“Flash Sentry, Cecil & Poindexter Welcome Sign”

Episode #

Written by: Natasha Levinger

1st Draft: July 21, 2014

Premise: July 10, 2014

SC. 1 - EXT. CANTERLOT HIGH SCHOOL STEPS - DAY

Cecil, Flash and Poindexter are standing in front of a long piece of paper to be used for a banner, staring at it clearly at a loss for what to do with it. Surrounding it are a variety of art materials: paint, glitter, markers, glue, etc.

Vice Principal Luna stands behind them.

1 LUNA
I'm sure you'll come up with the
PERFECT sign that lets the Crystal
Prep kids feel welcome but also
conveys that we are stiff
competition.

2 ALL OF THEM
Oh yeah sure/Totally/100%.

3 LUNA
I'll be back in an hour to see what
you've come up with.

She pats Poindexter on the back without much force, but he still loses his balance.

They watch her leave from the corner of their eyes and then turn to each other quickly.

4 FLASH
Did she say one hour?

5 CECIL
Stiff competition AND welcome them?
That's like, total opposites.
Besides, while I believe in healthy
competition, I also believe in
peace.

6 POINDEXTER
Well, I believe in Math. 100%.

7 FLASH
I believe in music.

They look at each other and immediately DIVE for the art materials. Within seconds they are clawing past each other trying to paint, glue, glitter and draw in every direction at once.

Cecil is LEAPING across the banner and the glitter goes FLYING all over Flash's hair.

Poindexter is in the middle of painting the periodic table when Flash DASHES past him with a paintbrush in hand and accidentally PAINTS ACROSS HIS FACE.

Poindexter trips and SPLATTERS GLUE all over the banner-over Cecil's peace signs and Flash's musical notation. They all lunge for the glitter that goes everywhere-on themselves and the banner.

Cecil is running back carrying an armful of sticks and BUMPS into Flash. They both end up rolling over each other in the glitter, glue and paint and BUMP into Poindexter who was so immersed in his design he didn't see it coming. They have all fallen over now and are rolling on top of the design.

They stand up and yell at each other at once, completely covered in glitter and paint.

8 POINDEXTER
What are you doing?? I wasn't done!

9 CECIL
Dude, I obviously didn't mean to do that. Chill out.

10 FLASH
Chill OUT? We don't have anymore time! She's going to be here any second!

They throw their brushes down and examine their work.

11 FLASH (CONT'D)
She's going to kill us.

12 CECIL
Dead.

13 POINDEXTER
100%.

14 LUNA
My oh my.

They turn around to see her standing there looking at it. We pull back to see it: it's a crazy jumble of hippy, science and music themes.

15 POINDEXTER
We're really--

16 LUNA
Proud of yourselves I hope. This is beautiful!

17 FLASH
It is?
(quickly)
I mean, it IS!

18 LUNA
It's inspiring but still warm and
welcoming. Truly excellent work,
boys!

19 CECIL
It was SUPER easy. So no problem at
all. We could do that in our sleep.

20 POINDEXTER
100--

21 LUNA
That's great to hear, because I'd
like to see 5 more of these all
around the school. By 3:00 today
when they're due to arrive.

Their mouths drop open but she doesn't notice because she's
turned to leave.

22 LUNA (CONT'D)
Thanks boys!

They look at each other and collapse.

23 FLASH
We are so doomed.

24 POINDEXTER
100%.
