SUNSET SHIMMER

Dear Princess Twilight,
Wish we'd had more time to catch up
last time you were here. Must have
been a pretty big shock seeing
someone who looked just like you
when you came out of the portal
from Equestria.

SUNSET SHIMMER (CONT'D)

The last few weeks have been pretty
crazy for all of us. As I told you
in my last letter, Canterlot High
was the host for the Friendship
Games against the students from
Crystal Prep. It's supposed to be a
friendly competition but turned
into anything but.

SUNSET SHIMMER (CONT'D)

The girl who looks just like you
was a student at Crystal Prep.
Turns out she'd picked up on the
Equestrian magic that seems to have
seeped into this world. She was
able to collect all of that magic
and the principal from her school
wanted her to use it to help
Crystal Prep win the Friendship
Games.

SUNSET SHIMMER (CONT'D)

Things got pretty intense when she
couldn't control that magic and it
changed her. Canterlot High almost
lost way more than just the
Friendship Games.

SUNSET SHIMMER (CONT'D)

But I've learned a lot over the
last year. And with the Magic of
Friendship I was able to reach out
and help this world's Twilight.

SUNSET SHIMMER (CONT'D)

Happy to report that everything is
back to normal. Well, as normal as
anything can ever be at Canterlot
High. The Twilight from this world
is a student here now.

You'll probably have to plan your next visit pretty carefully so you two don't confuse everyone. Gotta run! Hope to see you soon. You're friend, Sunset Shimmer
