Premise: July 2, 2014

Sunset Shimmer Premise

Premise by Natasha Levinger

Sunset Shimmer is sitting behind a big machine that has all kinds of switches and knobs. It has a screen divided into five sections. She is deeply absorbed in studying it.

The girls ask what's going on and when is she going to start? She tells them she is never going to be able to figure out how magic works in their world if they keep asking her questions.

She tells Dash to play a scale on her guitar. Sunset Shimmer looks at her screen, nothing happens. She's confused.

She tells Pinkie Pie to do some drumming to that. She is not moved by the scales and kind of taps on her legs. Nothing happens.

She tells Fluttershy to play her tambourine.

She tells Rarity to do something on her keys.

She tells AJ to just play scales on her bass.

Nothing is working.

Applejack says, "I have to be honest this isn't very fun." Pinkie Pie says, "Yeah! Let's have fun!!!"

Rainbow Dash says that's a great idea, and starts playing her guitar for fun, Pinkie Pie starts dancing exclaiming, "Oooh this is so much more fun than a "trying to figure out how magic works" party! Let's have a dance party!!!" She starts dancing and Fluttershy brings her animals out of hiding to join and Rarity starts moving with them and dressing them up with boas as they go. The machine is going nuts Sunset Shimmer is freaking out, adjusting the knobs trying to figure out what's going on. "This is amazing! Keep doing what you're doing!"

Suddenly Maud walks in and says flatly, "Cool. A dance party. This is totally my jam."

The machine comes to a dead STOP. Dash stops playing. They all look at each other and then at Sunset Shimmer. Her eyes light up. "Fascinating! Okay everyone, back to the drawing board! Come on, come on! Rainbow Dash start playing! Maud stand here next to me!"

They keep playing and we fade out.
