

SC 1 - EXT. CANTERLOT HIGH SCHOOL STEPS - DAY

LUNA

I'm sure you'll come up with the PERFECT sign that lets the Crystal Prep kids feel welcome but also conveys that we are stiff competition.

ALL OF THEM

Oh yeah sure/Totally/100%.

LUNA

I'll be back in an hour to see what you've come up with.

FLASH

I got it. We should decorate it with the sheet music to my song, "Love in a Flash." It'll show them we're talented while welcoming them in with the universal language of music.

MICRO CHIPS

I was thinking we could paint a model of DNA. It shows we're smart, but it invites them in with the very fiber of our being.

SANDALWOOD

What we *should* do is portray peace through art. One love, bros.

SANDALWOOD

DUDE!

MICRO CHIPS

(Gasp) What did you do?

FLASH

Watch the HAIR, man!

SANDALWOOD

You're harshing the flow.

MICRO CHIPS

Hey! You did that on PURPOSE!

MICRO CHIPS (CONT'D)

(Gasp) My friendship algorithm!

FLASH

Hey! What gives? You just 'projectile scienced' all over my chorus!

MICRO CHIPS
Well you guys painted all over my
molecular structures!

SANDALWOOD
And how am I supposed to paint my
spirit guide when there's DNA and a
treble clef in the way???

FLASH
Oh, I don't know! Ask your spirit
guide!

SANDALWOOD/FLASH/MICRO CHIPS
You're ruining my design!

LUNA
(clearing her throat)
My oh my.

MICRO CHIPS
We're really--

LUNA
Proud of yourselves I hope. This is
wonderful!

FLASH
It is?

LUNA
It's inspiring but still warm and
welcoming. I love how your work is
literally enmeshed. Truly excellent
work, boys!

SANDALWOOD
Thank you. This is just what happens
when you allow love to lead the way.

FLASH
With song.

MICRO CHIPS
Through the self-replicating
material present in nearly all living
organisms.

LUNA
That's great to hear, now just add
"Welcome Crystal Prep", and I'd like
to see 5 more by the end of the day!

LUNA (CONT'D)
Thanks boys!
