Photo Finished Beatsheet

Story by Jayson Thiessen & Ishi Rudell

Photo Finish is in Principal Luna's office getting her final instructions as she is the official photographer for the CHS school yearbook.

PRINCIPAL LUNA:

Our yearbook photos this year could use a bit more... Pizazz. Would you like to take some pictures for-

PHOTO FINISH:

SAY NO MORE! I, Photo Finish, will capture... DE MAGICKS!

Photo Finish snaps her fingers and her two assistants suddenly appear with loads of photography equipment and they quickly exit in a whirl of dust.

Scenario #1

A rocker kid is eating a sandwich in the cafeteria. Suddenly PF interrupts with her two assistants. They quickly set up a bunch of lights and backdrops all around him, replace his sad looking sandwich with something more "majestic" and shouts orders at him to eat with passion as the two assistants fuss with his hair and makeup. He is stunned, but complies. Flashes of light strobe the screen as she snaps numerous quick photos.

Then as quickly as she started. PF shouts "ENOUGH! I go!" – and the assistants take down everything, remove the new food and shove his old sandwich back in his face. He has no idea what just happened

Scenario #2

In the gym a nerd is trying to shoot some hoops. He's not very good.

Suddenly PF arrives and shouts orders as her assistants set up all the equipment around him. such as wind fans, a trampoline and umbrella lights. One assistant sprays water in his face with a spray bottle as another one throws basketballs at him. PF shouts at him to: "Jump! JUMP like a beautiful grasshopper! Like a graceful Gazelle! You are striving to place the orb of desire in the net of your future!"

The nerd kid has no choice but to comply until... "ENOUGH! I go!"

And she leaves as quickly as she came, with the nerd having not even thrown the ball once. He stands there alone, just blinking.

Scenario #3

In the library, Cheerilee is sorting and putting away books. It is very quiet.

Suddenly PF and her assistants burst in and disturb the peace with their equipment. Placing lights and fans all around while styling CL's hair and makeup. PF shouts at her: "YES! READ! You are so very intrigued by the story! NO! NO! That book is out of order! It does not comply with the dewey decimal system!"

Cheerilee is annoyed and shushes her.

PF shouts "ENOUGH! I go!" –and they are gone in a flash.

Montage of quick shots showing students in mundane situations being attacked by PF in a glamour photo-shoot ambush:

-a student tries to drink from a fountain surrounded by photography equipment, fans and lights as PF shouts "DRINK! DRINK!"

-a music student with cymbals is attacked with PF shouting "PLAY! PLAY!"

-Cranky, the school janitor with his broom, is attacked as PF shouts "SWEEP! SWEEP!"

-Fast shots of PF snapping pictures as exclaiming "YES! NO! YES! NO! ENOUGH! I go!"

CUT to Luna's office once again as PF is being interrogated by Luna.

PRINCIPAL LUNA:

Photo Finish, I have been receiving a number of complaints from students and faculty about you causing disturbances and disrupting the peace around the school. Perhaps I made the wrong choice in asking for your assistance on this project. Do you have anything to say for yourself?

PHOTO FINISH:

I SAY NOTHING! Photo Finish lets her work speak for itself!

PF slams a number of photos down on Luna's desk. We see the pictures showing all the scenarios from earlier, they are incredibly glamorous and professional looking nothing like what we saw behind the scenes. All of the students and teachers look like supermodels on a fashion magazine cover.

Luna is impressed.

PRINCIPAL LUNA:

Amazing. These are really impressive! I must say you certainly get results. You may continue on, but do try to be less disruptive.

PHOTO FINISH:

HOLD THAT POSE!

PF snaps her fingers and her assistants rush in and set up equipment all around Luna, fuss with her hair and makeup as PF snaps a number of photos as Luna barely gets a chance to understand what is happening.

PF shouts orders at her

PHOTO FINISH

YES! YES! You are the authority! Sign those papers! Reprimand the students! ENOUGH! I go!
