INT. SCHOOL GYM - DAY/NIGHT

At the beginning of this Music Video, The Equestria Girls are on stage. Twilight steps up to the mic.

1	TWILIGHT	1
	Hey Canterlot Colts! How's everybody doing tonight?	

An O.S. <RAUCOUS CHEER>.

2	TWILIGHT (CONT'D)	2
	Before we start, we'd like to thank all of you for coming to tonight's charity dance. We worked really hard putting this party together and we hope you all have a blast.	

An O.S. <CHEER>.

3	TWILIGHT (CONT'D)	3
	DJ PON-3, give us a beat!	

At her turntables, DJ-PON3 gives the band a beat. The Equestria Girls start performing a Techno Dance Party Song.

BALLOON WIPE TO:

INT. GYM - DAY - FLASHBACK

The Equestria Girls enter and look around at the barren gym.

The music video will INTERCUTS between the Equestria Girls performing on stage at DJ-PON3's HOUSE PARTY and...

A SERIES OF SHOTS:

1) Pinkie has decorated the party as cute and fun and silly as she is. Pastel streamers and banners. But this is not the kind of party the rest of the girls want to have.

2) Hawaiian. The girls wear leis. The room is decorated in Tikis and tropical flowers. Pinkie plays the ukulele. But it's just not right.

3) Rarity's Fashion Extravaganza. With the room draped in purple and white, Rarity has set up a runway where all the girls strut their stuff in feather boas and elaborate hats. A feather tickles Pinkie's nose and she does a huge sneeze, causing feathers to explode all over. Nope.

4) Apple Wipe as Applejack has the room covered with apples and serves the girls apple treats. While they find them delicious, this isn't the right theme.

5) Pirates. The room is decked out with a flag with the Jolly Roger, treasure chests, and a pirate ship. The girls have pirate hats and eye patches. Rainbow Dash and Applejack come through fighting with swords. It's fun, but "Arrrgh!" it's not the right theme.

6) Fluttershy's Petting Zoo. The walls are decorated with cutouts of animals. Sheep and pigs roam the room. Fluttershy is so happy. And while the other girls love the animals too, this isn't the right theme for a house party.

7) Star Wipe as Twilight has the room decorated in an astronomy theme. The cosmos covers the walls. She has a telescope set up. Suddenly astronaut Pinkie floats by.

8) Magician Theme. Pinkie appears in a magician's top hat with a wand. She drags Twilight up as her assistant, since Twilight does magic and all. But this is not the kind of magic Twilight does and this is not the right theme.

9) Rainbow Dash's Sports Center. Rainbow Dash has a soccer net, a basketball hoop, and an archery range set up. Balls and arrows come flying in at the girls. Rainbow is thrilled. This is going to be awesome. But the other girls don't agree.

10) Butterfly Wipe. Fluttershy has now decorated the room in beautiful butterflies. Butterflies even fly all over the room. It's so tranquil and lovely. Pinkie races by with a butterfly net. This is not the right theme.

11) Under the Sea. Everything looks like the bottom of the ocean with seaweed, coral, and the lost city of Atlantis. Fish, lobsters, and octopus cover the walls. Pinkie swims by with a snorkel and mask.

12) Applejack's Country Western. Applejack has the place decked out with hay bales, wagon wheels, and a mechanical bull. This looks like the best Hoedown in town, but the other girls cool AJ's spurs.

13) Diamond Wipe. Rarity has now bedazzled the entire room in sparkles and shimmers. It's so shiny, it's almost blinding. This is not it either.

14) The Dentist. Pinkie's idea of course, complete with Pinkie wearing a tooth on her head, dental chairs all around, and chattering teeth all over the floor biting the girls. The girls give Pinkie a look. No.

15) Twilight's Study Hall. The party is made up like a classroom. There's a blackboard. And books! Twilight is beaming. The rest of the girls give her a look. Worst. Party. Theme. Ever!

16) Rainbow Wipe. Rainbow Dash has decorated the room in a Rainbow Theme. It's colorful. It's fun. It's perfect and all the girls love it! Rainbow Dash does a celebratory jump, stoked that she basically "won" the party theme contest.

INT. SCHOOL GYM - NIGHT

At the Party, the lights flash and a disco ball spins as the PARTY GOERS wear their Canterlot Colts ears and tails.

They are all on the dance floor dancing like crazy having the best time ever as the "Ponyed Up" Equestria Girls continue to sing their party anthem.

SHAKE YOUR TAIL

[VERSE]

4 EQUESTRIA GIRLS 4
Hey! Hey, you party people!
Move on out! Get off the wall!

It's time to just go wild. Dance
and be free. The music calls!

C'mon! Up on your feet and raise
your hands! It's time to groove!

We wanna see you dance. You've got
the moves...

[CHORUS]

COME ON COLTS! LET'S PARTY!
JOIN THE HERD!
JUST BE BOLD! LET'S PARTY!
SHAKE YOUR TAIL!

[VERSE]

C'mon, now! Let it loose and break
it down. The beat is thumpin'.

We're gonna party on into the
night. The joint is jumpin'!

You know you got the stuff. And
now it's time to let it out!

Let's dance like no one's watching!
Give a shout...

[CHORUS]

COME ON COLTS! LET'S PARTY!
JOIN THE HERD!
JUST BE BOLD! LET'S PARTY!
SHAKE YOUR TAIL!

[BRIDGE]

Get in the spirit, now.
You wanna join the craze.
