Episode #4

Written by: Natasha Levinger

SC. 1 - EXT. CANTERLOT HIGH SCHOOL STEPS - DAY

Cecil, Flash and Poindexter are standing in front of a long piece of paper to be used for a banner, staring at it clearly at a loss for what to do with it. Surrounding it are a variety of art materials: paint, glitter, markers, glue, etc.

Vice Principal Luna stands behind them.

1 LUNA

I'm sure you'll come up with the
PERFECT sign that lets the Crystal
Prep kids feel welcome but also
conveys that we are stiff
competition.

2 ALL OF THEM

Oh yeah sure/Totally/100%.

3 LUNA

I'll be back in an hour to see what
you've come up with.

She pats Poindexter on the back without much force, but he still loses his balance.

They watch her leave from the corner of their eyes and then turn to each other quickly.

4 FLASH

I have the perfect idea. We should
make the whole banner the sheet
music to my original song, "Love in
a Flash." That way it shows we're
smart and talented, but it invites
them in with MY first love--the
universal language of music.

He expects them to be over the moon about his idea but they look at him, annoyed.

*
*

5 POINDEXTER

That's the most idiotic idea I've
ever heard. You need to use your
head. What we should do is, paint a
model of DNA. It shows we're
intelligent but it invites them in
with the very fiber of our being.
Obviously Cecil will agree with
this if he has any sense.

6 CECIL
 I'm standing right here, dude. And
 I have a LOT of sense but what I
 see, that you two don't, is truth.
 And the only TRUTH there is, love
 and PEACE.
 (angrily)
 Om, jah, one LOVE bros.

7 POINDEXTER
 Love and PEACE??

8 CECIL
 DNA???

They look at each other and then look at Flash.

9 CECIL/POINDEXTER
 Love in a FLASH???

They look at each other and immediately DIVE for the art materials. Within seconds they are clawing past each other trying to paint, glue, glitter and draw in every direction at once.

Cecil is LEAPING across the banner and the glitter goes FLYING all over Flash's hair.

10 FLASH
 Watch the HAIR, man!

Poindexter is in the middle of painting the periodic table when Flash DASHES past him with a paintbrush in hand and accidentally PAINTS ACROSS HIS FACE.

11 POINDEXTER
 You did that on PURPOSE!

Poindexter trips and SPLATTERS GLUE all over the banner--over Cecil's peace signs and Flash's musical notation. They all lunge for the glitter that goes everywhere--on themselves and the banner.

12 CECIL/FLASH/POINDEXTER
 You're ruining my design!

Cecil starts to run off to get something but BUMPS into Flash. He trips and falls which makes Cecil fall, and they both end up rolling over each other in the glitter, glue and paint and BUMP into Poindexter who was so immersed in his design he didn't see it coming. They have all fallen over now and are rolling on top of the design.

They scramble to their feet and look at the damage they did to their design.

*
*

13 POINDEXTER
What did you do?? You painted all over my binary code!

*
*

14 CECIL
Well how am I supposed to portray the essence of incense when there's DNA and a treble clef in the way???

*
*
*

15 FLASH
I'll tell you how, you won't!
Because incense doesn't have an ESSENCE!!
(quickly wistful)
That would make a great song title though.

*
*
*
*
*
*

The alarm goes off on Poindexter's watch. He looks at it.

*

16 POINDEXTER
Time's up. She'll be here any second.

*
*
*

They throw their brushes down, horrified.

*

17 LUNA
My oh my.

*

They turn around to see her standing there looking at it. We pull back to see it: it's a crazy jumble of hippy, science and music themes.

18 POINDEXTER
We're really--

19 LUNA
Proud of yourselves I hope. This is beautiful!

20 FLASH
It is?
(quickly)
I mean, it IS!

21 LUNA
It's inspiring but still warm and welcoming. I love how your work is literally emeshed. Truly excellent work, boys!

*
*

22 CECIL

Thank you. This is jut what happens
when you allow love to lead the
way.

*
*
*

23 FLASH

(quickly)

With song.

*
*
*

24 POINDEXTER

Through the fiber of our very
being. It really couldn't have been
easier.

*
*
*
*

25 LUNA

That's great to hear, because I'd
like to see 5 more of these all
around the school. By 3 PM?

*

Their mouths drop open but she doesn't notice because she's
turned to leave.

26 LUNA (CONT'D)

Thanks boys!

They look at each other, groan and walk off in different
directions.
