fighting but losing... *

59 SUNSET SHIMMER (CONT'D) *
Nghhhh! Rarity, you're so talented, *
but you're so generous in sharing *
those talents to help your friends. *

Rarity's eye's quiver. The sparks of AJ and RY disappear into the Stone. A RAINBOW DASH SPARK emerges from Sunset. *

60 SUNSET SHIMMER (CONT'D) *
<PAINED GASP>! Rainbow Dash, *
there's nothing better than a loyal *
friend who always had my back. *

Rainbow Dash feels a surge of emotion. A PINKIE PIE SPARK emerges. Sunset's legs give out and she falls to her knees.

61 SUNSET SHIMMER (CONT'D)
Pinkie Pie, no one could cheer me
up with a good laugh like you.

Pinkie's eyes fill with TEARS. Finally, a ghostly SPARK of SCI TWI comes out and Sunset falls to lie on the pavement.

62 SUNSET SHIMMER (CONT'D)
Twilight... Nghhh... you're so nice
we became friends twice. The two of
you taught me everything I know
about friendship. Don't...
forget... me... Aghhhhhh!

SCI TWI watches with horror as the beam of light <CRACKLES> around Sunset, drawing more SPARKS out of her. The sparks rush into the stone and then <FWOOSH>... it's suddenly QUIET.

<BREATHING HEAVILY>, Sunset's eyes dart around like a frightened, cornered animal.

63 SUNSET SHIMMER (CONT'D)
This isn't Canterlot... where am
I...? Princess Celestia?

Sunset sees that she has HANDS and <GASPS>.

64 SUNSET SHIMMER (CONT'D)
What's happening to me? Princess
Celestia!? Help! Somepony help me--!

65 SCI TWI (O.S.)
THAT'S ENOUGH!

A WHITE FLASH OF LIGHT and <TRANSFORMATION SOUNDS>. CLOSE ON WALLFLOWER, taking a step back. CLOSE ON SUNSET, scared...

66 SUNSET SHIMMER
Who are you...?

REVEAL: The Mane 6 are floating in formation, decked out in their CRYSTAL ARMOR, wind blowing behind them.

67 SCI TWI
We are your friends.

They glide to surround Sunset, taking each other's hands...

68 APPLEJACK
It doesn't matter if we remember.

```
69          PINKIE PIE                                *
After seeing what you did for us...                *
```

```
70          RARITY                                     *
...sacrifice you made...                             *
```

```
71          FLUTTERSHY                                *
...we'd be proud to call you...                      *
```

```
72          RAINBOW DASH          *
...our friend.                  *
```

Sci Twi helps Sunset Shimmer up. As soon as their hands touch... Sunset transforms into her Crystal armor too!

Their geode necklaces glow. Wallflower shakes her head-- this can't be happening. From the geodes, beams of color ZAP together and the combined energy BLASTS THE MEMORY STONE!

Wallflower stumbles back as THE MEMORY STONE cracks, energy
lines surging around it until it EXPLODES! SPARKS OF MEMORY
rush out along with a cacophony of <WALLAH> and <SFX>. Quick
shots of everyone as the memory sparks return to their heads.
Including... THE MANE 6 and SUNSET SHIMMER. The <SFX> and
swells and then <FWOOSH>...

Silence. *

Sunset cautiously stands up. She looks over at her friends. *

```
73          SUNSET SHIMMER                                *
          (hesitantly...)                                *
...Twilight... Sparkle...?                             *
```

PUSH IN ON SCI TWI... <DRAMATIC MUSIC>... and then... *

```
74          SCI TWI                                     *
...Sunset Shimmer!                                   *
```

They embrace. The others join for a group hug. *

75 SCI TWI (CONT'D) *

We're so sorry. *

```
76             SUNSET SHIMMER                               *  
I'm just glad to have you all back.                       *
```

ANGLE ON Wallflower, watching them hug. Sunset sees her and comes over. Wallflower can't make eye contact...

```
77          WALLFLOWER                                *
I'm so ashamed. I'd rather be                        *
invisible or forgotten than                          *
remembered as a villain.                             *
```

78 SUNSET SHIMMER
We've all been villains to someone
at one time or another. What matters
are the choices you make today.

Wallflower sadly inspects a shard of the destroyed stone.

79 WALLFLOWER
When I first found the Memory
Stone, I only erased little
things... awkward hellos, saying
the wrong thing, literally any
public speaking...

Sci Twi comes over.

80 SCI TWI
That's understandable. I've had
plenty of awkward moments I wish I
could erase too.

81 WALLFLOWER
But it's no excuse.
(to Sunset)
I'm sorry for everything. I was so
used to erasing memories that I got
completely carried away.

82 SUNSET SHIMMER
It's okay. I'm sorry too. I may
have stopped being mean last year,
but a great and powerful friend
helped me realize I still wasn't
very nice to you.

The Mane 6 nod in agreement.

83 APPLEJACK
None of us were.

84 FLUTTERSHY
And I know how hard it is being
shy.

Wallflower Sunset offers her hand.

85 SUNSET SHIMMER
Everyone matters, Wallflower, no
matter how insignificant or
invisible they feel.

Wallflower's eyes quiver.

She takes Sunset's hand, who helps her up and they embrace. *

EPILOGUE MONTAGE- TWO MONTHS LATER

INT. SUNSET SHIMMER'S BEDROOM - DAY

Sunset writes in her journal to Twilight Sparkle, which plays in V.O. over the following scenes...

86 SUNSET SHIMMER (V.O.)
Dear Princess Twilight, you can add
a new ending to the archives: the
Memory Stone is no more.

*
*
*

EXT. CANTERLOT HIGH SCHOOL - PARKING LOT - DAY

Sunset and the Mane 6 run outside, excited to see-- A TRUCK
backing up. Sunset's V.O. to Twilight continues...

*
*

87 SUNSET SHIMMER (V.O.)
...Thank you for all your help, and
send all my thanks to Princess
Celestia and Princess Luna for
theirs as well.

*
*
*
*
*

DARKNESS, then BRRRRPT-- the back of the truck opens and the
girls peer inside. REVERSE: revealing STACKS OF BOXES. Sunset
opens one and pulls out... A YEARBOOK!

*
*

EXT. CANTERLOT HIGH SCHOOL - COURTYARD - DAY

The girls sit around with their yearbooks: Flipping through,
pointing and smiling at various pages...

*
*

88 SUNSET SHIMMER (V.O.)
...Everything is back to the way it
used to be.

*
*

INT. CANTERLOT HIGH SCHOOL - HALLWAY - LATER

Sunset walks down the hall, holding a yearbook. Trixie chases
her, waving her yearbook in the air.

*
*

89 TRIXIE
Sunset! Halt! Stop! I demand to
speak to the yearbook president!
(MORE)

*
*

TRIXIE (CONT'D)
(when Sunset stops)
How did THIS get in here?

She flips open the book. REVEAL: A Greatest and Powerfulest superlative of Trixie, just like her mocked-up posterboard. Sunset shrugs her shoulders in feigned ignorance.

90 SUNSET SHIMMER
(with a magician's flourish)
"A yearbook president never reveals her secrets."

They share a smile, then walk off together to catch up with Mane 6. The group continues down the hall, checking out each others' yearbooks as they go...

91 SUNSET SHIMMER (V.O.)
...Well, not exactly the way it used to be...

Sunset looks past Trixie through an open classroom door...

92 SUNSET SHIMMER
Hey Wallflower, I got a yearbook delivery for "Best Gardner?"

IN THE CLASS, Wallflower is teaching SNIPS, SNAILS, and MUFFINS about Banzai Trees. Wallflower comes over, takes A YEARBOOK from Sunset, open and is touched to see...

...A "Best Gardener: Wallflower" superlative page, with signatures, doodles, and messages from the Mane 7.

93 SUNSET SHIMMER (CONT'D)
(to Wallflower)
You coming to lunch?

Wallflower nods and waves bye to SNIPS/SNAILS/MUFFINS. The girls all head off down the hallway.

DISSOLVE TO: A yearbook. The pages flutter open, eventually settling on a full page photo of the *Best Friends* superlative: Twilight Sparkle, Applejack, Rarity, Fluttershy, Pinkie Pie, Rainbow Dash...

...and Sunset Shimmer."

FADE OUT.

END OF PART FIVE - END OF SERIES
